CONFIRMATION OF RELEASE OF SECURITY INTEREST

BMO Harris Bank National Association, successor-in-interest to Harris Trust and Savings Bank ("Harris"), hereby confirms the following:

1. Florists' Transworld Delivery, Inc. ("FTDI") granted to Harris a security interest in certain trademark registrations and applications in a document dated September 27, 2001 (hereinafter referred to as the "Security Interest"; copy attached as Exhibit 1). Schedule A-1 to the Security Interest lists all registrations and applications to which it pertained.

2. The Security Interest was recorded with the United States Patent and Trademark Office's ("USPTO") Assignment Division ("the Assignment Division") on October 2, 2001 at Reel/Frame Nos. 002418/0748.

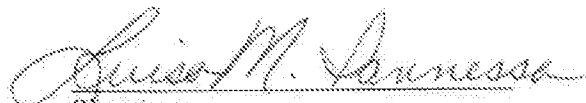

3. Harris released the Security Interest in an agreement dated February 24, 2004 (hereinafter referred to as the "Release"), and submitted the Release to the Assignment Division for recordation on or about March 2, 2004. It is believed that the Assignment Division misplaced the Release after it was filed for recordation, and neither Harris nor FTDI has been able to locate a copy of the Release as executed.

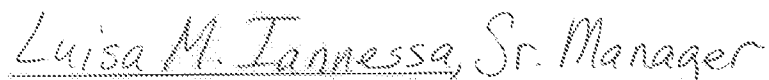

4. The Release as originally filed on or about March 2, 2004 was not recorded by the Assignment Division. Harris later recorded a cover letter and the schedule of trademark applications and registrations to be released with the Assignment Division on September 10, 2004 at Reel/Frame Nos. 003047/0215.

5. The USPTO made a number of data entry errors in the recordation at Reel/Frame Nos. 003047/0215. When the errors were brought to its attention, the USPTO deleted the filing at Reel/Frame Nos. 003047/0215 from its assignment records.

6. The Release encompassed all trademark registrations and applications that were the subject of the Security Interest, including all registrations and applications set forth in Schedule A-1 to the Security Interest.

TRADEMARK COLLATERAL AGREEMENT

This 27th day of September, 2001, Florists' Transworld Delivery, Inc., a Michigan corporation ("*Debtor*") with its principal place of business and mailing address at 3113 Woodcreek Drive, Downers Grove, Illinois 60515, in consideration of ten dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, assigns, mortgages and pledges to Harris Trust and Savings Bank, an Illinois banking corporation ("*HTSB*") with its mailing address at 111 West Monroe Street, Chicago, Illinois 60603, acting as administrative agent hereunder for the Secured Creditors defined in that certain Security Agreement hereinafter defined (HTSB acting as such administrative agent and any successor or successors to HTSB acting in such capacity being hereinafter referred to as "*Agent*"), and grants to Agent a continuing security interest in, the following property:

(i) Each trademark, trademark registration and trademark application listed on Schedule A-1 hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each such trademark, trademark registration and trademark application; and

(ii) Each trademark license listed on Schedule A-2 hereto and all royalties and other sums due or to become due under or in respect of each such trademark license, together with the right to sue for and collect all such royalties and other sums; and

(iii) All proceeds of the foregoing, including without limitation any claim by Debtor against third parties for damages by reason of past, present or future infringement of any trademark or trademark registration listed on Schedule A-1 hereto or of any trademark licensed under a trademark license listed on Schedule A-2 or by reason of injury to the goodwill associated with any such trademark, trademark registration or trademark license, in each case together with the right to sue for and collect said damages;

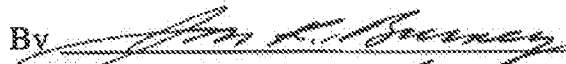

to secure performance of all Obligations of the Debtors as set out in that certain Security Agreement bearing even date herewith between the Debtors and Agent (the "*Security Agreement*").

Notwithstanding anything herein to the contrary, this Trademark Collateral Agreement shall not operate as a sale, transfer, conveyance or other assignment to Agent of any applications by Debtor for a Trademark based on an intent to use the same if and so long as such application is pending without a Statement of Use having been filed and accepted (such pending applications which are based on intent to use being hereinafter referred to collectively as "*Intent-To-Use Applications*"), but rather, if and so long as Debtor's Intent-To-Use Application is pending without a Statement of Use having been filed and accepted, then this Trademark Collateral Agreement shall operate only to create a security interest for collateral purposes in favor of Agent on such Intent-To-Use Application as collateral security for the Obligations. When a Statement of Use is filed and accepted by the Trademark Office, then that application shall cease to be partly exempted from this Agreement.

Debtor does hereby further acknowledge and affirm that the rights and remedies of Agent with respect to the assignment, mortgage, pledge and security interest in the trademarks, trademark registrations, trademark applications and trademark licenses made and granted hereby are more fully set forth in the Security Agreement.

IN WITNESS WHEREOF, Debtor has caused this Trademark Collateral Agreement to be duly executed as of the date and year last above written.
