GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), effective as of June 11, 2013, is made by LINVATEC CORPORATION, a Florida corporation, located at 11311 Concept Boulevard, Largo, FL 33773 (the "Obligor"), in favor of JPMorgan Chase Bank, N.A., a national banking association, as Administrative Agent (the "Agent") for the several banks and other financial institutions (the "Lenders"), parties to the Amended and Restated Credit Agreement, dated as of January 17, 2013 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Parent Borrower, the Foreign Subsidiary Borrowers from time to time parties thereto, the Lenders from time to time parties thereto, and the Agent.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Borrowers upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Obligor and certain other subsidiaries of the Parent Borrower have executed and delivered a Guarantee and Collateral Agreement, dated as of August 28, 2002, in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Guarantee and Collateral Agreement");

WHEREAS, pursuant to the Third Amendment to the Guarantee and Collateral Agreement dated as of January 17, 2013, the Obligor confirms that the representations and warranties set forth in Section 4 of the Guarantee and Collateral Agreement are true and correct in all material respects and that no Default or Event of Default shall have occurred and be continuing as of the Amendment Effective Date after giving effect to the Amendment;

WHEREAS, the Obligor has duly authorized the execution, delivery and performance of this Agreement;

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrowers pursuant to the Credit Agreement, the Obligor agrees, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Obligor hereby assigns and transfers to the Agent, and hereby grants to the Agent, for the ratable benefit of the Lenders, a security interest in all of the Obligor's right, title and interest in, to and under the Trademark (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Collateral"), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Obligations.

SECTION 3. Purpose. This Agreement has been executed and delivered by the Obligor for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Guarantee and Collateral Agreement and is expressly subject to the terms and conditions thereof. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Obligor does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Guarantee and Collateral Agreement, the terms of the Guarantee and Collateral Agreement shall govern.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
