TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement, dated as of May 22, 2013, is made by SUFFOLK CONSTRUCTION COMPANY, INC., a Massachusetts corporation (“Grantor”), in favor of RBS CITIZENS, NATIONAL ASSOCIATION, as Agent for the Secured Parties (as defined in the Collateral Agreement referenced below).

W I T N E S S E T H:

WHEREAS, pursuant to that certain Credit Agreement of even date herewith by and among Grantor and the affiliates of Grantor party thereto, as Borrowers, Agent and the Lenders party thereto (as amended, restated, supplemented or otherwise modified from time to time, the “Credit Agreement”), certain of the Secured Parties have severally agreed to extend credit to the Borrowers under the Credit Agreement;

WHEREAS, such Secured Parties are willing to extend credit under the Credit Agreement, but only upon the condition, among others, that the Borrowers shall have executed and delivered to Agent, for the ratable benefit of the Secured Parties, that certain Collateral Agreement of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the “Collateral Agreement”); and

WHEREAS, pursuant to the Collateral Agreement, Grantor is required to execute and deliver to Agent, for the ratable benefit of the Secured Parties, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Collateral Agreement or, if not otherwise defined in the Collateral Agreement, the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Agent, for the ratable benefit of the Secured Parties, a continuing first priority security interest in all of Grantor’s right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the “Trademark Collateral”):

- (a) all of its Trademarks, including those referred to on Schedule 1 hereto;
- (b) all renewals relating to the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each such Trademark; and
- (d) all Proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (i) infringement or dilution of any such Trademark or (ii) injury to the goodwill associated with any such Trademark; provided, that no security interest shall be granted in any United States “intent to use” trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such “intent to use” trademark applications under applicable federal law; provided further, that “Trademark Collateral” shall include any Proceeds of any such “intent to use” trademark applications.

3. COLLATERAL AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the ratable benefit of the Secured Parties, pursuant to the Collateral Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Collateral Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. AMENDMENTS IN WRITING. None of the terms or provisions of this Trademark Security Agreement may be waived, amended, supplemented or otherwise modified except by an instrument in writing signed by the Agent and Grantor.

5. GOVERNING LAW. This Trademark Security Agreement and the rights and obligations of the parties hereto shall be governed by the internal laws of the Commonwealth of Massachusetts applicable to contracts made and to be performed entirely within such state, without regard to conflict of laws principles.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts and each such counterpart shall be deemed to be an original, but all such counterparts shall together constitute but one and the same Trademark Security Agreement. Receipt by telecopy or other electronic transmission (including "PDF") of any executed signature page to this Trademark Security Agreement shall constitute effective delivery of such signature page.

[signature pages follow]

The undersigned has caused this Trademark Security Agreement to be duly executed and delivered as of the date first above written.
