RELEASE OF INTELLECTUAL PROPERTY SECURITY INTERESTS

This Release of Intellectual Property Security Interests (this "Release") is granted and conveyed as of July 25, 2013 by WELLS FARGO CAPITAL FINANCE, LLC, a Delaware limited liability company ("WFCF"), in its capacity as agent for the Lender Group and the Bank Product Providers (in such capacity, together with its successors and assigns in such capacity, "Assignor"), in favor of Teletrac, Inc., a Delaware corporation ("Assignee").

WHEREAS, the Assignor and Assignee's parent company Teletrac Ltd, a company incorporated under the laws of England and Wales (f/k/a Vector Capital Limited) are parties to a Credit Agreement dated June 2, 2010 (the "2010 Credit Agreement") and an Amended and Restated Credit Agreement dated July 23, 2012 (the "2012 Credit Agreement" and collectively, with the 2010 Credit Agreement, the "Credit Agreements").

WHEREAS, pursuant to the 2010 Credit Agreement, Assignor and Assignee entered into the Copyright Security Agreement dated October 4, 2010 ("2010 Copyright Security Agreement") wherein Assignee assigned to Assignor a security interest in the Copyright Collateral (as defined in the 2010 Copyright Security Agreement), including the items listed on the attached Exhibit A ("2010 Copyrights").

WHEREAS, pursuant to such Credit Agreements, Assignor and Assignee entered into that additional Copyright Security Agreement dated as of July 23, 2012 (the "2012 Copyright Security Agreement") wherein Assignee assigned to Assignor a security interest in the Copyright Collateral (as defined in the 2012 Copyright Security Agreement), including the additional items listed on the attached Exhibit A ("2012 Copyrights").

WHEREAS, pursuant to such Credit Agreements, Assignor and Assignee entered into that Trademark Security Agreement dated as of July 23, 2012 ("Trademark Security Agreement") wherein Assignee assigned to Assignor a security interest in the Trademark Collateral (as defined in the Trademark Security Agreement; the Trademark Collateral and the Copyright Collateral (as defined in the 2010 Copyright Security Agreement and the 2012 Copyright Security Agreement) are hereby collectively referred to as the "IP Collateral"), including the items listed on the attached Exhibit B ("Trademarks").

WHEREAS, the United States Copyright Office recorded the 2010 Copyright Security Agreement against the 2010 Copyrights on December 3, 2010 at V3597D303.

WHEREAS, the United States Patent and Trademark Office recorded the Trademark Security Agreement against the Trademarks on July 23, 2012 at Reel/Frame 4827/0617.

WHEREAS, the 2012 Copyright Security Agreement was filed with the United States Copyright Office on February 26, 2012 but has not yet been recorded and/or indexed in the on-line records of such office.

WHEREAS, Assignee has satisfied all of its outstanding obligations under the Security Agreement between the parties hereto and certain other parties dated August 3, 2010 and the Amended and Restated Security Agreement between the parties hereto and certain other parties dated July 23, 2012 (collectively, the "Security Agreement"), and the parties hereto seek to make a record of Assignor's

Release_of_IP_Security_Interests.DOCX

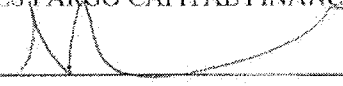

release and assignment to Assignee of any and all of the rights it may have in the Assignee's Intellectual Property (as defined in the Security Agreement), including the IP Collateral.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which the parties hereto acknowledge, Assignor hereby (1) releases, discharges and relinquishes, as of the date hereof, its security interests in the Assignee's Intellectual Property, including the IP Collateral, and (2) assigns to Assignee any and all of the rights, title and interest it may have in the Assignee's Intellectual Property, including the IP Collateral. Assignor hereby specifically acknowledges that the Security Agreement is no longer effective and that it does not own any rights to or have any ownership interest in the Assignee's Intellectual Property, including the IP Collateral, and all of its rights and remedies with respect to the Assignee's Intellectual Property, including the IP Collateral, have been and are hereby extinguished.

The Assignor shall take all further actions, and provide to the Assignee and its successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of any and all documents or other instruments), at the sole cost and expense of the Assignee, reasonably requested by the Assignee to more fully and effectively effectuate the purposes of this Release.
