TRADEMARK ASSIGNMENT AGREEMENT

This TRADEMARK ASSIGNMENT AGREEMENT ("Assignment") dated as of January 11, 2012 (the "Effective Date"), is made by and between Albany International Corp., a Delaware corporation ("Assignor") and ASSA ABLOY Entrance Systems AB ("Assignee").

WITNESSETH:

WHEREAS, Assignor is the owner of the trademark applications and registrations identified on Schedule A to this Assignment (collectively, the "Trademarks");

WHEREAS, pursuant to that certain Stock and Asset Purchase Agreement, dated as of October 27, 2011, by and between Assignor and ASSA ABLOY AB (the "Purchase Agreement"), Assignor has agreed to assign the Transferred Intellectual Property, including the Trademarks, to Assignee.

NOW, THEREFORE, in consideration of the promises and covenants set forth herein and in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby assigns to Assignee all of Assignor's right, title, and interest in and to (a) the Trademarks, together with the goodwill of the business connected with the use of, or symbolized by said Trademarks, and (b) the right to bring an action at law or in equity for any infringement, dilution or violation of any of the Trademarks occurring prior to the date hereof, and to collect all damages, settlements and proceeds relating to the Trademarks.

2. Cooperation. This Assignment has been executed and delivered by the Assignor for the purpose of recording the assignment herein with the appropriate government entity. The parties shall cooperate to execute and deliver such other documents and take such other actions as reasonably necessary to effect the intent hereof.

3. Further Acts. For each of the Trademarks, Assignee agrees to complete, execute and file at the United States Patent and Trademark Office (USPTO), within 180 days of the Effective Date, forms sufficient to change ownership, power of attorney, and USPTO correspondence address and such documents as are necessary to reflect the change in ownership, responsibility and correspondence for assets in jurisdictions other than the United States. As of the Effective Date of the Purchase Agreement, Assignee assumes all responsibility for meeting any and all deadlines and preserving and pursuing any and all rights pertaining to the Trademarks.

4. Warranties. EXCEPT AS EXPRESSLY SET FORTH IN THE PURCHASE AGREEMENT, THERE ARE NO EXPRESS OR IMPLIED WARRANTIES MADE WITH RESPECT TO THE TRANSFERRED INTELLECTUAL PROPERTY, INCLUDING WARRANTIES OF NONINFRINGEMENT OF THIRD

PARTY INTELLECTUAL PROPERTY RIGHTS, OR REGARDING THE SCOPE, VALIDITY, OR ENFORCEABILITY OF ANY TRANSFERRED INTELLECTUAL PROPERTY RIGHTS.

5. General Provisions. Capitalized terms used herein but not defined herein shall have the meanings set forth in the Purchase Agreement. This Assignment may be executed in any number of counterparts, each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument. This Assignment along with its Schedule, together with the Purchase Agreement, constitute the entire understanding and agreement of the parties hereto with respect to the subject matter hereof and supersede all prior and contemporaneous agreements or understandings, inducements or conditions, express or implied, written or oral, between and among the parties with respect hereto. In the event of any conflict between the terms of this Assignment and the terms of the Purchase Agreement, the terms of the Purchase Agreement shall control. This Assignment may not be supplemented, altered, or modified in any manner except by a writing signed by all parties hereto. The failure of any party to enforce any terms or provisions of this Assignment shall not waive any of its rights under such terms or provisions.

6. Governing Law; Jurisdiction and Venue. This Agreement shall be governed by, and construed in accordance with, the Laws of the State of New York, without regard to any conflict of laws provisions thereof that would result in the application of the laws of another jurisdiction. Both the Assignee and the Assignor hereby consent to and submit to the exclusive jurisdiction and venue of the federal and state courts located in the State of New York for enforcement or interpretation of this Assignment, and for any disputes under or arising out of this Assignment.

7. Counterparts. This Agreement may be executed in counterparts, each of which will be an original as regards any party whose signature appears thereon and both of which together will constitute one and the same instrument.
