## **TRADEMARK DEED OF ASSIGNMENT**

WHEREAS, Voyage Medical, Inc., (hereinafter referred to as the assignor), a corporation duly organized under and pursuant to the laws of Delaware and having its principal place of business at 610 Galveston Drive, Redwood City, CA 94063, USA, has adopted and is using the following marks for which the United States trademark applications have been filed as listed in the SCHEDULE following herewith;

WHEREAS Intuitive Surgical Operations, Inc., (hereinafter referred to as the assignee) a Delaware corporation desires to acquire any and all rights and goodwill associated with the above-referenced marks and the applications and registrations of the marks;

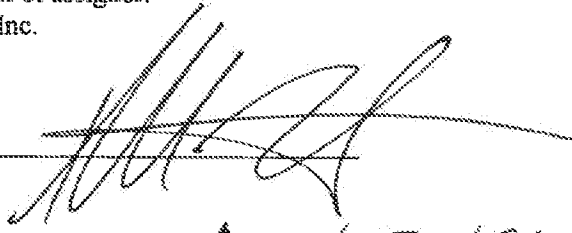

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, assignor does hereby assign to assignee, as of August 16, 2013, all right, title and interest in and to said marks, together with the goodwill of the business symbolized by the marks and the applications and registrations of the marks and all rights to recover damages for past and present infringements and any other causes of action related to any of the said applications and registrations of the marks.

Notwithstanding anything to the contrary in this Agreement, no Intent-to-Use Application included in the SCHEDULE shall be sold, assigned, transferred, conveyed, or delivered to assignee during the period (if any) when the sale, assignment, transference, conveyance, or delivery thereof to assignee as contemplated by this Agreement would impair the validity or enforceability of the application or any registration issuing therefrom under applicable Law. Thereafter, assignor shall, at assignee's request, assign each such Intent-to-Use Application (together with any registration issuing therefrom) to assignee and, if the foregoing is not reasonably possible, the parties shall use commercially reasonable efforts to arrange for assignor to provide assignee, for no additional consideration, the benefit of each such Intent-to-Use Application (or registration issuing therefrom).

The Commissioner of Patents and Trademarks is requested to issue any United States Certificates of Registration to assignee.
