WITNESSETH:

WHEREAS, the Borrower and the Secured Party previously entered into the Loan Agreement; and

WHEREAS, in order to induce the Secured Party to enter into the Amendment, the Debtor has agreed to execute and deliver this Agreement to the Secured Party;

WHEREAS, the Debtor owns all right, title and interest in and to the Patents and Trademarks as defined herein and as provided on Schedules A-D attached hereto;

WHEREAS, this Agreement is being executed in connection with and in addition to the Security Agreement dated as of the date hereof and executed by the Debtor in favor of the Secured Party pursuant to which the Debtor has granted to the Secured Party a security interest in and lien on, among other things, all of the Debtor's accounts, accounts receivable, payment intangibles, inventory, documents, instruments, chattel paper, general intangibles (including, without limitation, all right, title and interest of Debtor in, to and under all Trademarks, Trademark registrations, Trademark applications and Trademark Licenses thereof (as defined in Section 1(b) herein) together with the goodwill of the business symbolized thereby; and all Patents, Patent applications and Patent Licenses thereof (as defined in Section 1(a) herein)), machinery, equipment, investment property, books and records, all whether now owned or hereafter acquired by the Debtor and all cash and non-cash proceeds thereof;

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Debtor hereby covenants and agrees with the Secured Party as follows:

1. Grant of Security Interest. For value received, the Debtor hereby grants the Secured Party a security interest in and lien on all of the Debtor's right, title and interest in, to and under the following described property, all whether now owned and existing or hereafter created, acquired or arising (collectively, the "Collateral"):

(a) any and all Patents and Patent applications, and the inventions and improvements described and claimed therein, including, without limitation, each Patent and Patent application listed on Schedule A, respectively, attached hereto and incorporated herein by reference (as the same may be amended pursuant hereto from time to time) and all (i) provisional patent applications and similar instruments (including any and all substitutions, divisions, continuations, continuations-in-part, reissues, renewals, extensions, utilization models, reexaminations, patents of addition, supplementary protection certificates, inventors' certificates, patent term extensions, pediatric data package exclusivity extensions, any and all foreign equivalents thereof and all documentation associated therewith); (ii) each License, including, without limitation, each License listed on Schedule B annexed hereto, other than off-the-shelf software licenses (the "Patent Licenses") (iii) all products and proceeds of the foregoing, including without limitation, any claim by Debtor against third parties for past, present or future infringement of any Patent, including without limitation, any Patent referred to on Schedule A or B hereto, and any Patent issued pursuant to a Patent application referred to on Schedule A hereto, including income, damages and payments now and/or hereafter due or payable under or with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iv) the right to sue for past, present and future infringements thereof and (v) all rights corresponding thereto throughout the world (all of the foregoing patents and patent applications together with the items described in clauses (i) through (iv) of this subsection (a) are hereinafter collectively referred to herein as the "Patents");

(b) all Trademark registrations and Trademark applications, service mark registrations and service mark applications, trade names, trade styles, logos, brand names, and domain names including, without limitation, all renewals thereof and all common law rights thereto, and including all marks listed on Schedule C, attached hereto and incorporated herein by reference (together with the goodwill of the Debtor's business connected with a dn symbolized thereby (the "Marks"); and (i) all Licenses and all goodwill of the business connected with the use of, and symbolized by, each License, including, without limitation, each License referred to in Schedule D annexed hereto (the "Trademark Licenses"); (ii) all products and proceeds of the foregoing, including, without limitation, any claim by Debtor against any third party for past, present or future infringement of any Marks, including without limitation, any Marks referred to on Schedule C and D hereto, and any Marks issued pursuant to a trademark application referred to on Schedule C hereto; (iii) all income, damages and payments now and/or hereafter due or payable with respect thereto, including, without limitation, license royalties, damages and payments for past or future infringements thereof, (iv) the right to sue for past, present and future infringements thereof and (v) all rights corresponding thereto throughout the world (all of the foregoing Trademarks, trade names, service marks and applications and registrations thereof together with the items described in clauses (i) through (iv) of this subsection (b) are hereinafter collectively referred to herein as the "Trademarks"); and

