TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment"), dated as of May 31, 2013 (the "Effective Date"), by and between SENORX, INC., a Delaware corporation, having its principal place of business at 1415 West Third Street, Tempe, Arizona 85281 ("Assignor"), HOLOGIC, INC., a Delaware corporation, having its principal place of business at 250 Campus Drive, Marlborough, Massachusetts 01752 ("Assignee"). Capitalized terms used but not defined herein have the respective meanings ascribed to them in the Asset Purchase Agreement, dated as of even date herewith (the "Purchase Agreement"), among Assignor, Assignee and the other parties thereto.

WHEREAS, pursuant to the Purchase Agreement, Assignor agreed to, among other things, sell, transfer, convey and deliver to Assignee all of Assignor's right, title and interest in and to the trademarks, trade names and service marks, all as more particularly identified on attached Schedule A (collectively, the "Assigned Trademarks").

NOW, THEREFORE, in consideration of the representations, warranties, covenants and agreements contained herein and in the Purchase Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Assignment. Assignor now hereby transfers, sells and assigns to Assignee, and Assignee hereby accepts, all of Assignor's right, title, and interest in and to the Assigned Trademarks, and all goodwill associated therewith, the same to be held by Assignee for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns, designees, nominees, and other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. No Conflicts. Assignor represents and warrants to Assignee that the execution and delivery of this Assignment does not breach any agreement to which any Assignor is a party, and Assignor has not entered into, and will not enter into, any oral or written agreement in conflict with this Assignment.

3. Further Assurances. As may be requested by Assignee or its designees or other legal representatives from time-to-time after the date hereof, Assignor agrees to assist Assignee, or Assignee's successors, assigns, designees, nominees, or other legal representatives, in a commercially reasonable manner, at Assignee's expense, to (i) evidence, record, and perfect the assignment of the Assigned Trademarks and (ii) secure Assignee's rights in the Assigned Trademarks, including, but not limited to, the execution, delivery and filing of all applications, specifications, oaths, assignments, powers-of-attorney, and similar instruments that Assignee deems reasonably necessary to assign and convey to Assignee, or Assignee's successors, assigns, designees, nominees or other legal representatives, all right, title and interest in and to the Assigned Trademarks.

4. Authorization. Assignor hereby authorizes and requests the U.S. Patent and Trademark Office and any corresponding foreign office whose duty it is to issue, certify, or

assign registrations or applications for trademarks or service marks to issue, certify or assign, as appropriate, the same to Assignee and Assignee's successors, assigns, designees, nominees and other legal representatives in accordance with the terms of this Assignment.
