## ASSIGNMENT OF TRADEMARK SECURITY AGREEMENT

This Assignment of Trademark Security Agreement is made this 5 day of June, 2013, by WELLS FARGO BANK, NATIONAL ASSOCIATION (the "Assignor") in favor of Bijoux Nouveau, Inc. (the "Assignee").

WHEREAS, the Assignor is party to that certain Trademark Security Agreement, dated as of February 24, 2012, and filed with the United States Patent and Trademark Office on March 6, 2012, at reel 4731, frame 0800, and on February 15, 2013, at reel 4963, frame 0895 (the "Trademark Security Agreement"), pursuant to which BT Funding Corp. (the "Company") granted to the Assignor a security interest in the trademarks of the Company described in the Trademark Security Agreement and identified in **Exhibit A** attached hereto; and

WHEREAS, Assignor and Assignee are parties to that certain Assignment Agreement, dated on or about the date hereof, by and among Assignor, Assignee, the Company and certain other parties in interest (the "Assignment Agreement"), pursuant to which the Assignor has assigned and transferred to Assignee all of Assignor's right, title and interest in, to and under the existing loan documents between Assignor and the Company and Assignee accepted and assumed all of Assignor's right, title and interest in, to and under the existing loan documents between Assignor and the Company.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, this will confirm that Assignor has sold, assigned and transferred to Assignee, its successors or assigns, without representation or warranty by or recourse to Assignor except as expressly set forth in the Assignment Agreement, all right, title and interest of Assignor in and to the Trademark Security Agreement.

[REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the Assignor has caused this Assignment of Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the day and year first written above.

## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made as of February 24, 2012, between BT Funding Corp., a Delaware corporation ("Grantor"), and WELLS FARGO BANK, NATIONAL ASSOCIATION (together with its successors and assigns "Wells Fargo").

### WITNESSETH:

WHEREAS, pursuant to that certain Credit and Security Agreement dated as of even date herewith (as amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"; capitalized terms used herein without definition shall have the meanings ascribed thereto in the Credit Agreement) between Grantor and Wells Fargo, Wells Fargo is willing to make certain financial accommodations available to Grantor from time to time pursuant to the terms and conditions thereof; and

WHEREAS, in order to induce Wells Fargo to enter into the Credit Agreement and the other Loan Documents and to induce Wells Fargo to make Advances to Grantor under the Line of Credit and other financial accommodations to Grantor as provided for in the Credit Agreement, and in order to secure the prompt and complete payment, observance and performance of all Indebtedness, Grantor has agreed to execute and deliver to Wells Fargo this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Credit Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Grantor hereby grants to Wells Fargo a continuing first priority security interest in all of Grantor's right, title and interest in, to and under all of Grantor's Trademarks (as defined in the Credit Agreement), whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"), including those referred to on Schedule I hereto.

3. SECURITY FOR OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all Indebtedness, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Indebtedness and would be owed by Grantor and GSS, or either of them, to Wells Fargo, whether or not they are unenforceable or not allowable due to the existence of any bankruptcy, insolvency, receivership or other similar case or proceeding under any Debtor Relief Law involving Grantor or GSS.

4. CREDIT AND SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Wells Fargo pursuant to the Credit Agreement. Grantor hereby acknowledges and affirms that the rights and remedies of Wells Fargo with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in

the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. Grantor shall give notice as promptly as practicable, and in any event no later than ten (10) Business Days thereof, in writing to Wells Fargo with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting Grantor's obligations under this Section 5, Grantor hereby authorizes Wells Fargo unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of Grantor. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Wells Fargo's continuing security interest in all Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement or any other Loan Document in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement or any other Loan Document clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement or any other Loan Document refer to this Trademark Security Agreement or such other Loan Document, as the case may be, as a whole and not to any particular provision of this Trademark Security Agreement or such other Loan Document, as the case may be. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement or in any other Loan Document to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein or in any other Loan Document to the satisfaction or repayment in full of the Indebtedness shall mean the repayment in full in cash (or cash collateralization in accordance with the terms hereof) of all Indebtedness other than unasserted contingent indemnification obligations. Any reference herein to any Person shall be construed to include such Person's successors and assigns. Any requirement of a writing contained herein or in any other Loan Document shall be satisfied by the transmission of a Record and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.

[Remainder of Page Intentionally Left Blank]

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