The Secured Obligations of the Debtor shall not include any Excluded Swap Obligation of the Debtor. "Excluded Swap Obligation" as used in this paragraph shall mean with respect to the Debtor, any indebtedness or obligation under any Swap Contract if, and to the extent that, all or a portion of the grant by the Debtor of a Lien to secure, such indebtedness or obligations under any such Swap Contract is or becomes illegal under the Commodity Exchange Act (7 U.S.C. §1 et. seq., as amended from time to time) or any rule, regulation or order of the Commodity Futures Trading Commission (or the application or official interpretation of any thereof) by virtue of such Debtor's failure for any reason to constitute an "eligible contract participant" as defined in the Commodity Exchange Act and the regulations thereunder at the time the grant of such Lien becomes effective with respect to such related Swap Contract and the obligations and indebtedness thereunder. If such obligations and indebtedness arise under a master agreement governing more than one Swap Contract, such exclusion shall apply only to the portion of such obligations and indebtedness that is attributable to Swap Contracts for which such Lien is or becomes illegal.

Notwithstanding the foregoing paragraph, the security interest created by this Agreement shall not extend to, and the term "Collateral" shall not include, any "intent to use" Trademark applications for which a statement of use has not been filed and accepted by the United States Patent and Trademark Office (but only until such statement of use is filed and accepted).

2. Representations, Warranties and Covenants of the Debtor. The Debtor hereby represents and warrants to the Secured Party, and covenants and agrees with the Secured Party, that:

(a) all of the Patents, Patent Licenses, registered Trademarks and Trademark Licenses, are subsisting and have not been adjudged invalid or unenforceable, in whole or in part, and are not at this time the subject of any challenge to their validity or enforceability;

(g) the Debtor has the exclusive, royalty-free right and license to use the Patents and Trademarks and agrees not to assign ownership of, or grant any Liens on (other than Liens in favor of the Secured Party), any of the Patents and/or Trademarks during the term of this Agreement; and

(h) the Debtor has no notice of any suits or actions commenced or threatened with reference to any of the Patents and/or Trademarks, which could reasonably be expected to be adversely determined and if adversely determined would be material to Debtor's business or its use of the relevant Patent(s) and/or Trademarks.

3. Inspection Rights; Product Quality. Subject to Section 5.01(c) of the Loan Agreement, the Debtor will permit the Secured Party (and any Person appointed by the Secured Party to whom the Debtor does not reasonably object) to inspect the Debtor's facilities which manufacture, inspect or store products sold under any of the Patents and/or Trademarks and inspection of the products and records relating thereto by the Secured Party during normal business hours and at other reasonable times. The Debtor will reimburse the Secured Party upon demand for all reasonable out-of-pocket costs and expenses incurred by the Secured Party in connection with any such inspection conducted by the Secured Party while any Default or Event of Default under the Loan Agreement has occurred and is continuing. The Debtor agrees (a) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable practices and (b) to provide the Secured Party, upon the Secured Party's reasonable request from time to time, with a certificate of an officer of the Debtor certifying the Debtor's compliance with the foregoing.

4. Further Assurances. The Debtor hereby agrees that, unless and until (a) all of the Secured Obligations (other than contingent indemnification obligations) shall have been fully, finally and indefeasibly paid in cash, (b) there shall be no remaining commitment or obligation of the Secured Party to advance funds, make loans or extend credit to, and/or issue letters of credit for the account of, the Debtor under the Loan Agreement, any other Loan Document any other agreement, document or instrument or otherwise, (c) no Letters of Credit shall remain outstanding unless they have been collateralized in accordance with the terms of the Loan Agreement, (d) no Swap Contracts between the Debtor and the Secured Party shall remain in effect and (e) the Loan Agreement shall have expired or been terminated in accordance with its terms, it will not, without the prior written consent of the Secured Party, enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with the Debtor's obligations under this Agreement, the Loan Agreement and/or any other Loan Document and the Debtor agrees that it will not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to the Secured Party under this Agreement. The Debtor further agrees that at any time and from time to time, at the expense of the Debtor, the Debtor will promptly execute and deliver to the Secured Party any and all further instruments and documents and take any and all further action that the Secured Party may request in good faith in order to perfect and protect the security interest granted by the Debtor to the Secured Party pursuant to this Agreement with respect to the Patents and Trademarks or to enable the Secured Party to exercise its rights and remedies under this Agreement with respect to the same.

