Use and Disposition of Collateral.** Except with respect to Permitted Liens, the Company shall not make or permit to be made an assignment, pledge or hypothecation of the Collateral or shall grant any other Lien in respect of the Collateral. Except with respect to Permitted Liens, the Company shall not make or permit to be made any transfer of the Collateral other than in the ordinary course of business and the Company shall remain at all times in possession of the Collateral owned by it other than (i) in the ordinary course of business, and (ii) as permitted in Section 4.01(a) above. Without limiting the generality of the foregoing, the Company agrees that except as provided above it shall not permit any Inventory to be in the possession or control of any warehouseman, bailee, agent or processor at any time unless such warehouseman, bailee, agent or processor shall have been notified of the Security Interest and shall have agreed in writing to hold the Inventory subject to the Security Interest and the instructions of the Secured Party and to waive and release any Lien held by it with respect to such Inventory, whether arising by operation of law or otherwise.

**SECTION 4.10. Limitation on Modification of Accounts.** The Company shall not, without the Secured Party's prior written consent, grant any extension of the time of payment of any of the Accounts included in the Collateral, compromise, compound or settle the same for less than the full amount thereof, release, wholly or partly, any Person liable for the payment thereof or allow any credit or discount whatsoever thereon, other than extensions, credits, discounts, compromises or settlements granted or made in the ordinary course of business and consistent with its current practices and in accordance with such prudent and standard practices used in industries that are the same as or similar to those in which the Company is engaged.

SECTION 4.11. Insurance. The Company, at its own expense, shall maintain or cause to be maintained insurance covering physical loss or damage to the Collateral. The Company irrevocably makes, constitutes and appoints the Secured Party (and all officers, employees or agents designated by the Secured Party) as the Company's true and lawful agent (and attorney-in-fact) for the purpose, during the continuance of an Event of Default, of making, settling and adjusting claims in respect of Collateral under policies of insurance, endorsing the name of the Company on any check, draft, instrument or other item of payment for the proceeds of such policies of insurance and for making all determinations and decisions with respect thereto. In the event that the Company at any time or times shall fail to obtain or maintain any of the policies of insurance required hereby or to pay any premium in whole or part relating thereto, the Secured Party may, without waiving or releasing any obligation or liability of the Company hereunder or any Event of Default, in its sole discretion, obtain and maintain such policies of insurance and pay such premium and take any other actions with respect thereto as the Secured Party deems advisable. All sums disbursed by the Secured Party in connection with this Section 4.11, including reasonable attorneys' fees, court costs, expenses and other charges relating thereto, shall be payable, upon demand, by the Company to the Secured Party and shall be additional Obligations secured hereby.

SECTION 4.12. Legend. The Company shall legend, in form and manner satisfactory to the Secured Party, its Chattel Paper and its books, records and documents evidencing or pertaining thereto with an appropriate reference to the fact that such Chattel Paper have been assigned to the Secured Party and that the Secured Party has a security interest therein.

SECTION 4.13. Covenants Regarding Patent, Trademark and Copyright Collateral. (a) The Company agrees that it will not, nor will it permit any of its licensees to, do any act, or omit to do any act, whereby any Patent may become invalidated or dedicated to the public, and agrees that it shall continue to mark any products covered by a Patent with the relevant patent number as necessary and sufficient to establish and preserve its maximum rights under applicable laws.

(b) The Company (either itself or through its licensees or its sublicensees) will, for each Trademark, (i) maintain such Trademark in full force free from any claim of abandonment or invalidity for non-use, (ii) maintain the quality of products and services offered under such Trademark, (iii) display such Trademark with notice of Federal or foreign registration to the extent necessary and sufficient to establish and preserve its maximum rights under applicable law and (iv) not knowingly use, or knowingly permit the use of, such Trademark in violation of any third party rights.

(c) The Company (either itself or through licensees) will, for each work covered by a Copyright, continue to publish, reproduce, display, adopt and distribute the work with appropriate copyright notice as necessary and sufficient to establish and preserve its maximum rights under applicable laws.

