- (7) **THE ROYAL BANK OF SCOTLAND PLC**, a company existing under the laws of Scotland, having its registered office at 36 St Andrew Square, Edinburgh, EH2 2YB United Kingdom with registration number 90312 as secured creditor (the **Security Agent**).

**BACKGROUND:**

- (A) The Security Providers enter into this Deed in connection with the Credit Agreement (as defined below).
- (B) Under the Intercreditor Agreement (as defined below), the Security Agent is the creditor under the parallel debt undertaking in respect of all amounts owed by the Debtors to each Senior Secured Party under the Senior Debt Documents (each as defined in the Intercreditor Agreement).

**IT IS AGREED** as follows:

**1. INTERPRETATION**

**1.1 Definitions**

In this Deed:

**Credit Agreement** means the EUR 1,100,000,000 senior facility agreement originally dated 30 November 2010 between (among others) VION Holding N.V. and the Security Agent as amended and restated on or about 2 October 2012 by the Amendment and Restatement Agreement.

**Default Notice** means a notice from the Security Agent to a Security Provider specifying an Event of Default.

**Event of Default** has the meaning given to that term in the Credit Agreement.

**Intercreditor Agreement** has the meaning given to that term in the Credit Agreement.

**Intellectual Property Right** means:

(a) an intellectual property right specified in Schedule 1 (Security Assets) under the heading **Intellectual Property Rights**; and

(b) any other present or future trademark to which a Security Provider is or will become entitled,

and, in each case, whether or not registered and including any present or future application for registration.

**Material Intellectual Property Right** means:

(a) any Intellectual Property Right identified as a material intellectual property right in Schedule 1 (Security Assets) under the heading **Intellectual Property Rights** subheading **Material Intellectual Property Rights**; and

(b) any other Intellectual Property Right notified as material to the Security Provider by the Security Agent.

**Secured Liabilities** means each Senior Security Agent Claim as defined in clause 14.2 of the Intercreditor Agreement, provided that the Secured Liabilities do not include any liability or obligation to the extent that it (if it were included) would result in this Deed contravening any law on financial assistance. The Secured Liabilities shall extend from time to time to any (however fundamental) amendment, supplement, novation, variation, increase, extension (whether of maturity or otherwise), restatement, re-enactment, replacement, change in purpose of, or addition of or to any of the Senior Debt Documents (including the designation of any document as a Senior Debt Document) and/or any facility or amount made available under any of the Senior Debt Documents.

**Security** means any security created by this Deed.

**Security Assets** means all assets of a Security Provider the subject of this Security.

**Security Period** means the period beginning on the date of this Deed and ending on the date on which all the Secured Liabilities have been unconditionally and irrevocably paid and discharged in full.

**Supplemental List** means a supplemental list to this Deed signed by a Security Provider specifying a Security Provider's Intellectual Property Rights, in addition to the Intellectual Property Rights specified in (i) Schedule 1 (Security Assets) under the heading **Intellectual Property Rights** or (ii) a Supplemental List, substantially in the form of Schedule 2 (Form of Supplemental List).

## **1.2 Construction**

- (a) Capitalised terms defined in the Intercreditor Agreement have, unless expressly defined in this Deed, the same meaning in this Deed.
- (b) The principles of construction set out in the Intercreditor Agreement will have effect as if set out in this Deed.
- (c) Any obligation of a Security Provider under this Deed (other than a payment obligation) remains in force during the Security Period.

## **2. CREATION OF SECURITY**

### **2.1 Security interest**

Each Security Provider agrees to pledge and pledges to the Security Agent all its Intellectual Property Rights except any Intellectual Property Right which is personal to it or not capable of being pledged.

### **2.2 Future assets**

Each Security Provider must supply the Security Agent with a Supplemental List at least once a month, or as often as the Security Agent may determine, unless no change has occurred in a Security Provider's Intellectual Property Rights.

### **2.3 General**

- (a) All the security created under this Deed:
  - (i) is security for the payment of all the Secured Liabilities; and
  - (ii) is in addition to, and not in any way prejudiced by, any other security now or subsequently held by any Senior Secured Party.
- (b) If any discharge (whether in respect of this Security, the obligations of a Security Provider, any other Secured Liability or any security for those obligations or otherwise) or arrangement is made in whole or in part on the faith of any payment, security or other disposition which is avoided or must be restored on bankruptcy, insolvency, liquidation, moratorium or otherwise without limitation, this Security, and the obligations of the relevant Security Provider under this Deed, will continue, to the extent permitted under applicable law, as if the discharge or arrangement had not occurred.
- (c) The Security Agent accepts each pledge created under this Deed.
- (d) The Security Agent does not hold the Security on trust for the Senior Secured Parties or any other person or otherwise as the property of any other person.

