Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Original Notes Trustee (as defined in the Intercreditor Agreement) or Additional Notes Trustee (as defined in the Intercreditor Agreement) hereunder are subject to the provisions of the Intercreditor Agreement, dated as of August 14, 2013 (as amended, modified, supplemented or replaced from time to time, the “**Intercreditor Agreement**”), between CoBank, ACB, as Agent (“**First Lien Agent**”), and U.S. Bank National Association, as Original Notes Trustee. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern.

INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT (the “**Agreement**”), dated as of August 14, 2013 is entered into by and among **EACH OF THE PERSONS LISTED ON THE SIGNATURE PAGES HERETO AND EACH OF THE OTHER PERSONS WHICH BECOME PLEDGORS HEREUNDER FROM TIME TO TIME** (each a “**Pledgor**” and collectively, the “**Pledgors**”) and U.S. Bank National Association, as collateral agent for the Secured Parties (the “**Collateral Agent**”).

WHEREAS, pursuant to that certain Indenture (as it may hereafter from time to time be restated, amended, modified or supplemented, the “**Indenture**”) of even date herewith by and among **SOUTHERN STATES COOPERATIVE, INCORPORATED** (the “**Company**”), the **U.S. BANK NATIONAL ASSOCIATION**, as trustee (the “**Trustee**”), the Collateral Agent and the Guarantors now or hereafter party thereto (the “**Guarantors**”), the Company issued on the date hereof \$130,000,000 principal amount of 10.000% senior second-lien secured notes due 2021 (together with any Additional Notes issued from time to time under the Indenture, the “**Notes**”) upon the terms and subject to the conditions set forth therein; and

WHEREAS, following the date hereof, the Pledgors may, subject to the terms and conditions of the Indenture and the Security Documents, incur Other Pari Passu Secured Indebtedness (including Additional Notes) that is secured equally and ratably with the Pledgors’ obligations in respect of the Notes;

NOW, THEREFORE, intending to be legally bound hereby, the parties hereto agree as follows:

1. Defined Terms.

(a) Except as otherwise expressly provided herein: (i) capitalized terms used in this Agreement shall have the respective meanings assigned to them in the Security Agreement (as defined below) and (ii) the rules of construction set forth in Section 1.3 [Rules of Construction] of the Indenture shall apply to this Agreement. Where applicable and except as otherwise expressly provided herein, terms used herein (whether or not capitalized) shall have the respective meanings assigned to them in the Uniform Commercial Code as enacted in the State of New York as amended from time to time (the “**Code**”).

(b) “**Patents, Trademarks and Copyrights**” shall mean and include all of each Pledgor’s present and future right, title and interest in and to the following intellectual property owned by Pledgors: all trade names, patent applications, patents, trademark applications, and registered and unregistered trademarks and copyrights, whether now owned or hereafter acquired by each Pledgor, including, without limitation, those listed on Schedule A hereto, including all proceeds thereof (such as, by way of example, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all reissues, divisions, continuations,

renewals, extensions and continuations-in-part thereof, and the goodwill of the business to which any of the patents, trademarks and copyrights relate.

(c) “**Security Agreement**” shall mean that certain security agreement dated [the date hereof] among the Pledgors and the Collateral Agent.

2. To secure the full payment and performance of all Secured Obligations, each Pledgor hereby grants and conveys a security interest to the Collateral Agent, for itself and the benefit of the Secured Parties and their respective affiliates, in the entire right, title and interest of such Pledgor in and to all of its Patents, Trademarks and Copyrights. This Agreement grants only a security interest on the terms set forth herein, and no assignment, conveyance or transfer rights in the Patents, Trademarks and Copyrights shall be made hereunder except pursuant to Collateral Agent’s exercise of its right to take assignment of the Patents, Trademarks and Copyrights, pursuant to the power of attorney granted in Section 8, or to assign and take assignment of the Patents, Trademarks and Copyrights pursuant to its proper exercise of its rights pursuant to an Event of Default.

Notwithstanding anything herein to the contrary, the Lien and security interest granted to the Collateral Agent pursuant to this Agreement shall be a second priority Lien on and security interest in Collateral and the exercise of any right or remedy by the Collateral Agent hereunder is subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Agreement, the terms of the Intercreditor Agreement shall govern and control.

