GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (“Agreement”), dated as of May 30, 2013 and effective upon the consummation of the BP Acquisition (which will be effective on June 1, 2013 at 12:01 a.m. Carson, California time), is made by Tesoro Refining & Marketing Company LLC, a Delaware limited liability company, located at 19100 Ridgewood Parkway, San Antonio, TX 78259 (the “Grantor”), in favor of JPMorgan Chase Bank, National Association, as collateral agent (the “Agent”) on behalf of the Secured Parties (as defined in the Credit Agreement) pursuant to a Term Loan Credit Agreement dated January 28, 2013 (as amended, restated, supplemented or modified from time to time, the “Credit Agreement”) among the Grantor, the subsidiaries of the Grantor party thereto, JPMorgan Chase Bank, National Association, as administrative agent and collateral agent, and the lending institutions from time to time party thereto (collectively, the “Lenders”).

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have extended credit to the Grantor upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Grantor and certain subsidiaries of the Grantor have executed and delivered a Security Agreement, dated as of January 28, 2013, in favor of the Agent (as amended, restated, supplemented or otherwise modified from time to time, the “Security Agreement”);

WHEREAS, pursuant to the Security Agreement, the Grantor pledged and granted to the Agent for the benefit of the Secured Parties a continuing security interest in certain of its Trademarks; and

WHEREAS, the Grantor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Agent to enter into the Credit Agreement and the Lenders to extend credit to the Grantor, the Grantor agrees, for the benefit of the Secured Parties, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.

SECTION 2. Grant of Security Interest. The Grantor hereby pledges, assigns, and grants a security interest in all of the Grantor’s right, title and interest in, to and under those Trademarks listed on Schedule A hereto (collectively, the “Collateral”), to the Agent for the benefit of the Secured Parties to secure payment, performance and observance of the Secured Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Grantor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the

Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Grantor does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers on this 30th day of May, 2013.