### **3. SPECIAL STEPS FOR EACH SECURITY ASSET AND FURTHER ASSURANCES**

#### **3.1 Creation – special steps for Intellectual Property Rights**

- (a) In particular, but without limiting the other terms of this Clause, for each Material Intellectual Property Right subject to a pledge under this Deed, the relevant Security Provider must:
- (i) submit this Deed for registration in each relevant intellectual property register no later than 10 Business Days after the date of this Deed;
  - (ii) submit any applicable Supplemental List for registration in each relevant intellectual property register no later than 5 Business Days after the date of each applicable Supplemental List; and
  - (iii) in each case, deliver evidence of the submission for registration to the Security Agent on the date thereof and deliver evidence of registration to the Security Agent promptly after receipt thereof.
- (b) If an intellectual property registry does not allow for the registration of this Deed and any applicable Supplemental List, the relevant Security Provider need not attempt to make the registration required under this Clause at that registry.
- (c) Once that registry allows the registration of this Deed and any applicable Supplemental List, each relevant Security Provider must:
- (i) promptly submit this Deed and any applicable Supplemental List for registration in that registry; and
  - (ii) deliver evidence of the submission for registration to the Security Agent on the date thereof and deliver evidence of the registration promptly after receipt thereof.

#### **3.2 General**

Each Security Provider must take, at its own cost and expense, promptly, and in any event within any applicable time limit:

- (a) whatever action is necessary; and
- (b) any action which the Security Agent may require,

to ensure that this Security is, and will continue to be, a validly created and enforceable first priority pledge over the Security Assets.

This includes the giving of any notice, order or direction, the making of any registration and ensuring the passing of any resolution which the Security Agent may think expedient.

#### **3.3 Power of attorney**

- (a) Each Security Provider appoints, with the right of substitution, the Security Agent to be its attorney by an irrevocable power of attorney, to, on its behalf, perform all acts and execute all documents in order to perfect the Security or implement this Deed and after an Event of Default has occurred, to take any action which the relevant Security Provider must take under this Deed and which is necessary for the Security Agent to create, maintain and exercise its rights under this Deed. Each

Security Provider ratifies and confirms whatever any attorney purports to do under its appointment under this Subclause.

- (b) Notwithstanding any conflict of interest as contemplated by Section 3:68 of the Dutch Civil Code, the Security Agent is authorised to act under the appointment made in paragraph (a) above.

### **3.4 Further assurances**

Each Security Provider must, at its own cost and expense, promptly, and in any event within any applicable time limit, take whatever action the Security Agent may require for:

- (a) protecting any security intended to be created by this Deed; or
- (b) facilitating the enforcement of this Security, or the exercise of any right, power or discretion exercisable, by the Security Agent or any of its delegates or sub-delegates in respect of any Security Asset; or
- (c) facilitating the assignment of the Security Agent's rights or transfer of its legal relationship under this Deed.

This includes any registration at any public registry, the execution of any transfer, assignment or assurance of any asset and whether to the Security Agent or its nominee, which the Security Agent may think expedient.

### **3.5 Registration Material Intellectual Property Rights by Rousselot B.V.**

Rousselot B.V. must, at its own cost and expense, ensure that the Intellectual Property Rights transferred to it by Rousselot SAS (formerly named Sobel France SAS) are promptly registered in its name in any relevant intellectual property register.

## **4. PRESERVATION OF SECURITY**

### **4.1 Waiver of defences**

Neither this Security nor the obligations of a Security Provider under this Deed will be affected by any act, omission or thing which, but for this provision, would reduce, release or prejudice this Security or any of its obligations under this Deed (whether or not known to it or any Senior Secured Party). This includes:

- (a) any time or waiver granted to, or composition with, any person;
- (b) any release of any person under the terms of any composition or arrangement;
- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person;
- (d) any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (f) any transfer by a person of any of the Secured Liabilities;

- (g) any amendment (however fundamental) of a Senior Debt Document or any other document or security;
- (h) any unenforceability, illegality, invalidity or non-provability of any obligation of any person under any Senior Debt Document or any other document or security; or
- (i) any insolvency or similar proceedings.

#### **4.2 Immediate recourse**

Each Security Provider waives any right it may have of first requiring the Security Agent or any other Senior Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other right or security or claim payment from any person before enforcing any Security, including under Section 3:234 of the Dutch Civil Code.