3. Each Pledgor jointly and severally represents and warrants and covenants that:

(a) the Patents, Trademarks and Copyrights are subsisting and have not been adjudged invalid or unenforceable, in whole or in part;

(b) to the best of such Pledgor’s knowledge, each of the Patents, Trademarks and Copyrights is valid and enforceable;

(c) such Pledgor, either solely or collectively with the other Pledgors, is the exclusive owner of the entire and unencumbered right, title and interest in and to each of the Patents, Trademarks and Copyrights, free and clear of any liens, charges and encumbrances, except for Permitted Liens, including pledges, assignments, licenses, shop rights and covenants by such Pledgor not to sue third persons;

(d) such Pledgor has the corporate, limited liability company or partnership power and authority, as applicable, to enter into this Agreement and perform its terms;

(e) no claim has been made to such Pledgor or, to the knowledge of such Pledgor, any other person and is currently outstanding that the use of any of the Patents, Trademarks and Copyrights does or may violate the rights of any third party;

(f) such Pledgor has used, and will continue to use for the duration of this Agreement, consistent standards of quality in its manufacture of products sold under the Patents, Trademarks and Copyrights;

(g) such Pledgor has employed reasonable diligence to use, and will continue to employ such diligence to use for the duration of this Agreement, proper statutory notice in connection with its use of the Patents, Trademarks and Copyrights as required by applicable law, except

for those Patents, Trademarks and Copyrights that are hereafter allowed to be abandoned or lapse in accordance with Paragraph 11 hereof;

(h) such Pledgor will not change its state of incorporation, formation or organization, as applicable without prior written notice to the Collateral Agent and taking all action as may be necessary to maintain perfection of the security interest created hereunder at all times following such change to the same extent as immediately prior to such change;

(i) such Pledgor will not change its name without providing prior written notice to the Collateral Agent and taking all action as may be necessary to maintain perfection of the security interest created hereunder at all times following such change to the same extent as immediately prior to such change; and

(j) except as permitted by Indenture or any Other Pari Passu Secured Indebtedness Agreement, such Pledgor shall preserve its existence as a corporation, partnership or a limited liability company, as applicable except as permitted by the Indenture or any Other Pari Passu Secured Indebtedness Agreement, shall not (i) in one, or a series of related transactions, merge into or consolidate with any other entity, the survivor of which is not such Pledgor, or (ii) sell all or substantially all of its assets.

4. Each of the obligations and additional liabilities of each and every Pledgor under this Agreement are joint and several with the obligations of the other Pledgors, and each Pledgor hereby waives to the fullest extent permitted by law any defense it may otherwise have to the payment and performance of the Secured Obligations that its liability hereunder is limited and not joint and several. Each Pledgor acknowledges and agrees that the foregoing waiver serves as a material inducement to the agreement of the Holders to purchase the Notes, and that the Collateral Agent and the Secured Parties are relying on such waiver in entering into this Agreement. The undertakings of each Pledgor hereunder secure the obligations of the Borrower, itself and the other Pledgors. The Collateral Agent and the Secured Parties, or any of them, may, in their sole discretion, elect to enforce this Agreement against any Pledgor without any duty or responsibility to pursue any other Pledgor and such an election by the Collateral Agent and the Secured Parties, or any of them, shall not be a defense to any action the Collateral Agent and the Secured Parties, or any of them, may elect to take against any Pledgor. Each of the Secured Parties and the Collateral Agent hereby reserves all rights against each Pledgor.

5. If, before the Secured Obligations shall have been Paid In Full, have expired or been terminated, any Pledgor shall own any new Patents, Trademarks and Copyrights, including any reissue, division, continuation, renewal, extension, or continuation in part of any Patent or any improvement on any Patent, Trademark or Copyright, the provisions of this Agreement shall automatically apply thereto and such Pledgor shall give to the Collateral Agent prompt notice thereof in writing. Each Pledgor agrees to promptly (i) update Schedule A to include any future patents, patent applications, trademark applications, trademarks, copyrights or copyright applications and the provisions of this Agreement shall apply thereto and (ii) prepare, execute and file with the United States Patent and Trademark Office or United States Copyright Office such modified agreement with respect to such new Patents, Trademarks and Copyrights.

