(c) Pursue the prompt, diligent processing of each application for registration which is the subject of the security interest created herein and not abandon or delay any such efforts.

(d) Take any and all action which the Credit Parties reasonably deem appropriate under the circumstances to protect the Intellectual Property from infringement,

(d) Each Credit Party owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted, and such Credit Party is the sole and exclusive owner of the entire right, title and interest in, under and to, free and clear of any liens, charges and encumbrances, the Intellectual Property, other than Permitted Liens and Liens in favor of the Agent.

(e) No holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity of, or any Credit Party's rights in, any Intellectual Property in any respect that could reasonably be expected to have a Material Adverse Effect on the business or the property of any Credit Party.

(f) Each Credit Party has the legal right and authority to enter into this Agreement and perform its terms.

(g) The Credit Parties shall give the Agent written notice (with reasonable detail) within ten (10) days following the occurrence of any of the following:

(ii) The Credit Parties' becoming entitled to the benefit of any registered Intellectual Property whether as licensee or licensor.

(iii) The Credit Parties' entering into any new Licenses.

(iv) The Credit Parties' knowing or having reason to know, that any application or registration relating to any material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal) regarding the Credit Parties' ownership of, or the validity of, any material Intellectual Property or the Credit Parties' right to register the same or to own and maintain the same.

(h) No Credit Party shall enter into any new Licenses except as provided for, and pursuant to the terms and provisions of, the Credit Agreement and the Security Agreement.

5. No Violation of Credit Agreement or Security Agreement. None of the representations, warranties or covenants contained herein shall be construed to differ from any representation, warranty or covenant contained in the Credit Agreement or the Security Agreement.

6. Agreement Applies to Future Intellectual Property.

(a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in Sections 4(g)(i), 4(g)(ii) and 4(g)(iii) above, all of which shall be deemed to be and treated as "Intellectual Property" within the meaning of this Agreement.

(b) Upon the reasonable request of the Agent, the Credit Parties shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may request to evidence the Agent's security interest in any Intellectual Property and the goodwill of the Credit Parties relating thereto or represented thereby (including, without limitation, filings with the United States Patent and Trademark Office or any similar office), and the Credit Parties hereby constitute the Agent as their attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; *provided, however*, the Agent's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

7. Credit Parties' Rights To Enforce Intellectual Property. Prior to the Agent's giving of notice to the Credit Parties (i) following the occurrence of an Event of Default or (ii) pursuant to Section 8(a) below, the Credit Parties shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property including the right to seek injunctions and/or money damages, in an effort by the Credit Parties to protect the Intellectual Property against encroachment by third parties, *provided, however*:

(a) The Credit Parties first provide the Agent with written notice of the Credit Parties' intention to so sue for enforcement of any Intellectual Property. If, in the reasonable opinion of the Agent, the Credit Parties have failed to take appropriate action within sixty (60) days after such notice is given to Agent, upon notice to the Credit Parties, the Agent may (but shall not be required to) itself take such action in the name of the Credit Parties.

(b) Any money damages awarded or received by the Credit Parties on account of such suit (or the threat of such suit) shall constitute IP Collateral.

(c) Any damages recovered in any action pursuant to this Section, net of costs and attorneys' fees reasonably incurred, to be applied as provided in the Credit Agreement and the Security Agreement.

(d) Following the occurrence of any Event of Default, the Agent, by notice to the Credit Parties may terminate or limit the Credit Parties' rights under this Section 7.

8. Agent's Actions To Protect Intellectual Property. In the event of:

(a) the Credit Parties' failure to cure any failure by the Credit Parties to observe or perform any of the Credit Parties' covenants, agreements or other obligations hereunder; and/or

(b) the occurrence and continuance of any other Event of Default,

the Agent, acting in its own name or in that of the Credit Parties, may (but shall not be required to) act in the Credit Parties' place and stead and/or in the Agent's own right in connection therewith.

9. Rights Upon Default. Upon the occurrence of any Event of Default, the Agent may exercise all rights and remedies as provided for in the Credit Agreement and the Security Agreement and under applicable law.

10. Agent as Attorney In Fact.

(a) The Credit Parties hereby irrevocably constitute and designate the Agent as and for the Credit Parties' attorney in fact, effective following the occurrence and during the continuance of an Event of Default:

(i) To supplement and amend from time to time Schedule I of this Agreement to include any new or additional Intellectual Property of the Credit Parties.

(ii) To exercise any of the rights and powers referenced herein.

(iii) To execute all such instruments, documents, and papers as the Agent determines to be appropriate in connection with the exercise of such rights and remedies and to cause the sale, license, assignment, transfer, or other disposition of the Intellectual Property.

(b) The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until this Agreement is terminated by a duly authorized officer of the Agent.

(c) The Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 10, but if the Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Credit Party for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial proceeding (in which proceeding the Agent has had an opportunity to be heard) which

determination includes a specific finding that the subject act or omission to act had been grossly negligent or in actual bad faith.

11. Agent's Rights. Any use by the Agent of the Intellectual Property, as authorized hereunder in connection with the exercise of the Agent's rights and remedies under this Agreement and under the Credit Agreement and the Security Agreement shall be coextensive with the Credit Parties' rights thereunder and with respect thereto and without any liability for royalties or other related charges.

In the event of a conflict between this Agreement and the Security Agreement, the terms of this Agreement shall control with respect to the IP Collateral and the Security Agreement with respect to all other Collateral.
