ASSIGNMENT AND ASSUMPTION OF TRADEMARKS  
(United States)

This Assignment and Assumption of Trademarks (this "Assignment") is made as of August 30, 2013, by and between LOUISIANA-PACIFIC CORPORATION, a Delaware corporation with an office at 414 Union Street, Suite 2000, Nashville, Tennessee ("Assignor"), and IP MOULDING INC., a Delaware corporation with an office at 9 Peach Tree Hill Road, Livingston, New Jersey ("Assignee").

RECITALS

A. Assignor and Assignee entered into an Asset Sale Agreement dated August 30, 2013 (the "Sale Agreement"), pursuant to which, subject to the terms and conditions set forth therein, Assignor agreed to assign to Assignee all of Assignor's right, title and interest in, under and to, among other assets, the Intellectual Property, as defined in the Sale Agreement.

B. Assignor owns and has adopted, used and is using in a substantially exclusive and continuous manner in connection with its business the trademarks identified on Exhibit A annexed hereto (the "Trademarks") which are registered with the United States Patent and Trademark Office.

C. Assignor and Assignee have agreed that Assignor shall transfer, convey, assign and sell to Assignee all rights, title and interest of Assignor in and to the Trademarks.

D. Assignor and Assignee have agreed that Assignee shall accept and assume the transfer, conveyance, assignment and sale of the Trademarks.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements contained in this Assignment, Ten and No/00s Dollars (\$10.00), and other good and valuable consideration, the receipt and legal sufficiency of which are acknowledged by the parties, the parties covenant and agree as follows:

1. Recitals. The statements contained in the recitals of fact set forth above are true and correct and by this reference made a part of this Assignment.

2. Assignment and Assumption. Assignor hereby transfers, conveys, assigns, and sells to Assignee, and Assignee accepts and assumes from Assignor, all of Assignor's rights, title and interest in, to and under the Trademarks, whether statutory or at common law, and in and to the registrations identified in Exhibit A and any other registrations and applications for the Trademarks, together with all of the goodwill of the business in which the Trademarks are used or symbolized by the Trademarks, in the United States and any other country, and together with the right to sue and collect damages and profits for past and future infringements of the Trademarks, the intent hereof being to substitute Assignee in the place of Assignor.

3. Representations, Warranties and Covenants. The representations, warranties and covenants set forth in the Asset Sale Agreement dated August 30, 2013 by and between Assignor and Assignee pertaining to the Trademarks are incorporated herein by reference and made a part

hereof, and no other representation and warranties, express or implied, are made in connection with this Assignment.

4. Recordation. Assignor further authorizes the United States Patent and Trademark Office and any other public official or entity whose duty it is to record trademark registrations, applications and title thereto, to record, as of the date of this Assignment, the Trademarks and registrations thereof as the property of Assignee in accordance with the terms of this Assignment.

5. Further Acts. Each party covenants and agrees that it shall take such further actions and duly execute and deliver all such further instruments of sale, transfer, assignment, and conveyance and all such notices, releases, acquittances and other documents as may be necessary to effect the assignment of the Trademarks to Assignee.

6. Amendment. This Assignment may not be modified or amended in any manner other than by a written agreement signed by the parties hereto.

7. Severability. If any term or provision of this Assignment or the application thereof to any persons or circumstances shall, to any extent, be invalid or unenforceable, the remainder of this Assignment or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable shall not be affected thereby, and each term and provision of this Assignment shall be valid and enforced to the fullest extent permitted by law.

8. Binding Effect. This Assignment shall be binding on, and shall inure to the benefit of, each of the parties and their respective successors and assigns.

9. Counterparts. This Assignment may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

10. Headings. The section headings used herein are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Assignment.
