5. New Trademark Rights. If, before the Obligations shall have been satisfied in full (other than contingent indemnity obligations) or before the Loan Agreement has been terminated, the Grantor shall (i) become aware of any Trademark Rights of which the Grantor has not previously informed the Lender, or (ii) become entitled to the benefit of any Trademark Rights which benefit is not in existence on the date hereof, the provisions of this

11. Waivers. No course of dealing between any Loan Party and the Lender, nor any failure to exercise, nor any delay in exercising, on the part of the Lender, any right,

power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

12. Severability. The provisions of this Security Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Security Agreement in any jurisdiction.

13. Modification. This Security Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

14. Cumulative Remedies; Power of Attorney; Effect on the Loan Agreement. All of the Lender's rights and remedies with respect to the Trademark Rights, whether established hereby or by any other Loan Document, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. The Grantor hereby authorizes the Lender upon the occurrence and during the continuance of an Event of Default, to make, constitute and appoint any officer or agent of the Lender as the Lender may select, in its sole discretion, as the Grantor's true and lawful attorney-in-fact, with power to (i) endorse the Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Lender in the use of any of the Trademark Rights, (ii) take any other actions with respect to the Trademark Rights as the Lender deems reasonably necessary to enforce its rights under this Security Agreement, (iii) grant or issue any exclusive or non-exclusive license under the Trademark Rights to anyone or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademark Rights to anyone. The Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Obligations shall have been paid in full (other than contingent indemnity obligations) and the Loan Documents have been terminated. The Grantor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of the Lender under any of the Loan Documents but rather is intended to facilitate the exercise of such rights and remedies. The Lender shall have, in addition to all other rights and remedies given it by the terms of this Security Agreement and the other Loan Documents, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in Illinois.

15. Binding Effect; Benefits. This Security Agreement shall be binding upon the Grantor and its respective successors and assigns, and, subject to Section 14.13 of the Loan Agreement, shall inure to the benefit of the Lender, its successors, nominees and assigns.

19. Survival of Representations. All representations and warranties of the Grantor contained in this Security Agreement shall survive the execution and delivery of this Security Agreement and shall be remade on the date of each borrowing under the Loan Agreement.