6. Collateral Agent shall have, in addition to all other rights and remedies given it by this Agreement and those rights and remedies set forth in the Secured Debt Documents, those allowed by applicable law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Trademarks and Copyrights may be located and, without limiting the generality of the foregoing, if an Event of Default has occurred and is continuing, Collateral Agent may immediately, without demand of performance and without other notice (except as set forth below) or demand whatsoever to Pledgors, all of which are hereby expressly waived, and without adver-

tisement, sell at public or private sale or otherwise realize upon, in a city that the Collateral Agent shall designate by notice to the Pledgors, in New York, NY or elsewhere, the whole or from time to time any part of the Patents, Trademarks and Copyrights, or any interest which any Pledgor may have therein and, after deducting from the proceeds of sale or other disposition of the Patents, Trademarks and Copyrights all expenses (including fees and expenses for brokers and attorneys), shall apply the remainder of such proceeds toward the payment of the Secured Obligations as the Collateral Agent, in its sole discretion, shall determine. Any remainder of the proceeds after payment in full of the Secured Obligations shall be paid over to Pledgors. Notice of any sale or other disposition of the Patents, Trademarks and Copyrights shall be given to Pledgors at least ten (10) days before the time of any intended public or private sale or other disposition of the Patents, Trademarks and Copyrights is to be made, which each Pledgor hereby agrees shall be reasonable notice of such sale or other disposition. At any such sale or other disposition, Collateral Agent may, to the extent permissible under applicable law, purchase the whole or any part of the Patents, Trademarks and Copyrights sold, free from any right of redemption on the part of Pledgor, which right is hereby waived and released.

7. Notwithstanding anything herein or in any other Notes Document or any Other Pari Passu Secured Indebtedness Agreement to the contrary, the Collateral Agent shall exercise remedies and sell the Collateral (as such term is defined in the Indenture) at the direction of the holders of a majority of the aggregate principal amount of all Secured Obligations outstanding at the time of such action; provided that if the Collateral Agent has asked the holders of Secured Obligations for instructions and the applicable holders have not yet responded to such request, the Collateral Agent shall be authorized (but shall not have the duty) to take such actions permitted hereunder which the Collateral Agent believes to be required to promote and protect the interests of the holders of the Secured Obligations and/or to preserve the value of the Collateral (as such term is defined in the Indenture).

8. If any Event of Default shall have occurred and be continuing, each Pledgor hereby authorizes and empowers the Collateral Agent to make, constitute and appoint any officer or agent of the Collateral Agent, as the Collateral Agent may select in its exclusive discretion, as such Pledgor's true and lawful attorney-in-fact, with the power to endorse such Pledgor's name on all applications, documents, papers and instruments necessary for the Collateral Agent to use the Patents, Trademarks and Copyrights, or to grant or issue, on commercially reasonable terms, any exclusive or nonexclusive license under the Patents, Trademarks and Copyrights to any third person, or necessary for the Collateral Agent to assign, pledge, convey or otherwise transfer title in or dispose, on commercially reasonable terms, of the Patents, Trademarks and Copyrights to any third Person. Each Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney, being coupled with an interest, shall be irrevocable for the life of this Agreement.

9. At such time as all of the Secured Obligations shall have been Paid In Full, this Agreement shall terminate and the Collateral Agent shall execute and deliver to the Pledgors all releases, deeds, assignments and other instruments as may be necessary or proper to re-vest in the Pledgors full title to the Patents, Trademarks and Copyrights, subject to any disposition thereof which may have been made by the Collateral Agent pursuant hereto.

10. Any and all fees, costs and expenses, of whatever kind or nature, including reasonable attorneys' fees and expenses incurred by Collateral Agent in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances, the protection, maintenance or preservation of the Patents, Trademarks and Copyrights, or the defense or prosecution of any actions or proceedings arising out of or related to the Patents, Trademarks and Copyrights, shall be borne and paid by the Pledgors within fifteen (15) days of demand by Collateral Agent, and if not paid within such time,

shall be added to the principal amount of the Secured Obligations and shall bear interest at the highest rate prescribed in the Indenture.

11. Each Pledgor shall have the duty, through counsel reasonably acceptable to the Collateral Agent, to prosecute diligently any patent applications of the Patents, Trademarks and Copyrights pending as of the date of this Agreement if commercially reasonable or thereafter until the Secured Obligations shall have been Paid in Full, to make application on unpatented but patentable inventions (whenever it is commercially reasonable in the reasonable judgment of such Pledgor to do so) and to preserve and maintain all rights in patent applications and patents of the Patents, including the payment of all maintenance fees. Any expenses incurred in connection with such an application shall be borne by the Pledgors.

12. No course of dealing between any Pledgor and the Collateral Agent, nor any failure to exercise nor any delay in exercising, on the part of the Collateral Agent, any right, remedy, power or privilege of the Collateral Agent hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. No waiver of a single Event of Default shall be deemed a waiver of a subsequent Event of Default.

