FORM OF GRANT OF
SECURITY INTEREST IN TRADEMARK RIGHTS

This GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS (“Agreement”), dated as of August 5, 2013, is made by each of the Subsidiaries listed on the signature pages hereto (the “Grantors”), in favor of UBS AG, Stamford Branch, as collateral agent (the “Agent”) for the several banks and other financial institutions (the “Lenders”) from time to time parties to the Credit Agreement, dated as of July 30, 2013 (as amended, supplemented or otherwise modified from time to time, the “Credit Agreement”), among the U.S. Borrower, the other Borrowers from time to time party thereto, Renaissance Parent Corp., a Delaware corporation (“Holdings”), the Lenders party thereto and the Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make loans to the Borrowers, the Swingline Lender to make the Swingline Loans and the Letter of Credit Issuer has agreed to issue Letters of Credit for the account of the Borrowers and the Restricted Subsidiaries upon the terms and subject to the conditions set forth therein;

WHEREAS, in connection with the Credit Agreement, the Grantors, the U.S. Borrower and any Subsidiaries that become a party thereto, have executed and delivered a Security Agreement, dated as of July 30, 2013 in favor of the Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the “Security Agreement”);

WHEREAS, pursuant to the Security Agreement, each of the Grantors has pledged and granted to the Agent for the benefit of the Agent and the Secured Parties continuing security interest in all Intellectual Property, including the Trademarks; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make loans and the Swingline Lender to make the Swingline Loans and the Letter of Credit Issuers to issue Letters of Credit for the account of the Borrowers and the Restricted Subsidiaries, and to induce one or more Lenders or Affiliates of Lenders to enter into Secured Cash Management Agreements or Secured Hedge Agreements with Holdings and/or its Subsidiaries, each of the Grantors agrees, for the benefit of the Agent and the Secured Parties, as follows:

1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.

Grant of Security Interest. Each of the Grantors hereby grants a security interest in all of Grantor’s right, title and interest in, to and under the Trademarks (including, without limitation, those items listed on Schedule A hereto), including the right to receive all Proceeds therefrom (collectively, the “Collateral”), to the Agent for the benefit of the Secured Parties to secure payment, performance and observance of the Obligations; provided that, applications in

basis of Grantor's "intent to use" such trademarks or service marks will not be deemed to be Collateral unless and until an amendment to allege use or a statement of use has been filed under 15 U.S.C. §1051 and accepted by the United States Patent and Trademark Office, whereupon such application shall be automatically subject to the security interest granted herein and deemed to be included in the Collateral.

Purpose. This Agreement has been executed and delivered by each of the Grantors for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Secured Parties in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Secured Parties thereunder) shall remain in full force and effect in accordance with its terms.

Acknowledgment. Each of the Grantors does hereby further acknowledge and affirm that the rights and remedies of the Secured Parties with respect to the security interest in the Collateral granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

Governing Law: This Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.