(d) The Company shall notify the Secured Party immediately if it knows, or has reason to know, that any Patent, Trademark or Copyright may become abandoned, lost or dedicated to the public, or of any adverse determination or development (including the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office, United States Copyright Office or any court or similar office of any country) regarding the Company's ownership of any Patent, Trademark or Copyright, its right to register the same, or to keep and maintain the same.

(e) In no event shall the Company, either itself or through any agent, employee, licensee or designee, file an application for any Patent, Trademark or Copyright (or for the registration of any Trademark or Copyright) with the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States or in any other country or any political subdivision thereof, unless it promptly informs the Secured Party, and, upon request of the Secured Party, executes and delivers any and all agreements, instruments, documents and papers as the Secured Party may request to evidence the Secured Party's security interest in such

Patent, Trademark or Copyright, and the Company hereby appoints the Secured Party as its attorney-in-fact to execute and file such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; such power, being coupled with an interest, is irrevocable.

(f) The Company will take all necessary steps that are consistent with the practice in any proceeding before the United States Patent and Trademark Office, United States Copyright Office or any office or agency in any political subdivision of the United States or in any other country or any political subdivision thereof, to maintain and pursue each application relating to the Patents, Trademarks and/or Copyrights (and to obtain the relevant grant or registration) and to maintain each issued Patent and each registration of the Trademarks and Copyrights, including timely filings of applications for renewal, affidavits of use, affidavits of incontestability and payment of maintenance fees, and, if consistent with good business judgment, to initiate opposition, interference and cancellation proceedings against third parties.

(g) In the event that the Company has reason to believe that any Collateral consisting of a Patent, Trademark or Copyright has been or is about to be infringed, misappropriated or diluted by a third party, the Company promptly shall notify the Secured Party and shall, if consistent with good business judgment, promptly sue for infringement, misappropriation or dilution and to recover any and all damages for such infringement, misappropriation or dilution, and take such other actions as are appropriate under the circumstances to protect such Collateral.

(h) Upon and during the continuance of an Event of Default, the Company shall use its best efforts to obtain all requisite consents or approvals by the licensor of each Copyright License, Patent License or Trademark License to effect the assignment of all of the Company's right, title and interest thereunder to the Secured Party or its designee.

(i) The Company shall ensure that fully executed security agreements in the form hereof] and containing a description of all Collateral consisting of Intellectual Property shall have been received and recorded within three months after the execution of this Agreement with respect to United States Patents, United States registered Trademarks (and Trademarks for which United States registration applications are pending) and United States registered Copyrights have been delivered to the Secured Party for recording by the United States Patent and Trademark Office and the United States Copyright Office pursuant to 35 U.S.C. Section 261, 15 U.S.C. Section 1060 or 17 U.S.C. Section 205 and the regulations thereunder, as applicable, and otherwise as may be required pursuant to the laws of any other necessary jurisdiction, to protect the validity of and to establish a legal, valid and perfected security interest in favor of the Secured Party in respect of all Collateral consisting of Patents, Trademarks and registered Copyrights in which a security interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, or in any other necessary jurisdiction, and no further or subsequent filing, refile, recording, rerecording, registration or reregistration is necessary (other than such actions as are necessary to perfect the Security Interest with respect to any Collateral consisting of Patents, Trademarks and Copyrights (or registration or application for registration thereof) acquired or developed after the date of this amendment and restatement).

**SECTION 4.14. Other Actions.** In order to further insure the attachment, perfection and priority of, and the ability of the Secured Party to enforce, the Secured Party's security interest in the Collateral, the Company agrees, in each case at the Company's own expense, to take the following actions with respect to the following Collateral:

(a) **Instruments and Tangible Chattel Paper.** If the Company shall at any time hold or acquire any Instruments or Tangible Chattel Paper, the Company shall forthwith endorse, assign and deliver the same to the Secured Party, accompanied by such instruments of transfer or assignment duly executed in blank as the Secured Party may from time to time specify.

