3. A gives B the undertaking that the license will continue to exist in the event of the transfer of the trademark by A to a third party.

Article 3

B shall not place its goods for sale on the market without the Littelfuse trademark without A's prior written consent.

Article 4

A undertakes to join B in any legal or other action, if so requested, against any third party or parties who violate the right to use the Littelfuse name and trademark under the license granted to B in order to obtain compensation from these third parties for any damage that B suffers from the unlawful use of the trademark by these third parties, and to obtain a legal injunction prohibiting the infringement.
