**ASSIGNMENT OF TRADEMARKS**  
(Carlos de Abreu to Hollywood Network, Inc.)

This Assignment of Trademarks (this "Assignment") is made and entered into as of August 2, 2013, by and between Carlos de Abreu, an individual resident of the United States with an address at 433 N. Camden Drive, Suite 600, Beverly Hills, California 90210 (the "Assignor"), and Hollywood Network, Inc., a California corporation (the "Assignee").

WHEREAS, the Assignor desires to assign, convey, sell and transfer to the Assignee, and the Assignee desires to acquire, all of the Assignor's right, title and interest in and to the Trademarks (as described on Exhibit A).

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and agreements herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties hereby agree as follows:

1. Assignment of Trademarks. The Assignor hereby assigns, conveys, sells and transfers to the Assignee the entire right, title and interest of the Assignor in and to the Trademarks, including but not limited to the right to use and deal with the Trademarks in the place of and in substitution for the Assignor as if the Assignee was the original registrant of such Trademarks, along with all right, title and interest in and to: (a) all registrations thereof and applications therefor; (b) all rights of enforcement and causes of action (either in law or equity) and the right to sue, counterclaim, and recover for past, present, and future infringement, dilution, unfair competition, or other violation of the Trademarks; (c) all license agreements, income, royalties, damages and payments and rights thereto now or hereafter due or payable with respect to the Trademarks, including but not limited to the right to recover all damages for infringement of the Trademarks whether such infringement occurred in the past or occurs in the future, as fully as if the Assignor had filed such action in its own name; (d) the goodwill of the business connected with the use of and symbolized by the Trademarks, and that portion of the Assignor's business with which Assignor has a bona fide intent to use the Trademarks identified in any pending United States applications based on intent-to use; (e) all social media profiles and/or content owned and/or maintained by the Assignor, and all passwords, user names and handles for all social media platforms related to the Trademarks including on Facebook, MySpace, Twitter and YouTube; and (f) all rights corresponding thereto throughout the world, for the Assignee's own use and enjoyment, and for the use and enjoyment of the Assignee's successors, assigns or other legal representatives.

2. Recordation or Other Filings. The Assignor shall cooperate with the Assignee to make such filings and recordings with United States and foreign authorities respect to Trademarks registered in such jurisdictions as are required or requested to carry out this Assignment with respect to such Trademarks.

3. Title to Trademarks. The Assignor represents and warrants that (a) it is the sole and exclusive owner of the entire right, title and interest in and to the Trademarks, free and clear of any liens, security interests or other encumbrances; (b) it has the full right and authority to execute this Assignment

and to assign to the Assignee the rights assigned herein; and (c) it has not executed, and will not execute, any agreement or other instrument in conflict herewith.

4. Further Cooperation. The Assignor agrees, promptly upon the written request of the Assignee, to execute and deliver such other or further documents or instruments and to take or cause to be taken such other or further actions as may be necessary to secure to the Assignee or its successors or assigns the rights in the Trademarks hereby transferred, including without limitation any affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation under the laws of any jurisdiction requested for (a) the preparation and prosecution of any application for registration or renewal of a registration relating to any of the rights assigned herein; (b) the prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the rights assigned herein; (c) the obtaining of any additional protection relating to rights assigned herein that the Assignee reasonably may deem appropriate and that may be secured under the laws now or hereafter in effect in the United States and any application foreign jurisdiction; (d) the implementation or perfection of this Assignment; and (e) the taking of any steps required by the current procedures promulgated by registration authorities in the jurisdictions listed on Exhibit A.

5. General Provisions. This Assignment may be amended, modified or supplemented only by written agreement of the parties. This Assignment shall be binding upon, and inure to the benefit of, the parties and their respective successors in interest and permitted assigns. This Assignment may be executed in counterpart, each which shall be considered one and the same agreement, and may be executed and delivered by facsimile and other electronic means.

6. Governing Law. This Assignment shall be construed, governed by, and enforced in accordance with the laws of the State of California.

[signature page follows]

IN WITNESS WHEREOF, each party has executed this Assignment of Trademarks by its duly authorized representative to be effective as of the Effective Date set forth above.
