RELEASE OF SECURITY INTERESTS – TRADEMARKS

This Release of Security Interests – Trademarks (this “Release”) is made effective as of August 5, 2013 and is granted by Angiotech Pharmaceuticals, Inc. on behalf of Wells Fargo Foothill, LLC (“Releasor”) in favor of the Releasees listed on Schedule I hereto (each a “Releasee” and collectively, the “Releasees”).

WHEREAS, each Releasee entered into the Trademark Security Agreement dated February 27, 2009 (as amended, restated, supplemented, modified, or otherwise changed from time to time) (the “Trademark Security Agreement”) in favor of Wells Fargo Foothill, LLC, in its capacity as Agent for the Lender Group and the Bank Product Providers (together with its successors, “Agent”), pursuant to which each Releasee granted to Releasor a continuing security interest in all of each Releasee’s right, title and interest in, to and under the Collateral, including the Trademark Collateral;

WHEREAS, the Trademark Security Agreement was recorded at the United States Patent and Trademark Office at Reel 3944/Frame 223 on February 27, 2009; and

WHEREAS, the obligation underlying the Trademark Security Agreement has been discharged and Releasor is willing to release its security interests in and to the all of the Trademark Collateral, including all registrations and applications therefor and all rights associated therewith.

NOW, THEREFORE, in consideration of and in exchange for good and valuable consideration, Releasor hereby agrees as follows:

1. Defined Terms. All capitalized terms used but not otherwise defined herein have the meanings give to them in the Trademark Security Agreement.

2. Release of Trademark Collateral. Releasor hereby, without any representation and warranty and without any recourse to Releasor, releases, relinquishes and discharges its security interests in the Trademark Collateral, including the items listed on Schedule II hereto.

3. Further Assurances. Releasor agrees that, following the date hereof and at Releasees’ request, cost and expense, it will promptly execute and file, or cause to be filed, such further or other documents or instruments as are necessary or desirable to better evidence or otherwise further effect the foregoing release of its security interests in the Trademark Collateral or any of them.

4. Miscellaneous

(a) Governing Law. The validity of this Release, the construction, interpretation, and enforcement hereof, and the rights of the parties hereto with respect to all matters arising hereunder or related hereto shall be determined under, governed by, and construed in accordance with the State of New York.

(b) Counterparts. This Release may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which shall be

deemed to be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Release by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Release. Any party delivering an executed counterpart of this Release by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Release, but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Release.

(c) Severability. Any provision of this Release that is prohibited or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof in that jurisdiction or affecting the validity or enforceability of such provision in any other jurisdiction.

(d) Headings. Headings used in this Release are for convenience only and shall not be used in connection with the interpretation of any provision hereof.

[signature page follows]

IN WITNESS WHEREOF, Angiotech Pharmaceuticals, Inc., on behalf of Releasor, has caused this Release to be duly executed by its officer thereunto duly authorized as of the date first indicated above.

ANGIOTECH PHARMACEUTICALS, INC.