#### **4.3 Appropriations**

Until the expiry of the Security Period, each Senior Secured Party (or any trustee or agent on its behalf) may, without affecting either this Security or the liability of a Security Provider under this Deed:

- (a)
  - (i) refrain from applying or enforcing any other moneys, security or rights held or received by that Senior Secured Party (or any trustee or agent on its behalf) in respect of the Secured Liabilities; or
  - (ii) apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise); and
- (b) hold in an interest-bearing suspense account any moneys received from a Security Provider or on account of a Security Provider's liability under this Deed.

#### **4.4 Non-competition**

Each Security Provider:

- (a) waives any right of subrogation, recourse, contribution or indemnity to which it may be entitled, in respect of any payment made to or moneys received by the Security Agent or any other Senior Secured Party as proceeds of the enforcement of this Security;
- (b) will not claim or vote as a creditor of any Debtor or its estate in competition with any Senior Secured Party (or any trustee or agent on its behalf); and
- (c) will not receive, claim or have the benefit of any payment, distribution or security from or on account of any Debtor, or exercise any right of set-off as against any Debtor.

Each Security Provider must immediately pay or transfer to the Security Agent any payment or distribution or benefit of security received by it contrary to this Subclause or as otherwise directed by the Security Agent under this Subclause.

### **5. REPRESENTATIONS**

The representations and warranties set out in this Clause are made by each Security Provider to the Security Agent.

## **5.1 Security representations and warranties**

### **(a) Nature of security**

This Deed creates those pledges it purports to create and is not liable to be amended or otherwise set aside on its liquidation, administration, dissolution or otherwise.

### **(b) Title**

It is authorised to create the Security and it has full and exclusive title to each of the Security Assets (other than those Security Assets where registration in the relevant intellectual property register is a constitutive requirement to have title to such Security Asset), free of any Security (except for those created under this Deed or under the Subordinated Security Documents) and any other right in favour of any other person.

### **(c) Ranking**

Each pledge created under this Deed has first priority in relation to all claims of any person to a Security Asset.

## **5.2 Times for making representations**

(a) The representations set out in this Deed are made on the date on which the Security is created under this Deed in respect of all Security Assets pledged under Clause 2.1 (Security interest).

(b) Unless a representation is expressed to be given on a specific date, each representation under this Deed is deemed to be repeated by the relevant Security Provider during the Security Period on each date:

- (i) required under clause 19.24 (Repetition) of the Credit Agreement; and
- (ii) upon which that Security Provider acquires a Security Asset.

(c) When a representation or warranty is deemed to be repeated, it is applied to the circumstances existing at the time of repetition.

## **6. RESTRICTIONS ON DEALINGS**

### **6.1 No other Security Interests**

No Security Provider may create or permit to subsist any Security on any Security Asset (except this Security or the security interests created under the Subordinated Security Documents).

### **6.2 Other restrictions**

No Security Provider may:

- (a) sell, transfer or otherwise dispose of any Security Asset;
- (b) waive, amend or terminate, in whole or in part, any accessory or ancillary right or other right in respect of any Security Asset; or
- (c) take any action which would result in a reduction in the value, or might jeopardise the existence or enforceability, of any Security Asset or the Security,

except as expressly allowed, in each case, under the Credit Agreement or under this Deed.

## **7. INTELLECTUAL PROPERTY RIGHTS**

### **7.1 Representations and warranties – Intellectual Property Rights**

Each Security Provider represents and warrants to the Security Agent that:

- (a) the Intellectual Property Rights owned by it are all of the material intellectual property rights required by it in order for it to carry on its business as it is now being conducted;
- (b) it does not, in carrying on its business, infringe any intellectual property rights of any third party; and
- (c) to the best of its knowledge (after due and careful enquiry), no Intellectual Property Right owned by it is being infringed, nor is there any threatened infringement of any such Intellectual Property Right.

### **7.2 Preservation**

- (a) Each Security Provider must keep each of its Intellectual Property Rights required for its business duly registered.
- (b) Each Security Provider must ensure that, except with the prior consent of the Security Agent, none of its Material Intellectual Property Rights is abandoned or cancelled, lapses or is liable to any claim of abandonment for non-use or otherwise.

### **7.3 Registration**

- (a) If an Event of Default occurs, the Security Provider must immediately submit for registration at the relevant intellectual property register the pledge created under this Deed in respect of each Intellectual Property Right which is not then registered.
- (b) Each Security Provider must deliver evidence of each submission for registration to the Security Agent on the date thereof and deliver evidence of the registration to the Security Agent promptly upon receipt thereof.

