## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement (the "IP Security Agreement") is entered into as of March 9, 2011, by and between WELLS FARGO BANK, NATIONAL ASSOCIATION ("Bank") and FINIAL SERVICES LLC, a Delaware limited liability company ("Grantor").

### RECITALS

Bank has agreed to make certain advances of money and to extend certain financial accommodations to Grantor (the "Loans") in the amounts and manner set forth in that certain Credit Agreement by and between, inter alia, Bank and Grantor dated of even date herewith (as the same may be amended, modified or supplemented from time to time, the "Credit Agreement"; capitalized terms used herein are used as defined in the Credit Agreement). Bank is willing to make the Loans to Grantor, but only upon the condition, among others, that Grantor shall grant to Bank a security interest in certain copyrights, trademarks and patents to secure the obligations of Grantor under the Credit Agreement.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Credit Agreement and all other agreements now existing or hereafter arising between Grantor and Bank, Grantor hereby represents, warrants, covenants and agrees as follows:

### AGREEMENT

#### 1. Grant of Security.

(a) To secure its obligations under the Credit Agreement and under any other agreement now existing or hereafter arising between Grantor and Bank, Grantor grants and pledges to Bank a security interest in all of Grantor's right, title and interest in, to and under its intellectual property (including without limitation those copyrights, patents and trademarks listed on Exhibits A, B and C hereto), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

(b) This security interest is granted in conjunction with the security interest granted to Bank by Grantor under the Credit Agreement. The rights and remedies of Bank with respect to the security interest granted hereby are in addition to those set forth in the Credit Agreement and the other Loan Documents, and those which are now or hereafter available to Bank as a matter of law or equity. Each right, power and remedy of Bank provided for in the Credit Agreement or any of the Loan Documents, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Bank of any one or more of the rights, powers or remedies provided for in this IP Security Agreement, the Credit Agreement or any of the other Loan Documents, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Bank, of any or all other rights, powers or remedies.

(c) Grantor represents and warrants that Exhibits A, B, and C attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.

2. Miscellaneous.

(a) This IP Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.

(b) This IP Security Agreement shall be deemed to have been executed and delivered within the State of California and the laws of such State (irrespective of its choice of law principles) shall govern the validity of this IP Security Agreement, the construction of its terms, and the interpretation and enforcement of the rights and duties of the parties to this IP Security Agreement.

(c) This IP Security Agreement may be amended or modified only in writing signed by Bank and Grantor.

(d) Nothing in this IP Security Agreement, expressed or implied, however, is intended to confer upon any person, other than the parties and their authorized assignees or their successors by operation of law, any rights, remedies, liabilities or obligations under or by reason of this IP Security Agreement, except as expressly provided herein.

4. Grantor represents and warrants that the Representations and Warranties contained in the Agreement are true and correct as of the date of this Amendment, and that no Event of Default under that certain Credit Agreement dated as of March 9, 2011 by and between, inter alia, Bank and Grantor, as amended, restated, modified or supplemented from time to time, has occurred and is continuing.
5. As a condition to the effectiveness of this Amendment, Bank shall have received, in form and substance satisfactory to Bank: this Amendment, duly executed by each Debtor.
6. This Amendment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one instrument.
