CONFIRMATORY ASSIGNMENT OF INTELLECTUAL PROPERTY

THIS CONFIRMATORY ASSIGNMENT OF INTELLECTUAL PROPERTY (“Assignment”) is by and between Edward F. Larkin, an individual and U.S. Citizen, and Razer (Asia-Pacific) Pte. Ltd., a company organized in accordance with the laws of Singapore (the “Assignee”);

WHEREAS, Assignor confirms that Assignor and Assignee entered into an Agreement to sell and purchase certain assets dated September 23, 2010 (the “Agreement”), pursuant to which Assignor agreed among other things, to sell, convey, assign, transfer and deliver to Assignee, and Assignee agreed to purchase among other things, certain Business IPR, Goodwill, Brands and Intellectual Property Rights (hereinafter the “Assigned Intellectual Property”) all used in relation to the Business;

WHEREAS, Assignor confirms that he was the owner of all right, title and interest to the Assigned Intellectual Property as of entering into the Agreement on September 23, 2010;

WHEREAS, Assignor confirms that it wished to transfer and assign and did transfer and assign, and that Assignee wished to purchase and did purchase, effective September 23, 2010, all right, title and interest in and to the Assigned Intellectual Property, including the corresponding registrations and applications, and all common law rights, including those set forth in Schedule 1 hereto, together with the goodwill of the Business connected with and symbolized by the Assigned Intellectual Property;

WHEREAS, all capitalized terms used herein and not otherwise defined have the meaning set forth in the Agreement;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which Assignor acknowledges as having received and accepted effective September 23, 2010, Assignor and Assignee hereby confirm the following assignment effective as of September 23, 2010 as set forth below.

Assignor hereby sells, conveys, assigns, transfers and delivers to Assignee the entire right, title, interest in and to the Assigned Intellectual Property in the United States and all jurisdictions outside the United States, including the corresponding registrations and applications, and all common law rights, together with the goodwill of the Business associated with and symbolized by the Assigned Intellectual Property (including, without limitation, the right to renew any registrations, the right to apply for registration, the right of recovery for any infringement thereof, and any priority right that may arise from the Assigned Intellectual Property).

Assignor authorizes the Commissioner of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and in any applicable jurisdictions outside the United States to record the transfer of the registrations and/or applications for registration set forth in Schedule 1 to Assignee as assignee of Assignor’s entire right, title and interest therein. Assignor agrees further to execute any documents reasonably necessary to effect this Assignment or to confirm Assignee’s ownership of the Assigned Intellectual Property, including the corresponding registrations and common law rights.

This Assignment may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts taken together shall constitute one and the same instrument. Each counterpart may be delivered by facsimile or electronically, which transmission shall be deemed delivery of an originally executed document.

IN WITNESS WHEREOF, the parties hereto have executed this Assignment effective as of September 23, 2010.