5. Additional Patents and Trademarks. If (a) the Debtor (i) becomes aware of any existing Patents and Trademarks of which the Debtor has not previously informed the Secured Party, (ii) obtains rights to any new Patents, registered Trademarks, or applications to register Trademarks, or (iii) becomes entitled to the benefit of any Patents and/or Trademarks which benefit is not in existence on the date of this Agreement, or (b) a statement of use has been filed and accepted by the United States Patent and Trademark Office with respect to any "intent to use" trademark of the Debtor, the provisions of this Agreement shall automatically apply thereto and the Debtor shall give the Secured Party written notice thereof as required by Section 5.01(a)(iii) of the Loan Agreement.

6. Modification by the Secured Party. The Debtor hereby irrevocably authorizes the Secured Party to modify this Agreement by amending Schedules A, B, C, and/or D to include any future Patents, Patent applications, Patent

Licenses, Trademarks, Trademark applications, Trademark registrations, Trademark Licenses, service marks, service mark applications, service mark registrations, service mark licenses, and trade names covered by Paragraphs 1 and 5 hereof, without the signature of the Debtor if permitted by applicable Law.

7. Use of Patents, Trademarks and Licenses. So long as no Event of Default under the Loan Agreement has occurred and is continuing, the Debtor may use the Patents and Trademarks in any lawful manner not inconsistent with this Agreement on and in connection with products sold by the Debtor, for the Debtor's own benefit and account and for none other.

8. Default. If any Event of Default under the Loan Agreement shall have occurred and be continuing, the Secured Party shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by Law and the rights and remedies of a secured party under the Uniform Commercial Code and/or other applicable law as enacted in any jurisdiction in which any of the Patents and/or Trademarks may be located and, without limiting the generality of the foregoing, the Secured Party may immediately, without demand of performance and without other notice (except as set forth next below) or demand whatsoever to the Debtor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, all or from time to time any of the Patents and/or Trademarks (together with, in the case of Trademarks, the goodwill of the Debtor associated therewith), or any interest which the Debtor may have therein, and after deducting from the proceeds of sale or other disposition of the Patents and/or Trademarks all expenses (including, without limitation, all expenses for brokers' fees and reasonable attorney's fees and expenses), shall apply the residue of such proceeds toward the payment or cash collateralization of the Secured Obligations in the following order: (a) first, to the payment of all out-of-pocket costs, expenses, liabilities and advances made or incurred by the Secured Party in connection with the collection and enforcement of the Secured Obligations and the sale or other realization upon the Collateral; provided, however, that nothing herein is intended to relieve the Debtor of its obligation to pay such costs, expenses, liabilities and advances; (b) second, to the payment of the Secured Obligations in such order and manner as the Secured Party, in its discretion, may elect; and (c) third, to the payment of any surplus remaining after the payment of the amounts mentioned, to the Debtor or to whomsoever may be lawfully entitled thereto. The Debtor shall remain liable to the Secured Party for the payment of any deficiency, with interest. Notice of any sale or other disposition of any of the Patents and/or Trademarks shall be given to the Debtor at least five (5) Business Days before the time of any intended public or private sale or other disposition of such Patents and/or Trademarks is to be made, which the Debtor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, the Secured Party and/or any holder of any of the Secured Obligations may, to the extent permissible under applicable Law, purchase the whole or any part of the Patents and/or Trademarks sold, free from any right of redemption on the part of the Debtor, which right is hereby waived and released. The Debtor agrees that upon the occurrence and continuance of any Event of Default under the Loan Agreement, the use by the Secured Party of the Patents and/or Trademarks shall be worldwide, and without any liability for royalties or other related charges from the Secured Party to the Debtor. If an Event of Default under the Loan Agreement shall occur and be continuing, the Secured Party shall have the right, but shall in no way be obligated, to bring suit in its own name (for the benefit of itself) to enforce any and all of the Patents and/or Trademarks, and, if the Secured Party shall commence any such suit, the Debtor shall, at the request of the Secured Party, do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such enforcement and the Debtor shall promptly, upon demand, reimburse and indemnify the Secured Party for all costs and expenses incurred by the Secured Party in the exercise of its rights and remedies under this Agreement. All of the Secured Party's rights and remedies with respect to the Patents and/or Trademarks, whether established hereby, by the Security Agreement or by any other agreement or by Law shall be cumulative and may be exercised singularly or concurrently.

