ASSIGNMENT OF TRADEMARK ASSETS

THIS ASSIGNMENT OF TRADEMARK ASSETS (the "Assignment") is made and entered into as of the 16th day of May, 2013 (the "Effective Date"), by and between Ney Inc., an Illinois corporation ("Assignor"), and Deringer-Ney Inc., an Illinois corporation, with a place of business at 616 Atrium Dr., Suite 100, Vernon Hills, IL 60061 ("Assignee").

WHEREAS, Assignor is a wholly-owned subsidiary of Assignee;

WHEREAS, Assignor is the owner of the PALINEY trademark, including U.S. trademark registration No. 0749671 for the PALINEY trademark (the "Trademark"); and

WHEREAS, Assignor is desirous of assigning all of Assignor's right, title and interest in and to the Trademark to Assignee in connection with consolidating the portfolio of intellectual property assets used by Assignee and its subsidiaries.

NOW, THEREFORE, in consideration of the mutual promises set forth in this Agreement, and other valuable and legally sufficient consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Assignor does hereby sell, convey, assign and transfer to the Assignee its entire right, title and interest in, to and under the Trademark, together with the goodwill of its business associated with such Trademark, together with all rights and privileges granted and secured thereby, including the full right to sue for past, present or future infringement of such Trademark, these rights to be held and enjoyed by the Assignee as fully and entirely as the same would have been held and enjoyed by said Assignor if this Assignment and sale had not been made.
2. Assignor hereby covenants that it has full right to convey the entire interest herein assigned and agrees to execute any and all documents reasonably required to effect this Assignment.
3. Assignor shall execute and deliver any such further conveyance instruments and take such further actions, in each instance at Assignee's expense, as may be necessary or desirable to evidence more fully the transfer of the Trademark or to obtain, maintain, issue or enforce the Trademark.
4. The terms and covenants of this Assignment shall inure to the benefit of the Assignee, its successors and assigns and other legal representatives, and shall be binding upon the Assignor, its respective heirs, legal representatives and assigns.