## **8. WHEN SECURITY BECOMES ENFORCEABLE**

This Security will become immediately enforceable if:

- (a) an Event of Default occurs and is continuing; and
- (b) there is a default (*verzuim*) in the performance of any of the Secured Liabilities.

## **9. ENFORCEMENT OF SECURITY**

### **9.1 General**

- (a) After this Security has become enforceable, the Security Agent may immediately, in its absolute discretion, exercise any right under:
  - (i) applicable law; or
  - (ii) this Deed,

to enforce all or any part of the Security in respect of any Security Asset as directed in accordance with the Intercreditor Agreement or as the Majority Senior Lenders may direct.

- (b) In particular, without any further consent or authority on the part of a Security Provider and irrespective of any direction given by it, the Security Agent may to the extent permitted by applicable law:
  - (i) sell any Security Asset, in whole or in part;
  - (ii) give notice to any person in connection with enforcing this Security;
  - (iii) seize, collect or claim all amounts payable in respect of any Security Asset; or
  - (iv) enforce any Security Asset by way of proceedings or otherwise.

## 9.2 Sale

- (a) The Security Agent need not give notice of a sale in respect of any Security Asset to:
  - (i) any Security Provider;
  - (ii) any Debtor;
  - (iii) any holder of a limited right *in rem* (*beperkt recht*); or
  - (iv) any person who has made an attachment (*beslag*) on a Security Asset,as referred to in Sections 3:249 and 3:252 of the Dutch Civil Code.
- (b) Each Security Provider waives its right to file a request with any relevant district court for a sale of any Security Asset in a manner which deviates from a public auction as referred to in Section 3:251 (1) of the Dutch Civil Code.

## 9.3 Scope of Obligations

The Security Agent:

- (a) may not be held liable for any action taken, or not taken, in connection with collecting any receivable or enforcing any Security Asset or this Security except for any loss caused directly by its own wilful misconduct or gross negligence;
- (b) may not be held liable for, and need not make, any payment under any Security Asset except for any loss caused directly by its own wilful misconduct or gross negligence;
- (c) need not make any enquiries as to the nature or sufficiency of any payment received in respect of a Security Asset;
- (d) need not perform any obligation of a Security Provider; and
- (e) need not present or file any claim or take any other action to collect or enforce the payment of any amount to which it may be entitled under this Deed.

#### **9.4 Receipts after a Default**

If, after a Default Notice has been delivered, a Security Provider receives any proceeds relating to a Security Asset, it must immediately transfer an amount equal to those proceeds to the Security Agent, if the Security Agent so directs. This is without prejudice to any right the Security Agent may have against the person who made that payment.

#### **9.5 Contingencies**

- (a) Without prejudice to any other right the Security Agent may have, if the proceeds of enforcement of this Security are received at a time when no amount is due under the Senior Debt Documents but at a time when amounts may or will become due, the Security Agent may pay the proceeds of any recoveries effected by it into a designated suspense account.
- (b) If the bank at which the security account is held is the Security Agent, it may exercise any right of set-off it may have in respect of the Secured Liabilities against any amount standing to the credit of the relevant designated suspense account.

#### **10. DELEGATION**

- (a) The Security Agent may delegate by power of attorney to any Affiliate or in any other manner to any Affiliate any right, power or discretion exercisable by it under or in connection with this Deed.
- (b) Any such delegation may be made upon any terms (including power to sub-delegate or with a right of substitution) which the Security Agent may think fit.
- (c) The Security Agent will not be in any way liable or responsible to any Security Provider for any loss or liability arising from any act, default, omission or misconduct on the part of any delegate or sub-delegate except for any loss or liability caused directly by wilful misconduct or gross negligence of such delegate or sub-delegate.

#### **11. EVIDENCE AND CALCULATIONS**

In the absence of manifest error, the records of the Security Agent are conclusive evidence (*dwingend bewijs*) of the existence and the amount of the Secured Liabilities.

#### **12. CHANGES TO THE PARTIES**

##### **12.1 Security Providers**

No Security Provider may assign or transfer any of its rights or obligations under this Deed without the consent of the Majority Senior Lenders.

##### **12.2 Security Agent**

**Security Period** means the period beginning on the date of this Deed and ending on the date on which all the Secured Liabilities have been unconditionally and irrevocably paid and discharged in full.

**Subordinated Facility Agreement** means the EUR 150,000,000 subordinated facility agreement dated 2 October 2012 between (among others) VION Holding N.V. and the Security Agent as amended and restated from time to time.

