TRADEMARK SECURITY AGREEMENT

(TRADEMARKS, TRADEMARK REGISTRATIONS AND TRADEMARK
APPLICATIONS)

August 5, 2013

WHEREAS, NextSource Inc. (herein called "Grantor") owns certain Trademarks (as defined below); and

WHEREAS, NextSource Inc., a Delaware corporation ("NextSource"), Multiple Listing Staffing Association, LLC, a Delaware limited liability company ("MLSA"), tempSource, Inc., a Delaware corporation ("tempSource" and together with NextSource and MLSA, each a "Borrower", and, collectively, the "Borrowers"), NextSource Acquisition Corp., a Delaware corporation ("Holdings"), The Prudential Insurance Company of America, as Administrative Agent (in such capacity, the "Administrative Agent" or "Grantee"), and the lenders from time to time parties thereto have entered into a Credit Agreement, dated as of August 5, 2013 (as from time to time amended, supplemented, restated, increased, extended or otherwise modified, the "Credit Agreement"); and

WHEREAS, pursuant to the terms of the Security Agreement dated as of August 5, 2013 made by Grantor and certain affiliates of Grantor (as from time to time amended, supplemented, restated or otherwise modified, the "Security Agreement"), Grantor has granted to Grantee for the benefit of the Secured Parties (as defined in the Credit Agreement) a continuing security interest in various assets of Grantor, including all right, title and interest of Grantor in and to the Trademark Collateral (as defined herein), whether now owned or existing or hereafter acquired or arising, to secure the Secured Obligations (as such term is defined in the Credit Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor hereby pledges and assigns to Grantee and grants to Grantee a continuing security interest, for the benefit of the Secured Parties, in and to all of Grantor's right, title and interest in and to all of the following property (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter acquired or arising, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of the Secured Obligations, whether now existing or hereafter incurred or arising:

(a) each Trademark in which Grantor has any interest, and all of the goodwill of the business connected with the use of, or symbolized by, each such Trademark; and

(b) all proceeds of and revenues from the foregoing, including without limitation all proceeds of and revenues from any claim by Grantor against third parties for past, present or future unfair competition with, or violation of intellectual property rights in

connection with or injury to, or infringement or dilution of, any Trademark, or for injury to the goodwill associated with any of the foregoing.

provided, notwithstanding anything to the contrary contained in clauses (a) or (b) above, the security interest created by this Agreement shall not extend to, and the term "Trademark Collateral" shall not include any United States intent-to-use trademark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use trademark applications under applicable federal law, provided that upon submission and acceptance by the United States Patent and Trademark Office of an amendment to allege use pursuant to 15 U.S.C. Section 1060(a) (or any successor provision), such intent-to-use trademark application shall be considered a Trademark..

As used herein:

"Trademarks" means all of the following: (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, brand names, trade dress, prints and labels on which any of the foregoing have appeared or appear, package and other designs, and any other source or business identifiers, and the rights in any of the foregoing which arise under applicable law, (b) the goodwill of the business symbolized thereby or associated with each of them, (c) all registrations and applications in connection therewith, including registrations and applications in the United States Patent and Trademark Office, including those described in Schedule 1 hereto, (d) all reissues, extensions and renewals thereof, (e) all claims for, and rights to sue for, past or future infringements of any of the foregoing and (f) all income, royalties, damages and payments now or hereafter due or payable with respect to any of the foregoing, including damages and payments for past or future infringements thereof.

Grantor hereby irrevocably constitutes and appoints Grantee and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of Grantor or in its name, from time to time, in Grantee's discretion, so long as any Event of Default (as such term is defined in the Credit Agreement) has occurred and is continuing, to take with respect to the Trademark Collateral any and all appropriate action which Grantor might take with respect to the Trademark Collateral and to execute any and all documents and instruments which may be necessary to carry out the terms of this Trademark Security Agreement and to accomplish the purposes hereof.

This security interest is granted in conjunction with the security interests granted to Grantee pursuant to the Security Agreement. Grantor does hereby further acknowledge and affirm that the rights and remedies of Grantee with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER AND THE INTERPRETATION OF THIS AGREEMENT SHALL BE GOVERNED BY THE LAWS OF THE STATE OF NEW YORK (WITHOUT REGARD TO THE PRINCIPLES OF CONFLICTS OF LAW THAT WOULD REQUIRE THE

APPLICATION OF THE LAWS OF ANY OTHER JURISDICTION) APPLICABLE TO CONTRACTS EXECUTED AND TO BE PERFORMED IN SUCH STATE, EXCEPT TO THE EXTENT THAT THE PERFECTION AND THE EFFECT OF PERFECTION OR NON-PERFECTION OF THE SECURITY INTEREST CREATED HEREBY, IN RESPECT OF ANY PARTICULAR COLLATERAL, ARE GOVERNED BY THE LAWS OF A JURISDICTION OTHER THAN THE STATE OF NEW YORK. THIS CHOICE OF LAW IS MADE PURSUANT TO NEW YORK GENERAL OBLIGATIONS LAW SECTION 5-1401.

(Remainder of Page Intentionally Left Blank; Signature Pages Follow)

IN WITNESS WHEREOF, Grantor has caused this Trademark Security Agreement to be duly executed by its officer thereunto duly authorized as of the date first above written.
