This Agreement, the Loan Agreement, and the other Loan Documents, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersedes all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties, as provided in the Loan Agreement. Notwithstanding the foregoing, Secured Party unilaterally may re-execute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 7 hereof. To the extent that any provision of this Agreement conflicts with any provision of the Loan Agreement, the provision giving Secured Party greater rights or remedies shall govern, it being understood that the purpose of this Agreement is to add to, and not detract from, the rights granted to Secured Party under the Loan Agreement.

This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile shall be equally as effective as delivery of a manually executed counterpart. Any party hereto delivering a counterpart of this Agreement by facsimile shall also deliver a manually executed counterpart, but the failure to so deliver a manually executed counterpart shall not affect the validity, enforceability, or binding effect hereof.

SECTION 12. Termination. Upon payment and performance in full of the Indebtedness, the security interests created by this Agreement shall terminate and Secured Party (at Debtor's expense) shall promptly execute and deliver to Debtor such documents and instruments reasonably requested by Debtor as shall be necessary to evidence termination of all such security interests given by Debtor to Secured Party hereunder, including without limitation

cancellation of this Agreement by written notice from Secured Party to the PTO.

SECTION 13. No Inconsistent Requirements. Debtor acknowledges that this Agreement and the other documents, agreements and instruments entered into or executed in connection herewith may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

SECTION 14. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

SECTION 15. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

SECTION 16. Power of Attorney. The Secured Party is hereby fully authorized and empowered (without the necessity of any further consent or authorization from the Debtor) and the right is expressly granted to the Secured Party, and the Debtor hereby constitutes, appoints and makes the Secured Party as the Debtor's true and law attorney-in-fact and agent for the Debtor and in the Debtor's name, place and stead with full power of substitution, in the Secured Party's name or the Debtor's name or otherwise, for the Secured Party's sole use and benefit, but at the Debtor's cost and expense, to exercise, without notice, all or any of the following powers at any time with respect to all or any of the Collateral after the occurrence of any Event of Default under the Loan Agreement, the other Loan Documents or under this Agreement which has not been timely cured: (a) to notify account debtors or the obligors on the Collateral and the related rights to make and deliver payments to the Secured Party; (b) to demand, sue for, collect, receive and give acquittances for any and all monies due or to become due by virtue thereof and otherwise deal with proceeds; (c) to receive, take, endorse, assign and deliver any and all checks, notes, drafts, documents and other negotiable and non-negotiable instruments and chattel paper taken or received by the Secured Party in connection therewith; (d) to settle, compromise, compound, prosecute or defend any action or proceeding with respect thereto; (e) to sell, transfer, assign or otherwise deal in or with the same or the proceeds or avails thereof or the relative goods, as fully and effectively as if the Secured Party were the absolute owner thereof; and (f) to extend the time of payment of any or all thereof and to grant waivers and make any allowance or other adjustment with reference thereto; provided, however, the Secured Party will be under no obligation or duty to exercise any of the powers hereby conferred upon it and will be without liability for any act or failure to act in connection with the collection of, or the preservation of any rights under, any Collateral.

SECTION 17. Default: Remedies. On the occurrence of any Event of Default which has not been cured as provided in the Loan Agreement or if the Debtor fails to keep, observe, comply with and perform all of the obligations and undertakings under this Agreement or any of the other Loan Documents or fails to pay any Debtor's obligations under the Loan Agreement when due, then, and in any such event, the Secured Party may, at its option and without notice to any party, declare all or any portion of the Secured Indebtedness to be immediately due and payable and may proceed to enforce payment of the same, to exercise any or all rights and remedies provided herein, in the other Loan Documents, and by the UCC and otherwise available at law or in equity. All remedies hereunder are cumulative, and any indulgence or waiver by the Secured Party will not be construed as an abandonment of any other right hereunder or of the power to enforce the same or another right at a later time. Whether the Secured Party elects to

exercise any other rights or remedies under this Agreement or applicable law, the Secured Party will be entitled to have a receiver appointed to take possession of the Collateral without notice, which notice the Debtor hereby waives, notwithstanding anything contained in this Agreement or any law heretofore or hereafter enacted.

SECTION 18. Inconsistencies with the Loan Agreement. To the extent any terms hereof are inconsistent with the terms of the Loan Agreement, the terms of the Loan Agreement will control.
