## TRADEMARK ASSIGNMENT AGREEMENT

ASSIGNMENT made as of the 8th day of May, 2007 (this "Assignment") by the undersigned Scientech, LLC, a Delaware limited liability company ("Scientech") and NUS Instruments, LLC, a Delaware limited liability company and a wholly-owned subsidiary of Scientech ("NUS", and together with Scientech, the "Assignors"), to Curtiss-Wright Flow Control Service Corporation, a Delaware corporation ("Assignee"). Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Purchase Agreement (as defined below).

**WHEREAS**, the Assignors are the owners of various registered trademarks and service marks (including all completed or pending federal, state or foreign registrations, renewal or applications for registration or renewal of any of them) as set forth on Exhibit A attached hereto (the "Marks"); and

**WHEREAS**, pursuant to that certain Asset Purchase Agreement dated as of May 7, 2007 (together with the amendments, supplements, exhibits and schedules thereto, the "Purchase Agreement") between Assignee and Assignors, Assignors desire to assign, transfer, convey and deliver, and Assignee desires to acquire, all Assignors' right, title and interest in and to all such Marks;

**NOW, THEREFORE**, in consideration of the mutual agreements contained herein and in the Purchase Agreement and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and confirmed, Assignors hereby sell, transfer, convey and assign to the Assignee, its legal representatives, successors and assigns all of the Assignors' right, title and interest in and to the Marks, including, but not limited to:

- (i) any registrations therefore;
- (ii) all income, damages, or payments now or hereafter due or payable with respect to the Marks; and
- (iii) all claims, causes of action, actions, suits, or other proceedings, in law or in equity, for, past, present or future infringement of the Marks.

Assignors further consent to the recordation of this Assignment with any governmental agency. This instrument is executed by, and shall be binding upon, Assignors, their successors and assigns, for the uses and purposes above set forth and referenced to and shall inure to the benefit of Assignee, its successors and assigns.

Assignors and Assignee agree to execute all papers and to perform such other proper acts as Assignee may deem necessary to record the assignment made by this Assignment.

Assignors, from time to time after the Closing, at Assignee's request, shall execute, acknowledge and deliver to Assignee such other instruments of conveyance and transfer and will take such other actions and execute and deliver such other documents, certifications and further assurances as Assignee may reasonably require in order to vest title more effectively in

Assignee, or to put Assignee more fully in possession of, any of the Marks, all at the sole cost and expense of Assignee. All of the parties hereto shall cooperate with one other and execute and deliver to the other such other instruments and documents and take such other actions as may be reasonably requested from time to time by the other party hereto as necessary to carry out, evidence and confirm the intended purposes of the Purchase Agreement, and in any event, all at the sole cost and expense of Assignee.

This Assignment is subject in all events to the terms and conditions of the Purchase Agreement and in the event of a conflict or inconsistency between this Assignment and the Purchase Agreement, the terms of the Purchase Agreement shall prevail.

Any claims and causes of action arising with respect to this Assignment shall be governed by and construed in accordance with the laws of the State of New York, without regard to the conflicts of law provisions thereof that would require the application of the law of any other jurisdiction.