**Supplemental List** means a supplemental list to this Deed signed by a Security Provider specifying a Security Provider's Intellectual Property Rights, in addition to the Intellectual Property Rights specified in (i) Schedule 1 (Security Assets) under the heading **Intellectual Property Rights** or (ii) a Supplemental List, substantially in the form of Schedule 2 (Form of Supplemental List).

## 1.2 Construction

- (a) Capitalised terms defined in the Intercreditor Agreement have, unless expressly defined in this Deed, the same meaning in this Deed.
- (b) The principles of construction set out in the Intercreditor Agreement will have effect as if set out in this Deed.
- (c) Any obligation of a Security Provider under this Deed (other than a payment obligation) remains in force during the Security Period.

## 2. CREATION OF SECURITY

### 2.1 Security interest

Each Security Provider agrees to pledge and pledges to the Security Agent all its Intellectual Property Rights except any Intellectual Property Right which is personal to it or not capable of being pledged, subject to the First Ranking Deed.

### 2.2 Future assets

Each Security Provider must supply the Security Agent with a Supplemental List at least once a month, or as often as the Security Agent may determine, unless no change has occurred in a Security Provider's Intellectual Property Rights.

### 2.3 General

- (a) All the security created under this Deed:
  - (i) is security for the payment of all the Secured Liabilities; and
  - (ii) is in addition to, and not in any way prejudiced by, any other security now or subsequently held by any Subordinated Secured Party.
- (b) If any discharge (whether in respect of this Security, the obligations of a Security Provider, any other Secured Liability or any security for those obligations or otherwise) or arrangement is made in whole or in part on the faith of any payment, security or other disposition which is avoided or must be restored on bankruptcy, insolvency, liquidation, moratorium or otherwise without limitation, this

Security, and the obligations of the relevant Security Provider under this Deed, will continue, to the extent permitted under applicable law, as if the discharge or arrangement had not occurred.

- (c) The Security Agent accepts each pledge created under this Deed.
- (d) The Security Agent does not hold the Security on trust for the Subordinated Secured Parties or any other person or otherwise as the property of any other person.

### **3. SPECIAL STEPS FOR EACH SECURITY ASSET AND FURTHER ASSURANCES**

#### **3.1 Creation – special steps for Intellectual Property Rights**

- (a) In particular, but without limiting the other terms of this Clause, for each Material Intellectual Property Right subject to a pledge under this Deed, the relevant Security Provider must:
  - (i) submit this Deed for registration in each relevant intellectual property register no later than 10 Business Days after the date of this Deed (after registration of pledge has been submitted in respect of the first ranking pledge created or to be created pursuant to the First Ranking Deed);
  - (ii) submit any applicable Supplemental List for registration in each relevant intellectual property register no later than 5 Business Days after the date of each applicable Supplemental List (after registration of pledge has been submitted in respect of the first ranking pledge created or to be created pursuant to the First Ranking Deed); and
  - (iii) in each case, deliver evidence of the submission for registration to the Security Agent on the date thereof and deliver evidence of registration to the Security Agent promptly after receipt thereof.
- (b) If an intellectual property registry does not allow for the registration of this Deed and any applicable Supplemental List, the relevant Security Provider need not attempt to make the registration required under this Clause at that registry.
- (c) Once that registry allows the registration of this Deed and any applicable Supplemental List, each relevant Security Provider must:
  - (i) promptly submit this Deed and any applicable Supplemental List for registration in that registry; and
  - (ii) deliver evidence of the submission for registration to the Security Agent on the date thereof and deliver evidence of the registration promptly after receipt thereof.

#### **3.2 General**

Each Security Provider must take, at its own cost and expense, promptly, and in any event within any applicable time limit:

- (a) whatever action is necessary; and
- (b) any action which the Security Agent may require,

to ensure that this Security is, and will continue to be, a validly created and enforceable pledge over the Security Assets.

This includes the giving of any notice, order or direction, the making of any registration and ensuring the passing of any resolution which the Security Agent may think expedient.

### **3.3 Power of attorney**

- (a) Each Security Provider appoints, with the right of substitution, the Security Agent to be its attorney by an irrevocable power of attorney, to, on its behalf, perform all acts and execute all documents in order to perfect the Security or implement this Deed and after an Event of Default has occurred, to take any action which the relevant Security Provider must take under this Deed and which is necessary for the Security Agent to create, maintain and exercise its rights under this Deed. Each Security Provider ratifies and confirms whatever any attorney purports to do under its appointment under this Subclause.
- (b) Notwithstanding any conflict of interest as contemplated by Section 3:68 of the Dutch Civil Code, the Security Agent is authorised to act under the appointment made in paragraph (a) above.

