GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS

September 12, 2013

FOR GOOD AND VALUABLE CONSIDERATION, receipt and sufficiency of which are hereby acknowledged, DOTS, LLC, a Delaware limited liability company, IPC/DOTS LLC, a Delaware limited liability company and DOTS GIFT LLC, an Ohio limited liability company (each, individually, a “Grantor” and collectively, the “Grantors”), hereby pledge and grant to SALUS CAPITAL PARTNERS, LLC, in its capacity as administrative agent, term loan agent and collateral agent (in such capacity and together with any successors in such capacity, the “Agent”), for itself and certain Credit Parties, as pledgee and secured party, a continuing security interest in and lien upon the following: (i) all of each Grantor’s right, title and interest in, to and under the United States trademarks, service marks, trademark registrations, trademark applications and service mark registrations set forth on Schedule A attached hereto (collectively, the “Marks”); (ii) all proceeds and products of the Marks owned by the Grantors; (iii) the goodwill of the businesses with which the Marks are associated; and (iv) all causes of action arising prior to or after the date hereof for infringement of any of the Marks or unfair competition regarding the same (collectively, the “Trademark Collateral”).

This GRANT OF SECURITY INTEREST IN UNITED STATES TRADEMARKS (this “Grant”) has been granted in conjunction with the security interest granted to the Agent under the Security Agreement, dated as of September 12, 2013 (as amended, modified, extended, restated, replaced, or supplemented from time to time, the “Security Agreement”) by and among, each Grantor and the Agent. Unless otherwise defined herein, capitalized terms used herein without definition, shall have the meaning given to such terms in the Security Agreement.

This Grant is made to secure the satisfactory performance and payment of all the Secured Obligations of each Grantor. The rights and remedies of the Agent with respect to the security interest granted herein are as set forth in the Security Agreement, all terms and provisions of which are incorporated herein by reference. In the event that any provisions of this Grant are deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall govern.

Notwithstanding the forgoing, no security interest shall be deemed granted, and the Trademark Collateral shall not include, any intent-to-use trademark applications, for which the creation by a Grantor of a security interest therein is prohibited without the consent of third party or by applicable Law, until such time (if any) as a statement of use or amendment to allege use is accepted by the United States Patent and Trademark Office.

This Grant shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to the conflicts of laws principles thereof, but including Section 5-1401 of the New York General Obligations Law.

This Grant may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed shall be deemed to be an original and all of which

taken together shall constitute one and the same agreement. Signature pages may be detached from multiple separate counterparts and attached to a single counterpart.

[Signature Pages to Follow]

IN WITNESS WHEREOF, the Grantors and the Agent have caused this Grant to be duly executed and delivered by their duly authorized officers as of the date first above written.
