(f) such Debtor has used, and will continue to use for the duration of this Agreement, proper statutory notice in connection with its use of all material registered Patents and Trademarks;

(g) such Debtor has the exclusive, royalty-free right and license to use the Patents, Trademarks and Licenses and agrees not to transfer any rights or interest in any of the Patents, Trademarks and/or Licenses during the term of this Agreement except in the ordinary course of business or with the prior consent of Secured Party.; and

Such Debtor will reimburse Agent and Lenders upon demand for all costs and expenses incurred by Agent in connection with any such inspection conducted by Agent while any Default or Event of Default under the Loan Agreement has occurred and is continuing. A representative of such Debtor may be present during any such inspection, provided that a particular representative's availability or unavailability shall not inhibit or delay such inspection. Each Debtor agrees (a) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable practices and (b) to provide Agent or any Lender, upon Agent's or any Agent's reasonable request from time to time, with a certificate of any officer of such Debtor certifying such Debtor's compliance with the forgoing.

4. Further Assurances. Each Debtor hereby agrees that, until (a) all of the Secured Obligations shall have been paid in full, (b) Agent and/or any Lender has no further commitment or obligation to make any Loans or advances or other extensions of credit to such Debtor under the Loan Agreement or otherwise and (c) the Loan Agreement has expired or been terminated in accordance with its terms, it will not, without the prior written consent of Agent and Lenders, enter into any agreement (for example, a license or sublicense agreement) which is inconsistent with such Debtor's obligations under this Agreement or the Loan Agreement and such Debtor agrees that it will not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to Agent and Lenders under this Agreement. Each Debtor further agrees that at any time and from time to time, at the expense of such Debtor, such Debtor will promptly execute and deliver to Agent and Lenders any and all further instruments and documents and take any and all further action that Agent may request in good faith in order to perfect and protect the security interest granted hereby with respect to the Patents, Trademarks and Licenses or to enable Agent and Lenders to exercise its rights and remedies under this Agreement with respect to the same.

5. Additional Patents, Trademarks and Licenses. If any Debtor (a) becomes aware of any existing Patents, Trademarks or Licenses of which such Debtor has not previously informed Agent, (b) obtains rights to any new patentable inventions, Patents, Trademarks and/or Licenses or (c) becomes entitled to the benefit of any Patents, Trademarks and/or Licenses which benefit is not in existence on the date of this Agreement, the provisions of this Agreement shall automatically apply thereto and such Debtor shall give Agent prompt written notice thereof.

6. Modification by Agent. Each Debtor authorizes Secured Party to modify this Agreement by amending Schedules A, B, and/or C to include any future patents and patent applications, any future trademarks, service marks, trademark or service mark registrations, trade names, and trademark or service applications, and any future licenses, covered by Sections 1 and 5 hereof, without the signature of such Debtor if permitted by applicable law.

7. Use of Patents, Trademarks and Licenses. So long as no Event of Default under the Loan Agreement has occurred and is continuing, each Debtor may use its Patents and Trademarks and exercise its rights under the Licenses in any lawful manner not inconsistent with this Agreement on and in connection with products sold or licensed by such Debtor, for such Debtor's own benefit and account or such Debtor's licensees' benefit and account and for none other.

8. Default. If any Event of Default under the Loan Agreement shall have occurred and be continuing, Agent shall have, in addition to all other rights and remedies given it by this Agreement, those allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which any of the Patents, Trademarks and/or Licenses may be located and, without limiting the generality of the foregoing, Agent may immediately, without demand of performance and without other notice