### **3.4 Further assurances**

Each Security Provider must, at its own cost and expense, promptly, and in any event within any applicable time limit, take whatever action the Security Agent may require for:

- (a) protecting any security intended to be created by this Deed; or
- (b) facilitating the enforcement of this Security, or the exercise of any right, power or discretion exercisable, by the Security Agent or any of its delegates or sub-delegates in respect of any Security Asset; or
- (c) facilitating the assignment of the Security Agent's rights or transfer of its legal relationship under this Deed.

This includes any registration at any public registry, the execution of any transfer, assignment or assurance of any asset and whether to the Security Agent or its nominee, which the Security Agent may think expedient.

### **3.5 Registration Material Intellectual Property Rights by Rousselot B.V.**

Rousselot B.V. must, at its own cost and expense, ensure that the Intellectual Property Rights transferred to it by Rousselot SAS (formerly named Sobel France SAS) are promptly registered in its name in any relevant intellectual property register.

## **4. PRESERVATION OF SECURITY**

### **4.1 Waiver of defences**

Neither this Security nor the obligations of a Security Provider under this Deed will be affected by any act, omission or thing which, but for this provision, would reduce, release or prejudice this Security or any of its obligations under this Deed (whether or not known to it or any Subordinated Secured Party). This includes:

- (a) any time or waiver granted to, or composition with, any person;
- (b) any release of any person under the terms of any composition or arrangement;

- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any person;
- (d) any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (e) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any person;
- (f) any transfer by a person of any of the Secured Liabilities;
- (g) any amendment (however fundamental) of a Subordinated Debt Document or any other document or security;
- (h) any unenforceability, illegality, invalidity or non-provability of any obligation of any person under any Subordinated Debt Document or any other document or security; or
- (i) any insolvency or similar proceedings.

#### **4.2 Immediate recourse**

Each Security Provider waives any right it may have of first requiring the Security Agent or any other Subordinated Secured Party (or any trustee or agent on its behalf) to proceed against or enforce any other right or security or claim payment from any person before enforcing any Security, including under Section 3:234 of the Dutch Civil Code.

#### **4.3 Appropriations**

Until the expiry of the Security Period, each Subordinated Secured Party (or any trustee or agent on its behalf) may, without affecting either this Security or the liability of a Security Provider under this Deed:

- (a)
  - (i) refrain from applying or enforcing any other moneys, security or rights held or received by that Subordinated Secured Party (or any trustee or agent on its behalf) in respect of the Secured Liabilities; or
  - (ii) apply and enforce the same in such manner and order as it sees fit (whether against the Secured Liabilities or otherwise); and
- (b) hold in an interest-bearing suspense account any moneys received from a Security Provider or on account of a Security Provider's liability under this Deed.

#### **4.4 Non-competition**

Each Security Provider:

- (a) waives any right of subrogation, recourse, contribution or indemnity to which it may be entitled, in respect of any payment made to or moneys received by the Security Agent or any other Subordinated Secured Party as proceeds of the enforcement of this Security;
- (b) will not claim or vote as a creditor of any Debtor or its estate in competition with any Subordinated Secured Party (or any trustee or agent on its behalf); and

- (c) will not receive, claim or have the benefit of any payment, distribution or security from or on account of any Debtor, or exercise any right of set-off as against any Debtor.

Each Security Provider must immediately pay or transfer to the Security Agent any payment or distribution or benefit of security received by it contrary to this Subclause or as otherwise directed by the Security Agent under this Subclause.

## **5. REPRESENTATIONS**

The representations and warranties set out in this Clause are made by each Security Provider to the Security Agent.

### **5.1 Security representations and warranties**

- (a) Nature of security

This Deed creates those pledges it purports to create and is not liable to be amended or otherwise set aside on its liquidation, administration, dissolution or otherwise.

- (b) Title

It is authorised to create the Security and it has full and exclusive title to each of the Security Assets (other than those Security Assets where registration in the relevant intellectual property register is a constitutive requirement to have title to such Security Asset), free of any Security (except for those created under this Deed or under the Subordinated Security Documents) and any other right in favour of any other person.

- (c) Ranking

Each pledge created under this Deed has first priority in relation to all claims of any person to a Security Asset, other than any claims of the Security Agent secured under the First Ranking Deed.

