## **TRADEMARK ASSIGNMENT AGREEMENT**

This Trademark Assignment Agreement (the "Assignment") is made as of August 13, 2012, by and between Winster (assignment for the benefit of creditors), LLC, a California limited liability company, in its sole and limited capacity as assignee for the benefit of creditors of Winster, Inc. (the "Seller"), and Reloaded Games, Inc., a California corporation (the "Buyer"). Seller and Buyer are parties to a certain Asset Purchase Agreement, dated as of August 13, 2012, by and between Seller and Buyer (the "Asset Purchase Agreement"). Capitalized terms used without definitions herein shall have the meanings ascribed to such terms in the Asset Purchase Agreement.

1. Pursuant to, and upon the terms of, the Asset Purchase Agreement, Seller has agreed to sell, convey, assign and transfer to Buyer, and Buyer has agreed to accept, all right, title and interest of Seller in and to any and all trademark rights and copyrights throughout the world, including any and all applications, registrations, and common law marks and copyrights, together with the goodwill of the business associated with and symbolized by same, held by Seller, including those set forth in Schedule A hereto, together with all common law rights therein and the right of Seller to sue for past infringement of any and all of said trademarks and copyrights (hereafter collectively referred to as "Marks"), as fully and entirely as the same would have been held and enjoyed by Seller had this Assignment not been made.

2. Seller desires to transfer and assign to Buyer, and Buyer desires to accept the transfer and assignment of all of Seller's right, title and interest in, to and under such Marks.

3. Seller, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby sell, convey, transfer and assign to Buyer, and Buyer hereby accepts the sale, conveyance, transfer and assignment of all right, title and interest of Seller in, to and under the Marks.

4. Notwithstanding anything to the contrary herein, Seller and Buyer are executing and delivering this Assignment in accordance with the Asset Purchase Agreement. This Assignment is subject to all of the terms and conditions of the Asset Purchase Agreement, and does not increase any liabilities or obligations nor decrease any rights or interests of either Seller or Buyer thereunder.

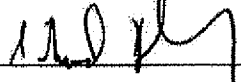

5. This Assignment may be executed in multiple counterparts, each of which shall be deemed an original hereof, and all of which shall constitute a single agreement effective as of the date hereof. Any delivery of an executed counterpart of this Assignment by facsimile or electronic mail shall be as effective as delivery of a manually executed counterpart of this Assignment.

6. This Assignment shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns.

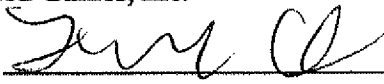

7. This Assignment shall be governed by and construed in accordance with federal bankruptcy law, to the extent applicable, and, where state law is implicated, the internal laws of the State of California, without giving effect to any principles of conflicts of law.

**IN WITNESS WHEREOF**, Seller has caused its respective duly authorized officers to execute this Assignment as of the date first above written.

**Winster (assignment for the benefit of creditors), LLC,**  
in its sole and limited capacity as the assignee for the  
benefit of creditors of Winster, Inc.