(b) Investment Property. If the Company shall at any time hold or acquire any certificated securities, the Company shall forthwith endorse, assign and deliver the same to the Secured Party, accompanied by such instruments of transfer or assignment duly executed in blank as the Secured Party may from time to time specify. If any securities now or hereafter acquired by the Company are uncertificated and are issued to the Company or its nominee directly by the issuer thereof, the Company shall promptly notify the Secured Party thereof and, at the Secured Party's request and option, pursuant to an agreement in form and substance satisfactory to the Secured Party, either (i) cause the issuer to agree to comply with instructions from the Secured Party as to such securities, without further consent of the Company or such nominee or (ii) arrange for the Secured Party to become the registered owner of the securities. If any securities, whether certificated or uncertificated, or other investment property now or hereafter acquired by the Company are held by the Company or its nominee through a securities intermediary or commodity intermediary, the Company shall promptly notify the Secured Party thereof and, at the Secured Party's request and option, pursuant to an agreement in form and substance reasonably satisfactory to the Secured Party, either (A) cause such securities intermediary or commodity intermediary (as the case may be) to agree to comply with entitlement orders or other instructions from the Secured Party to such securities intermediary as to such securities or other investment property or to apply any value distributed on account of any commodity contract as directed by the Secured Party to such commodity intermediary, in each case without further consent of the Company or such nominee or (B) in the case of Financial Assets or other Investment Property held through a securities intermediary, arrange for the Secured Party to become the entitlement holder with respect to such Investment Property, with the Company being permitted, only with the consent of the Secured Party, to exercise rights to withdraw or otherwise deal with such Investment Property. The Secured Party agrees with the Company that the Secured Party shall not give any such entitlement orders or instructions or directions to any such issuer, securities intermediary or commodity intermediary, and shall not withhold its consent to the exercise of any withdrawal or dealing rights by the Company, unless an Event of Default has occurred and is continuing, or, after giving effect to any such investment and withdrawal rights would occur.

(c) Electronic Chattel Paper and Transferable Records. If the Company at any time holds or acquires an interest in any Electronic Chattel Paper or any "transferable record," as that term is defined in Section 201 of the Federal Electronic Signatures in Global and National Commerce Act, or in Section 16 of the Uniform Electronic Transactions Act as in effect in any relevant jurisdiction, the Company shall promptly notify the Secured Party thereof and, at the request of the Secured Party, shall take such action as the Secured Party may reasonably request to vest in the Secured Party control under the Delaware UCC of such Electronic Chattel Paper or control under Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or, as the case may be, Section 16 of the Uniform Electronic Transactions Act, as so in effect in such jurisdiction, of such transferable record. The Secured Party agrees with the Company that the Secured Party will arrange, pursuant to procedures satisfactory to the Secured Party and so long as such procedures will not result in the Secured Party's loss of control, for the Company to make alterations to the electronic chattel paper or transferable record permitted under the Delaware UCC or, as the case may be, Section 201 of the Federal Electronic Signatures in Global and National Commerce Act or Section 16 of the Uniform Electronic Transactions Act for a party in control to allow without loss of control, unless an Event of Default has occurred and is continuing or would occur after taking into account any action by the Company with respect to such Electronic Chattel Paper or transferable record.

(d) Letter-of-Credit Rights. If the Company is at any time a beneficiary under a letter of credit now or hereafter issued in favor of the Company, the Company shall promptly notify the Secured Party thereof and, at the request and option of the Secured Party, the Company shall, pursuant to an agreement in form and substance reasonably satisfactory to the Secured Party, either (i) arrange for the issuer and any confirmed of such letter of credit to consent to an assignment to the Secured Party of the proceeds of any drawing under the letter of credit or (ii) arrange for the Secured Party to become the transferee beneficiary of the letter of credit.

(e) Commercial Tort Claims. If the Company shall at any time hold or acquire a Commercial Tort Claim, the Company shall promptly notify the Secured Party in a writing signed by the

Company of the brief details thereof and grant to the Secured Party in such writing a security interest therein and in the proceeds thereof, all upon the terms of this Agreement, with such writing to be in form and substance satisfactory to the Secured Party.

