Notwithstanding anything herein to the contrary, the liens and security interests granted to the Administrative Agent pursuant to this Agreement and the exercise of any right or remedy by Agent hereunder, are subject to (a) the provisions of the Intercreditor Agreement, dated as of August 1, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the “ABL/Term Loan Intercreditor Agreement”), among Bank of America, N.A., as ABL Agent, Silver Point Finance, LLC, as First Lien Agent and Second Lien Agent and the Grantors (as defined in the ABL/Term Loan Intercreditor Agreement) from time to time party thereto, and (b) the provisions of the Intercreditor Agreement, dated as of August 1, 2013 (as amended, restated, supplemented or otherwise modified from time to time, the “Term Lender Intercreditor Agreement” and, together with the ABL/Term Loan Intercreditor Agreement, the “Intercreditor Agreements”), among Silver Point Finance, LLC, as First Lien Agent and Second Lien Agent and the Grantors (as defined in the Term Lender Intercreditor Agreement) from time to time party thereto. In the event of any conflict between the terms of the Intercreditor Agreements and the terms of this Agreement, the terms of the Intercreditors Agreement shall govern and control.

ABL TRADEMARK SECURITY AGREEMENT

This ABL TRADEMARK SECURITY AGREEMENT, dated as of August 9, 2013 (this “Agreement”), is made by THE STANDARD REGISTER COMPANY, an Ohio corporation (the “Grantor”), the other parties identified as “Grantors” on the signature pages hereto and such other parties that may become Grantors hereunder after the date hereof (collectively, the “Grantors”), in favor of BANK OF AMERICA, N.A., as the administrative agent (together with its successor(s) thereto in such capacity, the “Administrative Agent”) for each of the Secured Parties.

W I T N E S S E T H:

WHEREAS, the Borrowers, the various financial institutions from time to time parties thereto as lenders, and the Administrative Agent have entered into that certain Amended and Restated Loan and Security Agreement, dated as of August 1, 2013 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “ABL Loan Agreement”);

WHEREAS, in connection with the ABL Loan Agreement, the Grantors have executed and delivered a Security and Pledge Agreement, dated as of August 1, 2013 (as amended, supplemented, amended and restated or otherwise modified from time to time, the “Security Agreement”);

WHEREAS, pursuant to the ABL Loan Agreement and pursuant to clause (g) of Section 4 of the Security Agreement, the Grantors are required to execute and deliver this Agreement and to grant to the Administrative Agent a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Obligations;

WHEREAS, the Grantors have duly authorized the execution, delivery and performance of this Agreement; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantors agree, for the benefit of each Secured Party, as follows:

SECTION I. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings as used or provided in the ABL Loan Agreement.

SECTION 1.1. "Trademark Collateral" means:

(a) (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, certification marks, collective marks, logos and other source or business identifiers, and all goodwill of the business associated therewith, now existing or hereafter adopted or acquired including those referred to Schedule I attached hereto whether currently in use or not, all registrations and recordings thereof and all applications in connection therewith, whether pending or in preparation for filing, including registrations, recordings and applications in the United States Patent and Trademark Office or in any office or agency of the United States of America, or any State thereof or any other country or political subdivision thereof or otherwise, and all common-law rights relating to the foregoing, and (ii) the right to obtain all reissues, extensions or renewals of the foregoing (collectively referred to as the "Trademark");

(b) all trademark licenses for the grant by or to such Grantor of any right to use any trademark, including any trademark license referred to in Schedule I;

(c) all of the goodwill of the business connected with the use of, and symbolized by the items described in, clause (a), and to the extent applicable clause (b);

(d) the right to sue third parties for past, present and future infringements of any Trademark Collateral described in clause (a) and, to the extent applicable, clause (b); and

(e) all Proceeds of, and rights associated with, the foregoing, including any claim by such Grantor against third parties for past, present or future infringement or dilution of any Trademark, Trademark registration or Trademark license, or for any injury to the goodwill associated with the use of any such Trademark or for breach or enforcement of any Trademark license and all rights corresponding thereto throughout the world.

SECTION 2. Grant of Security Interest. The Grantors hereby grant to the Administrative Agent, for its benefit and the ratable benefit of each other Secured Party, a continuing security interest in the Trademark Collateral, whether now or hereafter existing or acquired by the Grantors, including without limitation the trademarks set forth in Schedule I attached hereto.

SECTION 3. Security Agreement. This Agreement has been executed and delivered by the Grantors for the purpose of registering the security interest of the Administrative Agent in the Trademark Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Administrative Agent for its benefit and the ratable benefit of each other Secured Party under the Security Agreement. The Security Agreement (and all rights and remedies of the Administrative Agent and each Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Release of Liens. Upon (i) the disposition of Trademark Collateral in accordance with Section 9.2.2 of the ABL Loan Agreement or (ii) the occurrence of the Full Payment of all Obligations, the security interests granted herein shall automatically terminate with respect to (A) such Trademark Collateral (in the case of clause (i)) or (B) all Trademark Collateral (in the case of clause (ii)). Upon such disposition or Full Payment of all Obligations, the Administrative Agent will, at the Grantor's sole expense, deliver to the Grantor, without any representations, warranties or recourse of any kind whatsoever, all Trademark Collateral held by the Administrative Agent hereunder, and execute and deliver to the Grantor such Documents (in form and substance reasonably satisfactory to the Administrative Agent) as the Grantor shall reasonably request to evidence such termination.

SECTION 5. Acknowledgment. The Grantors do hereby further acknowledge and affirm that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 6. Loan Document. This Agreement is a Loan Document executed pursuant to the ABL Loan Agreement and shall (unless otherwise expressly indicated herein) be construed, administered and applied in accordance with the terms and provisions thereof, including Section 14 thereof.

SECTION 7. Counterparts. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

IN WITNESS WHEREOF, each of the parties hereto has caused this Agreement to be duly executed and delivered by Authorized Officer as of the date first above written.