### **5.2 Times for making representations**

- (a) The representations set out in this Deed are made on the date on which the Security is created under this Deed in respect of all Security Assets pledged under Clause 2.1 (Security interest).

- (b) Unless a representation is expressed to be given on a specific date, each representation under this Deed is deemed to be repeated by the relevant Security Provider during the Security Period on each date:

- (i) required under clause 18.24 (Repetition) of the Credit Agreement; and
- (ii) upon which that Security Provider acquires a Security Asset.

- (c) When a representation or warranty is deemed to be repeated, it is applied to the circumstances existing at the time of repetition.

## **6. RESTRICTIONS ON DEALINGS**

### **6.1 No other Security Interests**

No Security Provider may create or permit to subsist any Security on any Security Asset (except this Security or the security interests created under the First Ranking Deed).

## 6.2 Other restrictions

No Security Provider may:

- (a) sell, transfer or otherwise dispose of any Security Asset;
- (b) waive, amend or terminate, in whole or in part, any accessory or ancillary right or other right in respect of any Security Asset; or
- (c) take any action which would result in a reduction in the value, or might jeopardise the existence or enforceability, of any Security Asset or the Security,

except as expressly allowed, in each case, under the Subordinated Facility Agreement, the First Ranking Deed or under this Deed.

## 7. INTELLECTUAL PROPERTY RIGHTS

### 7.1 Representations and warranties – Intellectual Property Rights

Each Security Provider represents and warrants to the Security Agent that:

- (a) the Intellectual Property Rights owned by it are all of the material intellectual property rights required by it in order for it to carry on its business as it is now being conducted;
- (b) it does not, in carrying on its business, infringe any intellectual property rights of any third party; and
- (c) to the best of its knowledge (after due and careful enquiry), no Intellectual Property Right owned by it is being infringed, nor is there any threatened infringement of any such Intellectual Property Right.

### 7.2 Preservation

- (a) Each Security Provider must keep each of its Intellectual Property Rights required for its business duly registered.
- (b) Each Security Provider must ensure that, except with the prior consent of the Security Agent, none of its Material Intellectual Property Rights is abandoned or cancelled, lapses or is liable to any claim of abandonment for non-use or otherwise.

### 7.3 Registration

- (a) If an Event of Default occurs, the Security Provider must immediately submit for registration at the relevant intellectual property register the pledge created under this Deed in respect of each Intellectual Property Right which is not then registered (after registration of pledge has been submitted in respect of the first ranking pledge created or to be created pursuant to the First Ranking Deed).
- (b) Each Security Provider must deliver evidence of each submission for registration to the Security Agent on the date thereof and deliver evidence of the registration to the Security Agent promptly upon receipt thereof.

## 8. WHEN SECURITY BECOMES ENFORCEABLE

This Security will become immediately enforceable if:

- (a) an Event of Default occurs and is continuing; and
- (b) there is a default (*verzuim*) in the performance of any of the Secured Liabilities.

## 9. ENFORCEMENT OF SECURITY

### 9.1 General

- (a) After this Security has become enforceable, the Security Agent may immediately, in its absolute discretion but subject to the First Ranking Deed and the Intercreditor Agreement, exercise any right under:

- (i) applicable law; or
- (ii) this Deed,

to enforce all or any part of the Security in respect of any Security Asset as directed in accordance with the Intercreditor Agreement or as the Majority Subordinated Lenders may direct.

- (b) In particular, without any further consent or authority on the part of a Security Provider and irrespective of any direction given by it, the Security Agent may to the extent permitted by applicable law and subject to the First Ranking Deed and the Intercreditor Agreement:

- (i) sell any Security Asset, in whole or in part;
- (ii) give notice to any person in connection with enforcing this Security;
- (iii) seize, collect or claim all amounts payable in respect of any Security Asset; or
- (iv) enforce any Security Asset by way of proceedings or otherwise.

### 9.2 Sale

- (a) The Security Agent need not give notice of a sale in respect of any Security Asset to:

- (i) any Security Provider;
- (ii) any Debtor;
- (iii) any holder of a limited right *in rem* (*beperkt recht*); or
- (iv) any person who has made an attachment (*beslag*) on a Security Asset,

as referred to in Sections 3:249 and 3:252 of the Dutch Civil Code.

- (b) Each Security Provider waives its right to file a request with any relevant district court for a sale of any Security Asset in a manner which deviates from a public auction as referred to in Section 3:251 (1) of the Dutch Civil Code.