## ARTICLE V

### Collections

SECTION 5.01. Collections. Upon the occurrence of and during the continuance of an Event of Default, the Secured Party shall have the right, at any time and from time to time, (a) to notify the Account Debtors and other third parties holding or otherwise concerned with the Collateral that the Accounts have been assigned to the Secured Party and that the Secured Party has a security interest therein; (b) to direct all such Persons to make payments to the Secured Party of all or any part of the sums owing to the Company by such Persons; (c) to enforce collection of any of the Accounts by suit or otherwise; (d) to surrender, release or exchange all or any part of such Accounts; or (e) to compromise, settle, extend or renew for any period (whether or not longer than the original period) any indebtedness thereunder or evidenced thereby.

SECTION 5.02. Power of Attorney. The Company irrevocably makes, constitutes and appoints the Secured Party (and all officers, employees or agents designated by the Secured Party) as the Company's true and lawful agent and attorney-in-fact, and in such capacity the Secured Party shall have the right, with full power of substitution for the Company and in the Company's name or otherwise, for the use and benefit of the Secured Party, upon the occurrence and during the continuance of an Event of Default (a) to receive, endorse, assign and/or deliver any and all notes, acceptances, checks, drafts, money orders or other evidences of payment relating to the Collateral or any part thereof; (b) to demand, collect, receive payment of, give receipt for and give discharges and releases of all or any of the Collateral; (c) to sign the name of the Company on any invoice or bill of lading relating to any of the Collateral; (d) to send verifications of Accounts included in the Collateral to any Account Debtor; (e) to commence and prosecute any and all suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect or otherwise realize on all or any of the Collateral or to enforce any rights in respect of any Collateral; (f) to settle, compromise, compound, adjust or defend any actions, suits or proceedings relating to all or any of the Collateral; (g) to notify, or to require the Company to notify, Account Debtors to make payment directly to the Secured Party; and (h) to use, sell, assign, transfer, pledge, make any agreement with respect to or otherwise deal with all or any of the Collateral, and to do all other acts and things necessary to carry out the purposes of this Agreement, as fully and completely as though the Secured Party were the absolute owner of the Collateral for all purposes; provided, however, that nothing herein contained shall be construed as requiring or obligating the Secured Party to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Secured Party, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby, and no action taken or omitted to be taken by the Secured Party with respect to the Collateral or any part thereof shall give rise to any defense, counterclaim or offset in favor of the Company or to any claim or action against the Secured Party. It is understood and agreed that the appointment of the Secured Party as the agent and attorney-in-fact of the Company for the purposes set forth above is coupled with an interest and is irrevocable. The provisions of this Section shall in no event relieve the Company of any of its obligations hereunder or under any other Transaction Document with respect to the Collateral or any part thereof or impose any obligation on the Secured Party to proceed in any particular manner with respect to the Collateral or any part thereof, or in any way limit the exercise by the Secured Party of any other or further right which it may have on the date of this Agreement or hereafter, whether hereunder, under any other Transaction Document, by law or otherwise.

## ARTICLE VI

### Remedies

SECTION 6.01. Remedies upon Default. Upon the occurrence and during the continuance of an Event of Default, the Company agrees to deliver each item of Collateral to the Secured Party on demand, and it is agreed that the Secured Party shall have the right to take any of, or all, the following actions at the same or different times: (a) with respect to any Collateral consisting of Intellectual Property, on demand, to cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Collateral by the Company to the Secured Party, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Secured Party shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained) and (b) with or without legal process and with or without prior notice or demand for performance, to take possession of the Collateral and without liability for trespass to enter any premises where the Collateral may be located for the purpose of taking possession of or removing the Collateral and, generally, to exercise any and all rights afforded to a secured party under the Delaware UCC or other applicable law. Without limiting the generality of the foregoing, the Company agrees that the Secured Party may sell or otherwise dispose of all or any part of the Collateral, at public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as the Secured Party shall deem appropriate. The Secured Party shall be authorized at any such sale (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Secured Party shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any such sale shall hold the property sold absolutely free from any claim or right on the part of the Company, and the Company hereby waives all rights of redemption, stay, valuation and appraisal which the Company now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted.