5706667

(except as set forth next below) or demand whatsoever to a Debtor, all of which are hereby expressly waived, and without advertisement, sell at public or private sale or otherwise realize upon, all or from time to time any of the Patents, Trademarks (together with the goodwill of such Debtor associated therewith) and/or Licenses, or any interest which such Debtor may have therein, and after deducting from the proceeds of sale or other disposition of the Patents, Trademarks or Licenses all expenses (including, without limitation, all expenses for brokers' fees and legal services), shall apply the residue of such proceeds toward the payment of the Secured Obligations in the order and manner as Agent may elect. Notice of any sale or other disposition of any of the Patents, Trademarks and/or Licenses of a Debtor shall be given to such Debtor at least ten (10) calendar days before the time of any intended public or private sale or other disposition of such Patents, Trademarks and/or Licenses is to be made, which such Debtor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, Agent or any holder of any of the Secured Obligations may, to the extent permissible under applicable law, purchase the whole or any part of the Patents, Trademarks and/or Licenses sold, free from any right of redemption on the part of such Debtor, which right is hereby waived and released. Each Debtor agrees that upon the occurrence and continuance of any Event of Default, the use by Agent of such Debtor's Patents, Trademarks and Licenses shall be worldwide, and without any liability for royalties or other related charges from Agent to such Debtor. If an Event of Default shall occur and be continuing, Agent shall have the right, but shall in no way be obligated, to bring suit in its own name (for the benefit of itself and Lenders) to enforce any and all of the Patents, Trademarks and Licenses, and, if Agent shall commence any such suit, the applicable Debtor shall, at the request of Agent, do any and all lawful acts and execute any and all proper documents required by Agent in aid of such enforcement and such Debtor shall promptly, upon demand, reimburse and indemnify Agent for all costs and expenses incurred by Agent in the exercise of its rights under this Agreement. All of Agent's rights and remedies with respect to the Patents, Trademarks and Licenses, whether established hereby, by the Security Agreement or by any other agreement or by law shall be cumulative and may be exercised singularly or concurrently.

9. Termination of Agreement. At such time as (a) Debtors shall pay all of the Secured Obligations in full, (b) no Letters of Credit shall remain outstanding, (c) Agent and/or any Lender shall have no further commitment or obligation to make any Loans or advances or other extensions of credit to Borrower and/or any Debtor under the Loan Agreement or otherwise and (d) the Loan Agreement shall have expired or been terminated in accordance with its terms, this Agreement shall terminate and Agent shall execute and deliver to each Debtor all instruments as may be necessary or proper to extinguish Agent's security interest therein, subject to any disposition thereof which may have been made by Agent pursuant to this Agreement.

10. Expenses. Any and all fees, costs and expenses of whatever kind or nature, including, without limitation, the reasonable attorneys' fees and expenses incurred by Agent in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or other amounts in connection with protecting, maintaining or preserving the Patents, Trademarks and/or Licenses, or in defending or prosecuting any actions or proceedings arising out of or related to the Patents, Trademarks and/or Licenses, shall be borne and paid by each Debtor on demand by Agent and until so paid shall be added to the principal amount of the Secured Obligations and shall bear interest at an annual rate per equal to the lesser of Two Percent (2%) over and above the Prime Rate (which interest rate shall fluctuate as and when the Prime Rate shall change) or the highest rate of interest allowed by law from the date incurred until reimbursed by such Debtor.

11. Preservation of Patents, Trademarks and Licenses. Each Debtor shall have the duty (a) to file and prosecute diligently any patent, trademark or service mark applications pending as of the date hereof or hereafter, (b) to make application on unpatented but patentable inventions and on trademarks and service marks, as commercially reasonable and (c) to preserve and maintain all rights in the Patents, Trademarks and Licenses, as commercially reasonable. Any expenses incurred in connection with a Debtor's obligations under this Section 11 shall be borne by such Debtor.

12. Agent Appointed Attorney-In-Fact. If any Event of Default under the Loan Agreement shall have occurred and be continuing, each Debtor hereby authorizes and empowers Agent to make, constitute and appoint any officer or agent of Agent as Agent may select, in its sole discretion, as such Debtor's true and lawful attorney-in-fact, with the power to endorse such Debtor's name on all applications, documents, papers and instruments necessary for Agent to use the Patents, Trademarks and Licenses, or to grant or issue any exclusive or non-exclusive license under the Patents, Trademarks and Licenses to anyone else, or necessary for Agent to assign, pledge, convey or otherwise transfer title to or dispose of the Patents, Trademarks and Licenses to anyone else.

5706667

Each Debtor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable for the duration of this Agreement.

13. No Waiver. No course of dealing between each Debtor and Agent, nor any failure to exercise, nor any delay in exercising, on the part of Agent, any right, power or privilege under this Agreement shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege under this Agreement preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

14. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Amendments. This Agreement is subject to amendment or modification only by a writing signed by Debtors and Agent, except as provided in Paragraph 6 above.

16. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns, except that a Debtor may not assign, transfer or delegate any of its rights, obligations or duties under this Agreement.

17. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties hereto shall be governed by and construed in accordance with the substantive laws of the State of Missouri (without reference to conflict of law principles).

18. Amends and Restates. This Agreement amends, restates and replaces the Patent, Trademark and License Security Agreements dated as of August 27, 2007, each executed a certain Debtor, in favor of Agent for the benefit of Lenders.

IN WITNESS WHEREOF, Debtor and Agent have executed this Agreement as of the day and year first above written
