ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Agreement") is entered into this 12th day of April, 2013, by and between IPEG, Inc., a corporation legally organized under the laws of Delaware, having an address of 200 West Kensing Drive, Cranberry Township, Pennsylvania 16066 ("Assignor") and delivered to, and in favor of, Rapid Granulator, Inc., a corporation legally organized under the laws of Delaware, having an address of 200 West Kensing Drive, Cranberry Township, Pennsylvania 16066 ("Assignee").

WHEREAS, Assignor is the owner of the registered trademarks listed on Schedule A, attached hereto and incorporated herein, which have been registered in the United States Patent and Trademark Office (the "Marks"); and

WHEREAS, Assignor desires to assign, and Assignee desires to acquire, all right, title and interest in and to the Marks.

NOW, THEREFORE, the Assignor, intending to be legally bound hereby, and for good and valuable consideration including the sum of One Dollar (\$1.00), the receipt and sufficiency of which are hereby acknowledged, agrees as follows:

1. Assignment. (a) Assignor does hereby sell, transfer, convey, set over, assign and deliver to Assignee all worldwide rights, title and interest in and to the Marks, whether statutory or common law, including, without limitation, all registrations for the Marks together with the goodwill of the business symbolized by the Marks, effective as of the date hereof. Assignor does hereby further assign to Assignee any and all causes of action, claims, demands, or other rights occasioned from or because of any and all past, present and/or future infringements of said Marks, together with the right to sue and recover therefore, including the right to bring suit in its own name and collect the same for its own use and benefit, and for the use and benefit of its successors, assigns and other legal representatives.

(b) Assignor promptly shall deliver to Assignee all documentation pertaining to the Marks, including copies of all correspondence to or from examining authorities regarding the Marks and all correspondence with any attorney involved in the preparation and/or prosecution of the Marks.

(c) Upon execution of this Assignment, Assignor shall retain no right or license under the Marks.

2. Documentation and Cooperation. Assignor hereby covenants that, upon the request of Assignee (or its assigns), Assignor will promptly provide Assignee (or its assigns) with all pertinent facts and documents relating to the Marks and to any applications and registrations therefor, and legal equivalents in the United States and foreign countries as may be known and accessible to Assignor. Assignor will testify as to the same in any action or litigation related thereto and will promptly execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue, enforce and/or perfect such rights, title, and interest in Assignee, its successors and assigns for the Marks and to any applications and registrations therefor and/or said equivalents thereof in any foreign country which may be necessary or desirable to carry out the purposes hereof. Any and all reasonable expenses incurred by Assignor in connection with its obligations under this paragraph shall be paid by the Assignee (or its assigns) provided, however, that Assignor has obtained the prior written consent of Assignee (or its successors or assigns) to incur the expense for which Assignor seeks payment.