The Secured Party shall give the Company 10 days' written notice (which the Company agrees is reasonable notice within the meaning of the Delaware UCC or its equivalent in other jurisdictions) of the Secured Party's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Secured Party may fix and state in the notice of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Secured Party may (in its sole and absolute discretion) determine. The Secured Party shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Secured Party may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Secured Party until the sale price is paid by the purchaser or purchasers thereof, but the Secured Party shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Section, the Secured Party may bid for or purchase, free from any right of redemption, stay, valuation or appraisal on the part of the Company (all said rights being also hereby waived and released), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from the Company as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to the Company therefor. For

purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Secured Party shall be free to carry out such sale pursuant to such agreement; and the Company shall not be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Secured Party shall have entered into such an agreement all Events of Default shall have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Secured Party may proceed by a suit or suits at law or in equity to foreclose upon the Collateral and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court-appointed receiver. Any sale pursuant to the provisions of this Section 6.01 shall be deemed to conform to the commercially reasonable standards as provided in the Delaware UCC or its equivalent in other jurisdictions.

**SECTION 6.02. Application of Proceeds.** The Secured Party shall apply the proceeds of any collection or sale of Collateral, as well as any Collateral consisting of cash, as follows:

FIRST, to the payment of all costs and expenses incurred by the Secured Party (in its capacity as such hereunder or under any other Transaction Document) in connection with such collection or sale or otherwise in connection with this Agreement, any other Transaction Document or any of the Obligations, including all court costs and the fees and expenses of its agents and legal counsel, the repayment of all advances made by the Secured Party hereunder or under any other Transaction Document on behalf of the Company and any other costs or expenses incurred by the Secured Party in connection with the exercise of any right or remedy hereunder or under any other Transaction Document;

SECOND, to the payment in full of the Obligations; and

THIRD, to the Company, its successors or assigns, or as a court of competent jurisdiction may otherwise direct.

The Secured Party shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of the Collateral by the Secured Party (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money by the Secured Party or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Secured Party or such officer or be answerable in any way for the misapplication thereof.

**SECTION 6.03. Grant of License to Use Intellectual Property.** For the purpose of enabling the Secured Party to exercise rights and remedies under this Article at such time as the Secured Party shall be lawfully entitled to exercise such rights and remedies, the Company hereby grants to the Secured Party an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to the Company) to use, license or sub-license any of the Collateral consisting of Intellectual Property now owned or hereafter acquired by the Company, and wherever the same may be located, and including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer software and programs used for the compilation or printout thereof. The use of such license by the Secured Party shall be exercised, at the option of the Secured Party, upon the occurrence and during the continuation of an Event of Default; provided that any license, sub-license or other transaction entered into by the Secured Party in accordance herewith shall be binding upon the Company notwithstanding any subsequent cure of an Event of Default.

SECTION 7.04. Survival of Agreement. All covenants, agreements, representations and warranties made by the Company herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Transaction Document shall be considered to have been relied upon by the Secured Party and shall survive the Closing, regardless of any investigation made by the Secured Party or on their behalf.

(b) Without limitation of its indemnification obligations under the other Transaction Documents, the Company agrees to indemnify the Secured Party, and hold the Secured Party harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, other charges and disbursements, incurred by or asserted against the Secured Party arising out of, in any way connected with, or as a result of, the execution, delivery or performance of this Agreement or any other Transaction Document or any agreement or instrument contemplated hereby or thereby, the performance by the parties hereto of their respective obligations thereunder or the consummation of the transactions contemplated hereby and thereby and the other transactions contemplated thereby or any claim, litigation, investigation or proceeding relating to any of the foregoing or to the Collateral, whether or not the Secured Party is a party thereto.

(c) Any amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Transaction Documents. The provisions of this Section 7.06 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Transaction Document, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Transaction Document, or any investigation made by or on behalf of the Secured Party. SECTION 7.08. Waivers; Amendment. (a) No failure or delay of the Secured Party in exercising any power or right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Secured Party hereunder and under the other Transaction Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provisions of this Agreement or any other Transaction Document or consent to any departure by the Company therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given.
