TRADEMARK ASSIGNMENT

THIS AGREEMENT ("Assignment") is made and entered into as of April 12, 2013 by and between Continental Commercial Products LLC, a Delaware limited liability company ("Assignor"), and ACS Industries Inc., a Rhode Island Corporation ("Assignee").

WHEREAS, Assignor owns U.S. Trademark Reg. No. 4,136,733 for CYCLONE for *floor maintenance pads for use with machines for stripping, scrubbing, buffing and polishing floors*, granted May 1, 2012, and U.S. Trademark App. Ser. No. 85/704,523 for CYCLONE D for *floor maintenance pads for use with machines for stripping, scrubbing, buffing and polishing floors*, filed August 15, 2012 (collectively, Reg. No. 4,136,733, App. Ser. No. 85/704,523, and the marks shown therein, shall be referred to as the "Trademark"); and

WHEREAS, Assignee desires to acquire all of Assignor's right, title and interest in and to the Trademarks.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are acknowledged, the parties hereby agree as set forth below.

1. Assignee shall pay Assignor US\$2,500.00.

2. Subject to Assignee's payment as set forth in Section 1, and conditioned thereon, Assignor hereby sells, assigns, transfers and conveys to Assignee its entire right, title, interest in and to the Trademarks, together with the goodwill of the business connected with and symbolized by the Trademarks, the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made.

3. Assignor authorizes the Commissioner of Trademarks of the United States to record the transfer of the registrations and/or applications for registration for the Trademarks to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's ownership of the Trademarks, as Assignee's expense.

4. This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile transmission, which transmission shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment as of the date first above written.
