TRADEMARK ASSIGNMENT

THIS ASSIGNMENT, made as of this 31st day of December, 2012, by JACK HENRY SOFTWARE/COMMLINK, INC., a Texas corporation ("Assignor") to FULCRUM BIOMETRICS, LLC, a Texas limited liability company ("Assignee"),

WITNESSETH:

WHEREAS, Assignor is the owner of the following United States trademark registrations:

No. 4063476, for security and access control hardware, namely, biometric finger print readers, biometric iris readers; and personal access cards having a memory/storage capacity, namely, magnetic encoded strips and encoded electronic chips; and security and access control software for authentication, verification and identification applications, registered in the United States Patent and Trademark Office on November 29, 2011;

BIOBANK, Reg. No. 2820937, for security and access control hardware; computer software for authentication, verification and identification of those authorized to use a computer and its software applications, registered in the United States Patent and Trademark Office on March 9, 2004;

WHEREAS, Assignor desires to assign and transfer the Marks and all rights in and to the Marks and their registrations to Assignee, and Assignee desires to acquire all rights in and to the Marks and their registrations;

NOW THEREFORE, in consideration of the premises, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, and transfers to Assignee the entire right, title and interest in and to the Marks and their registrations, the goodwill associated therewith, and the right to sue for, and recover for, any past infringements thereof.

Assignor agrees to execute such further documents as Assignee may reasonably require to secure and enforce the rights granted to Assignee under this Assignment. The Marks, the registrations of the Marks, and all rights thereto shall be held and enjoyed by Assignee, its successors and assigns, as fully and entirely as they would have been held and enjoyed by Assignor had no sale and assignment of the interest therein been made.