9. Termination of Agreement. At such time as (a) all of the Secured Obligations (other than contingent indemnification obligations) shall have been fully, finally and indefeasibly paid in cash, (b) there shall be no remaining commitment or obligation of the Secured Party to advance funds, make loans or extend credit to, and/or issue letters of credit for the account of, the Debtor under the Loan Agreement, any other Loan Document, any other agreement, document or instrument or otherwise, (c) no Letters of Credit shall remain outstanding unless they have been collateralized in accordance with the terms of the Loan Agreement, (d) no Swap Contracts between the Debtor and the Secured Party shall remain in effect and (e) the Loan Agreement shall have expired or been terminated in accordance with its terms, this Agreement shall terminate and, upon the Debtor's written request and at the Debtor's expense, the Secured Party shall execute and deliver to the Debtor all instruments as may be necessary or proper to extinguish the Secured Party's security interest in the Collateral, subject to any disposition thereof which may have been made by the Secured Party pursuant to this Agreement. If claim is ever made on the Secured Party for repayment or recovery of any amount or amounts received by the Secured Party in payment or on account of any of the Secured Obligations (including payment under a guaranty or from application of collateral) and the Secured Party repays all or part of said amount by reason of (a) any judgment, decree or order of any court or administrative body having jurisdiction over the Secured Party or any Property of the Secured Party or (b) any settlement or compromise of any such claim effected by the Secured Party with any such

claimant (including, without limitation, the Borrower and/or the Debtor), then and in such event the Debtor agrees that any such judgment, decree, order, settlement or compromise shall be binding on the Debtor, notwithstanding any cancellation of any note or other instrument or agreement evidencing such Secured Obligations or of this Agreement, and this Agreement shall continue to be effective or be reinstated, as the case may be, and shall secure the payment of the amount so repaid or recovered to the same extent as if such amount had never originally been received by the Secured Party. This Agreement shall continue to be effective or be reinstated, as the case may be, if (a) at any time any payment of any of the Secured Obligations is rescinded or must otherwise be returned by the Secured Party upon the insolvency, bankruptcy or reorganization of the Borrower and/or the Debtor or otherwise, all as though such payment had not been made or (b) this Agreement is released in consideration of a payment of money or transfer of property or grant of a security interest by the Debtor or any other Person and such payment, transfer or grant is rescinded or must otherwise be returned by the Secured Party upon the insolvency, bankruptcy or reorganization of such Person or otherwise, all as though such payment, transfer or grant had not been made.

10. Expenses. Any and all fees, out-of-pocket costs and expenses of whatever kind or nature, including, without limitation, the reasonable attorneys' fees and expenses incurred by the Secured Party in connection with the preparation, negotiation, administration and/or enforcement of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or other amounts in connection with protecting, maintaining or preserving the Patents and/or Trademarks, or in defending or prosecuting any actions or proceedings arising out of or related to the Patents and/or Trademarks, shall be borne and paid by the Debtor on demand by the Secured Party and until so paid shall be added to the principal amount of the Secured Obligations and shall bear interest at a rate per annum equal to the lesser of Two Percent (2%) over and above the Floating Rate (which interest rate shall fluctuate as and when the Floating Rate shall change) or the highest rate of interest allowed by law from the date incurred until reimbursed by the Debtor.