13. All of the Collateral Agent's rights and remedies with respect to the Patents, Trademarks and Copyrights, whether established hereby or by the Secured Debt Documents, or by any other agreements or by law, shall be cumulative and not exclusive of any rights or remedies which it may otherwise have under the other Secured Debt Documents, or by law, and the Collateral Agent may enforce any one or more remedies hereunder successively or concurrently at its option.

14. (a) It is the intention of the parties that this Agreement be enforceable to the fullest extent permissible under applicable law, but that the unenforceability (or modification to conform to such law) of any provision or provisions hereof shall not render unenforceable, or impair, the remainder hereof. If any provision in this Agreement shall be held invalid or unenforceable in whole or in part in any jurisdiction, this Agreement shall, as to such jurisdiction, be deemed amended to modify or delete, as necessary, the offending provision or provisions and to alter the bounds thereof in order to render it or them valid and enforceable to the maximum extent permitted by applicable law, without in any manner affecting the validity or enforceability of such provision or provisions in any other jurisdiction or the remaining provisions hereof in any jurisdiction without invalidating the remaining provisions hereof.

(b) Without limitation of the preceding subsection (a), to the extent that applicable law (including applicable laws pertaining to fraudulent conveyance or fraudulent or preferential transfer) otherwise would render the full amount of any Pledgor's obligations hereunder invalid, voidable, or unenforceable on account of the amount of a Pledgor's aggregate liability under this Agreement, then, notwithstanding any other provision of this Agreement to the contrary, the aggregate amount of such liability shall, without any further action by the Collateral Agent or any of the Secured Parties or such Pledgor or any other Person, be automatically limited and reduced to the highest amount which is valid and enforceable as determined in such action or proceeding, which (without limiting the generality of the foregoing) may be an amount which is equal to the greater of:

(i) the fair consideration actually received by such Pledgor under the terms and as a result of the Secured Debt Documents and the value of the benefits described in Paragraph 23 hereof, including (and to the extent not inconsistent with applicable federal and state laws affecting the enforceability of guaranties) distributions, commitments, and advances made to or for the benefit of such Pledgor with the proceeds of any credit extended under the Secured Debt Documents, or

(ii) the excess of: (A) the amount of the fair value of the assets of such Pledgor as of the date of this Agreement as determined in accordance with applicable federal and state laws governing determinations of the insolvency of debtors as in effect on the date hereof, over (B) the amount of all liabilities of such Pledgor as of the date of this Agreement, also as determined on the basis of applicable federal and state laws governing the insolvency of debtors as in effect on the date hereof.

(c) Notwithstanding anything to the contrary in this Section or elsewhere in this Agreement, this Agreement shall be presumptively valid and enforceable to its full extent in accordance with its terms, as if this Section (and references elsewhere in this Agreement to enforceability to the fullest extent permitted by law) were not a part of this Agreement, and in any related litigation, the burden of proof shall be on the party asserting the invalidity or unenforceability of any provision hereof or asserting any limitation on any Pledgor's obligations hereunder as to each element of such assertion.

15. This Agreement supersedes all prior understandings and agreements, whether written or oral, between the parties hereto relating to a grant of a security interest in the Patents, Trademarks and Copyrights by any Pledgor. This Agreement is subject to waiver, modification, supplement or amendment only by a writing signed by the parties, except as provided in Paragraph 5 and Paragraph 24 hereof with respect to additions and supplements to Schedule A hereto.

16. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties, provided, however, that no Pledgor may assign or transfer any of its rights or obligations hereunder or any interest herein, and any such purported assignment or transfer shall be null and void.

17. This Agreement shall be governed by, construed, and enforced in accordance with the internal law of the State of New York, without regard to its conflict of laws principles, except to the extent the validity or perfection of the security interests or the remedies hereunder in respect of any Patents, Trademarks or Copyrights are governed by the law of a jurisdiction other than the State of New York.

18. Each Pledgor hereby irrevocably submits to the nonexclusive jurisdiction of any courts of the State of New York sitting in New York County and of the United States District Court of New York and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement, and each Pledgor hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard and determined in such New York state or federal court. Each Pledgor hereby waives to the fullest extent it may effectively do so, the defense of an inconvenient forum to the maintenance of any such action or proceeding. Each Pledgor hereby appoints the process agent identified below (the "**Process Agent**") as its agent to receive on behalf of such party and its respective property service of copies of the summons and complaint and any other process which may be served in any action or proceeding. Such service may be made by mailing or delivering a copy of such process to the Pledgor in care of the Process Agent at the Process Agent's address, and each Pledgor hereby authorizes and directs the Process Agent to receive such service on its behalf. Each Pledgor agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions (or any political subdivision thereof) by suit on the judgment or in any other manner provided at law. Each Pledgor further agrees that it shall, for so long as any Secured Obligation of any Pledgor to any Secured Party remains outstanding, continue to retain Process Agent for the purposes set forth in this Section 18. The Process Agent is the Company, with an office on the date hereof as set forth in the Indenture.

