THIS CONFIRMATION OF ASSIGNMENT OF TRADEMARK REGISTRATION for the Mark **CU Recover**, U.S. Trademark Registration No. 3,270,931, being Trademark Application No. 77/006,876 (the "Trademark") is executed on the 10th day of July, 2013 (the "Execution Date"), by and between **CU RECOVER, LLC**, or its successor in interest, a Maryland limited liability company, ("Assignor"), and **ONGOING OPERATIONS, LLC**, a Virginia limited liability company, ("Assignee").

WHEREAS, the Assignor and Assignee have already entered into a written assignment of the above-referenced Trademark and the associated goodwill when said Trademark was pending as an application, by assignment signed on or about April 3, 2007 (the "Effective Date"),

WHEREAS, the Assignor and Assignee had entered into an Asset Purchase Agreement ("Agreement"), pursuant to which the Assignee agreed to purchase Assignor's interest in the Assignor's pending trademark applications and the associated customer goodwill and other rights associated with the use of said marks;

WHEREAS, the above referenced Trademark has already been *de facto* assigned to and used by the Assignee on or after the Effective Date;

WHEREAS, the said application has now matured into an actual U.S. Trademark Registration and has continued in use by the Assignee after the purchase of the assets of the Assignor;

WHEREAS, the Parties had not actually earlier recorded the existing assignment documents and wish to now record and confirm their intentions as of the Effective Date of the Assignment so referenced;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby confirms the assignment to Assignee of all right, title and interest in, to and under the Trademark including the registration thereof, together with the goodwill of the business in connection with which the Trademark is and has been used.

Assignor further agrees to provide Assignee with any additional information, and to do any and all such things and execute any and all other documents or instruments, and to follow any procedures as may be required by Assignee to maintain and enforce the Trademark, or to obtain registration of the Trademark.

IN WITNESS WHEREOF, the Assignor has caused this Assignment to be executed as of the Effective Date written above.
