ASSIGNMENT OF INTELLECTUAL PROPERTY RIGHTS

WHEREAS, Mariner Supply, Inc., a company organized under the laws of Washington with its principal place of business at 16310 Euclid Ave. NE, Bainbridge Island, WA 98110, USA, ("**Assignor**") is the owner of intellectual property and intellectual property rights, including, without limitation, trademarks, service marks, copyrights, domain names, inventions, disclosures, patents and patent applications (including all original, divisional, continuation, continuation-in-part, reexaminations, substitute, reissue, or other applications) in the United States of America and all other countries, methods, trade secrets, know-how, computer software, algorithms, works of authorship, data, databases, and other intellectual property; registrations, applications, extensions, and renewals of any of the foregoing; and the goodwill of the business associated with the foregoing trademarks (collectively, the "**IP**"), which includes but is not limited to the IP set forth in the attached **Exhibit A**, incorporated herein by reference;

WHEREAS, Redden Marine Supply, Inc. a company organized under the laws of Washington with its principal place of business at 1411 Roeder Ave., Bellingham, Washington, 98225, USA, desires to acquire all of Assignor's right, title and interest in the IP, which includes but is not limited to the IP set forth in the attached Bill of Sale, Assignment and Assumption Agreement, incorporated herein by reference;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Assignor hereby irrevocably assigns, transfers, conveys and delivers to Assignee all of Assignee's right, title and interest, throughout the world, in and to the IP, including, but not limited to, all claims, causes of action, and rights to sue for, and collect damages on account of, any infringement or misappropriation of the IP, whether such claim arose prior to or after the date of this Assignment, and include that portion of the business related to the IP. The undersigned for itself and its legal representatives, heirs and assigns does hereby agree and covenant, without further remuneration, to execute and deliver all divisional, continuation, continuation-in-part, reexaminations, substitute, reissue and other applications for Letters Patent and all assignments thereof to Assignee or its assigns, to communicate to Assignee or its representatives all facts known to the undersigned respecting any of the patents, patent applications and/or inventions listed on Exhibit A or related thereto by priority claim, and whenever requested to sign all lawful papers, make all rightful oaths or declarations, and do generally everything necessary to aid Assignee, its successors, assigns and nominees to obtain IP registration protection in the United States of America and all other countries, the expenses incident to the IP listed on Exhibit A to be borne and paid by Assignee.

Assignor hereby designates Assignee as its agent and attorney in fact to act for and to execute, on its behalf, any additional documentation needed to fully effectuate, record, and enforce this Assignment.
