TRADEMARK AND INTELLECTUAL PROPERTY ASSIGNMENT

This Assignment is effective as of the 4th day of June, 2013, by and between Jim F. Webb, a US citizen, d/b/a JW Powerline (the "Assignor") and Jim F. Webb, Inc., d/b/a JW Powerline or JW Powerline Construction, a Texas corporation, having an address at 2205 Garden City Highway, Midland, Texas 79701 (the "Assignee").

WITNESSETH:

WHEREAS, the Assignor is the owner of any and all rights associated with the mark JW POWERLINE (and Design), US trademark registration number 4,208,767 ("Mark"), including, without limitation, any and all common law rights derived through Assignor's use of the Mark, rights associated with any state or federal applications to register the Mark, and any copyrights, trade dress rights, and other intellectual property rights acquired by Assignor through Assignor's use of the Mark.

WHEREAS, the Assignee is desirous to acquire all right, title and interest, and any and all good will associated therewith, in the Mark.

NOW, THEREFORE, in consideration of monies and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor hereby sells, assigns, and transfers unto the Assignee, its successors, assigns, and legal representatives, the full and exclusive worldwide right, title, and interest in and to any and all rights associated with the Mark, including, without limitation:

the common law trademark rights associated with the Mark, any and all state trademark applications associated with the Mark, any and all United States trademark applications associated with the Mark, and any foreign trademark rights associated with the Mark, including the goodwill embodied with the Mark, any and all stylized and typed versions of the Mark, the right to obtain further trademark registrations related thereto, and the right to sue for infringements and past infringements thereof;

any and all copyrights associated with the advertising used in connection with the Mark, including but not limited to the right to obtain subsequent registrations of copyright therein with the United States Copyright Office, rights in all variations or any other derivative or similar artwork, and all rights corresponding thereto throughout the world, including the right to sue for infringement of these copyrights, including any and all past infringements and damages resulting therefrom;

any and all trade dress rights associated with the packaging and advertising of products used in connection with the Mark and all rights corresponding thereto throughout the world, including the right to sue for infringement of these trade dress rights, and including any and all past infringements and damages resulting therefrom; and,

any and all domain names owned or controlled by the Assignor that include the Mark or similar formatives thereof; and

the Assignor hereby requests the Commissioner of Trademarks of the United States and any Official of any country or countries foreign to the United States whose duty it is to receive or register trademarks or applications therefore to record the Assignee as the owner of the Mark and to issue all registrations for the Mark, to be in the name of the Assignee, as the Assignee of the Mark, for the sole use of the Assignee, its successors, legal representatives, and assigns, in accordance with the terms of this Assignment.