### 9.3 Scope of Obligations

The Security Agent:

- (a) may not be held liable for any action taken, or not taken, in connection with collecting any receivable or enforcing any Security Asset or this Security except for any loss caused directly by its own wilful misconduct or gross negligence;
- (b) may not be held liable for, and need not make, any payment under any Security Asset except for any loss caused directly by its own wilful misconduct or gross negligence;
- (c) need not make any enquiries as to the nature or sufficiency of any payment received in respect of a Security Asset;
- (d) need not perform any obligation of a Security Provider; and
- (e) need not present or file any claim or take any other action to collect or enforce the payment of any amount to which it may be entitled under this Deed.

#### **9.4 Receipts after a Default**

If, after a Default Notice has been delivered, a Security Provider receives any proceeds relating to a Security Asset, it must immediately transfer an amount equal to those proceeds to the Security Agent, if the Security Agent so directs. This is without prejudice to any right the Security Agent may have against the person who made that payment.

#### **9.5 Contingencies**

- (a) Without prejudice to any other right the Security Agent may have, if the proceeds of enforcement of this Security are received at a time when no amount is due under the Subordinated Debt Documents but at a time when amounts may or will become due, the Security Agent may pay the proceeds of any recoveries effected by it into a designated suspense account.
- (b) If the bank at which the security account is held is the Security Agent, it may exercise any right of set-off it may have in respect of the Secured Liabilities against any amount standing to the credit of the relevant designated suspense account.

### **10. DELEGATION**

- (a) The Security Agent may delegate by power of attorney to any Affiliate or in any other manner to any Affiliate any right, power or discretion exercisable by it under or in connection with this Deed.
- (b) Any such delegation may be made upon any terms (including power to sub-delegate or with a right of substitution) which the Security Agent may think fit.
- (c) The Security Agent will not be in any way liable or responsible to any Security Provider for any loss or liability arising from any act, default, omission or misconduct on the part of any delegate or sub-delegate except for any loss or liability caused directly by wilful misconduct or gross negligence of such delegate or sub-delegate.

### **11. EVIDENCE AND CALCULATIONS**

In the absence of manifest error, the records of the Security Agent are conclusive evidence (*dwingend bewijs*) of the existence and the amount of the Secured Liabilities.

## 12. CHANGES TO THE PARTIES

### 12.1 Security Providers

No Security Provider may assign or transfer any of its rights or obligations under this Deed without the consent of the Majority Subordinated Lenders.

### 12.2 Security Agent

- (a) The Security Agent may assign its rights under this Deed or transfer its legal relationship under this Deed by way of transfer of contract together with the Secured Liabilities as permitted under the Intercreditor Agreement.
- (b) In advance each Security Provider:
  - (i) consents to any assignment under this Subclause; and
  - (ii) co-operates (within the meaning of Section 6:159 of the Dutch Civil Code) to any transfer of its legal relationship under this Subclause.

## 13. RELEASE

- (a) At the end of the Security Period, the Security Agent must, at the request and cost of the Security Providers, take whatever action is necessary to evidence the release by operation of law of the Security Assets from this Security.
- (b) The Security Agent may at any time terminate (*opzeggen*) in whole or in part any of this Security by giving notice to the relevant Security Provider.

## 14. NOTICES

Any communication in connection with this Deed must be given as provided in clause 20 of the Intercreditor Agreement.

## 15. WAIVER

Each Security Provider irrevocably waives any right it may have at any time to:

- (a) suspend (*opschorten*) any obligation under this Deed under Sections 6:52, 6:262 and 6:263 of the Dutch Civil Code or any other applicable law; or
- (b) rescind (*ontbinden*) this Deed in whole or in part under Section 6:265 of the Dutch Civil Code or any other applicable law.

## 16. GOVERNING LAW

- (a) This Deed and any non-contractual obligations arising out of or in connection with it are governed by Dutch law.
- (b) If a party to this Deed is represented by one or more attorneys in connection with the execution of this Deed or any agreement or document pursuant hereto, and the relevant power of attorney is expressed to be governed by Dutch law, such choice of law is hereby accepted by each other party, in accordance with Article 14 of the Hague Convention on the Law Applicable to Agency of 14 March 1978.

**17. ENFORCEMENT**

- (a) The courts of Amsterdam, the Netherlands, judging in the first instance, have exclusive jurisdiction to settle any dispute including any dispute relating to non-contractual obligations arising out of or in connection with this Deed.
- (b) This Subclause is for the benefit of the Security Agent only. To the extent allowed by law, the Security Agent may take:
  - (i) proceedings in any other court; and
  - (ii) concurrent proceedings in any number of jurisdictions.
