ASSIGNMENT

WHEREAS, superDimension, Ltd. ("Assignor"), an Israeli company registered with the Israeli Companies Register under the number 51-205449-5, and with offices at 8 Hamenofim St. POB 2045 Herzliya 46120 and, is the owner of all right, title and interest in and to the trademarks and trademark applications listed in Schedule A attached hereto and incorporated herein; and

WHEREAS, Covidien Group S.à r.l., a private limited liability company incorporated under the laws of the Grand-Duchy of Luxembourg, registered with the Luxembourg Trade and Companies Register under the number B 61111 and with a registered office at 3b Boulevard Prince Henri, L-1724 Luxembourg, Grand-Duchy of Luxembourg ("Assignee"), is desirous of acquiring said trademarks and trademark applications listed in Schedule A;

WHEREAS, Assignor hereby conveys and assigns to the Assignee, and the successors, assigns and legal representatives of the Assignee, and Assignee hereby accepts from Assignor, Assignor's entire right, title and interest in and to said trademarks and trademark applications listed in Schedule A, together with all the goodwill of the business symbolized by said trademarks and trademark applications listed in Schedule A, including the right to sue for present, past and future infringement, in the United States, its territorial possessions, and in all foreign countries, including all treaty and convention rights in and to said trademarks and trademark applications listed in Schedule A.

WHEREAS, Assignor represents and warrants to Assignee that:

- (a) Assignor has the right, power and authority to enter into this Assignment;
- (b) Assignor is the exclusive owner of all right, title and interest, including all intellectual property rights, in said trademarks and trademark applications listed in Schedule A;
- (c) The trademarks and trademark applications listed in Schedule A are free of any liens, security interests, encumbrances or licenses;
- (d) There are no claims, pending or threatened, with respect to Assignor's rights in said trademarks and trademark applications listed in Schedule A;

- (e) This Assignment is valid, binding and enforceable in accordance with its terms; and
- (f) Assignor is not subject to any agreement, judgment or order inconsistent with the terms of this Assignment.

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor does hereby irrevocably assign, sell and transfer unto the Assignee, all of its right, title and interest in and to said trademarks and trademark applications listed in Schedule A in the United States and all jurisdictions outside the United States, together with all the goodwill of the business connected with and symbolized by said trademarks and trademark applications listed in Schedule A (including, without limitation, the right to renew any registrations included in said trademarks and trademark applications listed in Schedule A, the right to apply for trademark registrations within or outside the United States based in whole or in part upon said trademarks and trademark applications listed in Schedule A, and any priority right that may arise from said trademarks and trademark applications listed in Schedule A), the same to be held and enjoyed by Assignee as fully and entirely as said interest could have been held and enjoyed by Assignor had this sale, assignment, transfer and conveyance not been made. Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth on Schedule A to Assignee as assignee of Assignor's entire right, title and interest therein. Assignor agrees to further execute any documents reasonably necessary to effect this assignment or to confirm Assignee's entire right, title and interest in and to said trademarks and trademark applications listed in Schedule A.

This assignment by Assignor to Assignee of its entire right, title and interest in and to said trademarks and trademark applications listed in Schedule A, together with the goodwill of the business symbolized by said trademarks and trademark applications listed in Schedule A, all pursuant to this Agreement, shall be effective as of the date hereof.

This Agreement shall be governed by the laws of the State of Massachusetts, without regard to the principles of conflicts of law thereof.

This Assignment contains the entire understanding between the parties hereto with respect to its subject matter and supersedes any prior or contemporaneous written or oral assignments, representations or warranties between them respecting the subject matter hereof.

This Assignment may be amended only by a writing signed by both parties.

If any term, provision, covenant or condition of this Assignment, or the application thereof to any person, place or circumstance, shall be held by a court of competent jurisdiction to be invalid, unenforceable or void, the remainder of this Assignment and such term, provision, covenant or condition as applied to other persons, places and circumstances shall remain in full force and effect.

Assignor agrees to perform any further acts and execute and deliver any documents that may be reasonably necessary to carry out the provisions of this Assignment.
