Exhibit 1

TRADEMARK ASSIGNMENT CONFIRMATION

This TRADEMARK ASSIGNMENT CONFIRMATION (“Confirmation”), dated as of this 20th day of June, 2013, is by and between Allison Transmission, Inc., a corporation organized under the laws of the State of Delaware, with a principal business address of One Allison Way, Indianapolis, Indiana 46222 (“Allison”), and Integrated Sensing Systems, Inc., a corporation organized under the laws of the State of Michigan, with a principal business address at 391 Airport Industrial Drive, Ypsilanti, Michigan 48198 (“ISSYS”) (ISSYS and Allison referred to herein individually as “Party” and collectively as “Parties”).

WHEREAS, ISSYS owned U.S. Trademark Registration No. 3,987,038 (the “ISSYS Registration”) for the mark FUELSENSE (the “Mark”) for use in connection with “sensors for measuring the density and temperature of flammable liquids or gases, to monitor the quality of the liquid or gas” and common law rights in the Mark (the “CL Rights”); and

WHEREAS, pursuant to that certain Trademark Agreement and Assignment dated June 20, 2013, by and between Allison and ISSYS (“Assignment”), ISSYS assigned the Mark, the ISSYS Registration, and the CL Rights to Allison, and Allison is desirous of confirming its receipt of the entire interest, right and title in, to and under the Mark, the ISSYS Registration, and the CL Rights through that Assignment and of recording this Confirmation as proof of that receipt;

NOW, THEREFORE, pursuant to the terms and subject to the conditions of the Assignment, the Parties confirm that they have agreed as follows:

1. ISSYS assigned and transferred to Allison the full and exclusive right, title, and interest in and to the Mark, the ISSYS Registration, and the CL Rights, including, but not limited to any priority claim thereto; all past, present, and future causes of action for infringement and/or misappropriation of the Mark, the ISSYS Registration, and the CL Rights, whether the infringement and/or misappropriation is committed and/or the cause of action comes into existence before, during, or after the Effective Date of the Assignment; all past, present, and future remedies for infringement and/or misappropriation of the Mark, the ISSYS Registration, and the CL Rights, including damages, royalties, profits, exceptional case awards, attorneys’ fees, and costs; and all other rights appurtenant thereto;

2. This Confirmation is expressly made subject to the terms and provisions of the Assignment. This Confirmation shall not affect, alter, enlarge, diminish, or otherwise impair any of the representations, warranties, covenants, conditions, indemnities, terms, or provisions of the Assignment, and all of the representations, warranties, covenants, conditions, indemnities, terms, and provisions contained in the Assignment shall survive. In the event of a conflict between the terms and provisions of this Confirmation and the terms and provisions of the Assignment, the terms and provisions of the Assignment shall govern and control.

IN WITNESS WHEREOF and confirming that they are legally bound, the Parties hereto have caused this Confirmation to be executed by their duly authorized representatives.
