CONFIRMATORY ASSIGNMENT AGREEMENT

THIS CONFIRMATORY ASSIGNMENT AGREEMENT, dated June 18, 2013 is hereby entered into by and between Jobsite123.com, LLC, a Florida limited liability company ("Assignor") and Contractors Register, Inc., a New York corporation ("Assignee").

RECITALS

WHEREAS, on May 30, 2013 ("Assignment Date"), Assignor and Assignee entered into an Asset Purchase Agreement and an Intellectual Property Assignment, assigning all of Assignor's right, title and interest, in, to and under various assets, including but not limited to, U.S. Trademark Reg. No. 3,680,475 (JOBSITE123) to Assignee as of the Assignment Date;

WHEREAS, prior to and as of the Assignment Date, Assignor owned, adopted and used the mark in U.S. Trademark Reg. No. 3,680,475, in the United States of America and elsewhere, and owned other transferable rights associated with the mark, including, but not limited to, U.S. Trademark Reg. No. 3,680,475 and the good will of the business associated with said mark (collectively, the "Mark");

WHEREAS, Assignor and Assignee desire to confirm the assignment of the Mark, as of the Assignment Date;

NOW THEREFORE, in consideration of the recitals, the terms and conditions herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties, intending to be legally bound, hereby agree as follows:

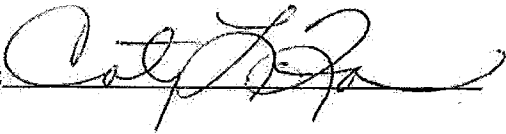

1. **Assignment.** Assignor does hereby confirm that, as of the Assignment Date, it sold, assigned, and transferred to Assignee, its successors and assigns, all of its right, title, and interest, in the United States of America and all other countries, in, to and under the Mark, including any and all goodwill associated therewith, all registrations therefore, all common law rights therein, any and all trademark and/or service mark rights related thereto, and all past, present and future income, royalties, fees, damages, and payments now or hereafter due or payable in respect thereto, and in and to any and all past, present and future causes of action (either in law or in equity), and the right to enforce any rights and file any causes of action, including the right to recover damages, for any past, present, or future infringement or misappropriation of the Mark.

2. **Miscellaneous.** Assignor hereby agrees to execute, acknowledge and deliver any and all documents as Assignee, in its discretion deems desirable or necessary to make a record with any and all government agencies, authorities, courts, tribunals, or third parties, of the fact that Assignee owns all right, title and interest in and to the Mark, and any and all goodwill associated therewith, and that Assignor no longer has any right, title or interest, of any kind or nature, in or to the Mark.

3. **Conflict.** In the event of any conflict or inconsistency between the terms of this Confirmatory Assignment Agreement and the terms of the Asset Purchase Agreement or the Intellectual Property Assignment, the terms of the Asset Purchase Agreement and/or Intellectual Property Assignment will prevail. Nothing contained herein shall be deemed to alter, modify, expand or diminish the terms of the Asset Purchase Agreement or the Intellectual Property Assignment.

WHEREFORE, the Assignor has caused this Confirmatory Assignment Agreement to be duly executed below, on the date indicated, by a duly authorized officer.
