## INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment") is made as of the 1st day of July, 2013 by and between HAUSTED PATIENT HANDLING SYSTEMS, LLC, a Delaware limited liability company ("Assignor"), and GF HEALTH PRODUCTS, INC., a Delaware corporation ("Assignee").

### WITNESSETH:

WHEREAS, Assignor is the owner of all right, title and interest in and to those trademarks identified on Schedule "A" attached hereto and those patents identified on Schedule "B" attached hereto (collectively, the "Intellectual Property"); and

WHEREAS, Assignor is willing to relinquish all right, title and interest that it may have in and to the Intellectual Property and to assign to Assignee all right, title, and interest it may have in and to the Intellectual Property worldwide.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other valuable consideration, the receipt and sufficiency of which are expressly acknowledged, the parties hereto agree as follows:

1. Assignor hereby assigns and sells to Assignee all right, title, and interest as Assignor may possess in and to the Intellectual Property, and all registrations and applications therefor, including any renewals and extensions of the registrations that are or may be secured under law, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made.

2. At any time hereafter, Assignor shall, upon the Assignee's written request, take any and all reasonable steps and execute, acknowledge and deliver to the Assignee any and all further instruments reasonably necessary to vest all right, title and interest in and to the Intellectual Property more effectively in the Assignee.

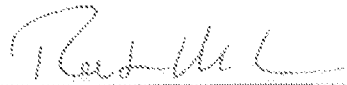

3. This Agreement will be governed by and construed under the laws of the State of Delaware without regard to conflicts of laws principles that would require the application of any other law. This Assignment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together will constitute one and the same instrument.

*[Signatures begin on following page]*

IN WITNESS WHEREOF, the parties hereto have caused this Assignment to be duly executed as of the date first set forth hereinabove.

ASSIGNOR:
