## TRADEMARK SECURITY AGREEMENT

June 28, 2013

This TRADEMARK SECURITY AGREEMENT (this "IP Agreement"), effective as of June 28, 2013 is made by the signatory hereto (the "Borrower") in favor of PNC Bank, National Association (the "Secured Party"), under the Amended and Restated Credit Agreement, dated as of December 21, 2012 (as amended, supplemented, restated or otherwise modified from time to time, the "Credit Agreement"), between the Borrower and the Secured Party.

WHEREAS, pursuant to the Credit Agreement, the Secured Party has agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, the Borrower has executed and delivered an Intellectual Property Security Agreement, dated as of September 22, 2012, in favor of the Secured Party (as amended, supplemented, restated or otherwise modified from time to time, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Borrower has granted a security interest in certain Intellectual Property, including those Trademarks set forth on Schedule A that constitute collateral; and

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, the Borrower agrees, for the benefit of the Secured Party, as follows:

Section 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this IP Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement, as applicable.

Section 2. Grant of Security Interest for Obligations. The Borrower hereby grants a continuing security interest in all of the Borrower's right, title and interest in, to and under the Trademarks constituting Collateral (including, without limitation, those items listed on Schedule A hereto) (collectively, the "Trademark Collateral"), to the Secured Party, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Obligations.

Section 3. Purpose. This IP Agreement has been executed and delivered by the Borrower for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Party in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

Section 4. Acknowledgement. The Borrower does hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the

Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between this IP Agreement and the Security Agreement, the terms of the Security Agreement shall govern.

Section 5. Counterparts. This IP Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