19. This Agreement may be executed by different parties hereto on any number of separate counterparts, each of which, when so executed and delivered, shall be deemed an original, and all such counterparts shall together constitute one and the same instrument. Each Pledgor acknowledges and

agrees that a telecopy or electronic transmission to the Collateral Agent or any Secured Party of the signature page hereof purporting to be signed on behalf of such Pledgor shall constitute effective and binding execution and delivery hereof by such Pledgor.

20. EACH PLEDGOR HEREBY IRREVOCABLY WAIVES TRIAL BY JURY IN ANY ACTION, SUIT, PROCEEDING OR COUNTERCLAIM OF ANY KIND ARISING OUT OF OR RELATED TO THIS AGREEMENT, THE CREDIT AGREEMENT, ANY OTHER SECURED DEBT DOCUMENT OR THE PATENTS, TRADEMARKS AND COPYRIGHTS TO THE FULLEST EXTENT PERMITTED BY LAW.

21. All notices, statements, requests, demands, directions and other communications (collectively, “**notices**”) given to or made upon any party hereto under the provisions of this Agreement shall be given as set forth in Section 11.2 [Notices] of the Indenture, to any Other Pari Passu Debt Agent at its respective address specified in the Other Pari Passu Secured Indebtedness Joinder with respect to such Other Pari Passu Secured Indebtedness Agreement. The Collateral Agent and the Secured Parties may rely on any notice (whether or not made in the manner contemplated by this Agreement) purportedly made by or on behalf of any Pledgor, and the Collateral Agent and the Secured Parties shall have no duty to verify the identity or authority of the Person giving such notice.

22. Each Pledgor acknowledges and agrees that, in addition to the other rights of the Collateral Agent hereunder and under the other Secured Debt Documents, because the Collateral Agent’s remedies at law for failure of such Pledgor to comply with the provisions hereof relating to the Collateral Agent’s rights: (a) to inspect the books and records related to the Patents, Trademarks and Copyrights, (b) to receive the various notifications such Pledgor is required to deliver hereunder, (c) to obtain copies of agreements and documents as provided herein with respect to the Patents, Trademarks and Copyrights, (d) to enforce the provisions hereof pursuant to which such Pledgor has appointed the Collateral Agent its attorney-in-fact, and (e) to enforce the Collateral Agent’s remedies hereunder, would be inadequate and that any such failure would not be adequately compensable in damages, such Pledgor agrees that each such provision hereof may be specifically enforced.

23. Each Pledgor hereby acknowledges, represents, and warrants that it receives synergistic benefits by virtue of its affiliation with the Company and/or the other Pledgors and that it will receive direct and indirect benefits from the financing arrangements contemplated by the Secured Debt Documents and that such benefits, together with the rights of contribution and subrogation that may arise in connection herewith are a reasonably equivalent exchange of value in return for providing this Agreement.

24. At any time after the initial execution and delivery of this Agreement to the Collateral Agent and the Secured Parties, additional Persons may become parties to this Agreement and thereby acquire the duties and rights of being Pledgors hereunder by executing and delivering to the Collateral Agent a Joinder to this Agreement in the form of Exhibit A and, in addition, a new Schedule A hereto shall be provided to the Collateral Agent with respect to such new Pledgor. No notice of the addition of any Pledgor shall be required to be given to any pre-existing Pledgor and each Pledgor hereby consents thereto.

25. Each Pledgor agrees that, in the event any Pledgor takes any action to grant or perfect a Lien in favor of the First Lien Agent in any Patents, Trademarks and Copyrights, such Pledgor shall also take such action to grant or perfect a Lien in favor of the Collateral Agent to secure the Secured Obligations without request of the Collateral Agent.

26. Notwithstanding anything contained herein to the contrary, this Agreement has been countersigned by the Collateral Agent not in its individual capacity but solely in its capacity as Collateral

Agent, and in no event shall the Collateral Agent in its individual capacity have any liability for any representations, warranties, covenants, agreements or other obligations hereunder. For all purposes of this Agreement, in the performance of any duties or obligations of the Collateral Agent hereunder, the Collateral Agent shall be subject to, and entitled to the benefits of, the terms and provisions of Article VII of the Indenture.
