TERMS AND PLAN OF MERGER

1.1 Merger and Effect of Merger.

(a) Entities Merging. The constituent corporations of the Merger shall be the Company and the Merger Sub.

(b) Effect of Merger. Subject to the terms and conditions hereof, at the Effective Time, the Company shall be merged into the Merger Sub and the separate corporate existence of the Company thereupon shall cease. The Merger Sub shall be the surviving corporation in the Merger (the "Surviving Corporation"), and the separate corporate existence of the Merger Sub with all its rights, privileges, powers and franchises shall continue unaffected and unimpaired by the Merger. At and after the Effective Time, the Surviving Corporation shall possess all the rights, privileges, immunities and powers and be subject to all the duties and liabilities of both the Merger Sub and the Company, as provided more particularly in The General and Business Corporation Act of Missouri (the "Missouri Corporation Law"), including without limitation Section 351.450 thereof. The parties intend that, for all Tax purposes, the Merger Consideration received by the Company Stockholders shall be treated as a liquidating payment by the Company to the Company Stockholders immediately following a deemed sale of the Company's assets to the Merger Sub.

(c) Authority to Execute Documents. If, at any time after the Effective Time, the Surviving Corporation shall determine that any deed, bill of sale, assignment, assurance or any other action or thing is appropriate or desirable to vest, perfect or confirm of record or otherwise in the Surviving Corporation its right, title or interest in, to or under any of the rights, properties or assets of the Company and the Merger Sub acquired or to be acquired by the Surviving Corporation as a result of, or in connection with, the Merger or to otherwise carry out this Agreement, the officers and directors of the Surviving Corporation shall be authorized to execute and deliver, in the name and on behalf of the Company, the Merger Sub or otherwise, all such deeds, bills of sale, assignments and assurances and to take and do, in the name and on behalf of the Company, the Merger Sub or otherwise, all such other actions and things as may be appropriate or desirable to vest, perfect or confirm any and all right, title and interest in, to and under such rights, properties or assets in the Surviving Corporation or otherwise to carry out this Agreement.

The Merger shall become effective and be consummated as when provided in the Missouri Articles of Merger, and the stated effective date and time of such Merger Filings is herein referred to as the "Effective Time."

(b) Closing and Closing Date. The closing (the "Closing") of the Merger shall be deemed to take place at the St. Louis, Missouri office of Thompson Coburn LLP, commencing at 9:00 a.m. Central time on or about August 30, 2013, following the satisfaction or waiver of all conditions to the Closing (the "Closing Date").