11. Preservation of Patents and Trademarks. The Debtor shall have the duty (a) to file and prosecute diligently any Patent, Patent application, Trademark or service mark applications pending as of the date hereof or hereafter and (b) to preserve and maintain all rights in the Patents and Trademarks, in each case as is commercially reasonable. Any expenses incurred in connection with the Debtor's obligations under this Section 11 shall be borne by the Debtor.

12. Secured Party Appointed Attorney-In-Fact. If any Event of Default under the Loan Agreement shall have occurred and be continuing, the Debtor hereby authorizes and empowers the Secured Party to make, constitute and appoint any officer, employee or agent of the Secured Party as the Secured Party may select, in its sole discretion, as the Debtor's true and lawful agent and attorney-in-fact, with the power to endorse the Debtor's name on all applications, documents, papers and instruments necessary for the Secured Party to use the Patents and/or Trademarks, or to grant or issue any exclusive or non-exclusive license under the Patents and/or Trademarks to anyone else, or necessary for the Secured Party to assign, pledge, convey or otherwise transfer title to or dispose of the Patents and/or Trademarks to anyone else. The Debtor hereby ratifies all that such agent or attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

13. No Waiver. No course of dealing between the Debtor and the Secured Party, nor any failure to exercise, nor any delay in exercising, on the part of the Secured Party, any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Amendments. This Agreement is subject to amendment or modification only by a writing signed by Debtor and the Secured Party, except as provided in Paragraph 6 above.

16. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, except that Debtor may not assign, transfer or delegate any of its rights, obligations or duties under this Agreement without the prior written consent of the Secured Party.

17. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the substantive laws of the United States of America and the State of Missouri (without reference to conflict of law principles); it being understood that, to the extent that the

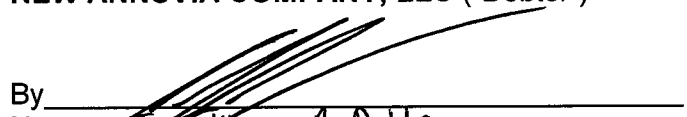

Uniform Commercial Code requires the application of the laws of another jurisdiction with respect to the perfection, the effect of the perfection or non-perfection and/or the priority of the security interests and liens created by this Agreement, the laws of such other jurisdiction shall apply to such matters.

18. Consent to Jurisdiction; Waiver of Jury Trial. THE DEBTOR HEREBY IRREVOCABLY (A) SUBMITS TO THE NON-EXCLUSIVE JURISDICTION OF ANY MISSOURI STATE COURT SITTING IN THE COUNTY OF ST. LOUIS, MISSOURI OR ANY UNITED STATES OF AMERICA COURT SITTING IN THE EASTERN DISTRICT OF MISSOURI, EASTERN DIVISION, AS THE SECURED PARTY MAY ELECT, IN ANY SUIT, ACTION OR PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT, (B) AGREES THAT ALL CLAIMS IN RESPECT TO SUCH SUIT, ACTION OR PROCEEDING MAY BE HELD AND DETERMINED IN ANY OF SUCH COURTS, (C) WAIVES, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY OBJECTION WHICH THE DEBTOR MAY NOW OR HEREAFTER HAVE TO THE LAYING OF VENUE OF ANY SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT, AND (D) WAIVES ANY CLAIM THAT SUCH SUIT, ACTION OR PROCEEDING BROUGHT IN ANY SUCH COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM. **THE DEBTOR (AND BY ITS ACCEPTANCE HEREOF, THE SECURED PARTY) HEREBY IRREVOCABLY WAIVE THE RIGHT TO TRIAL BY JURY WITH RESPECT TO ANY ACTION IN WHICH THE DEBTOR AND THE SECURED PARTY ARE PARTIES RELATING TO OR ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT.**
