EXHIBIT B

TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment"), dated as of August 12, 2011, is made by and between Collect Technologies LLC, a Delaware limited liability company ("Assignor"), and Opflex Solutions Inc., a Delaware corporation ("Assignee").

A. Assignor and Assignee are parties to that certain Asset Purchase Agreement, dated as of August 12, 2011 (the "Asset Purchase Agreement"). Capitalized terms used herein but not defined have the respective meanings ascribed to them in the Asset Purchase Agreement.

B. Pursuant to the Asset Purchase Agreement, Assignee has agreed to purchase all of Assignor's right, title and interest in and to all trademarks, service marks, trade names, trade dress, logos, corporate names and other source or business identifiers set forth on Annex I attached hereto, together with all translations, adaptations, derivations, and combinations thereof and including all goodwill associated with any of the foregoing, and all applications, registrations, renewals and extensions in connection therewith (the "Marks").

NOW, THEREFORE, in consideration of the foregoing recitals, which are incorporated herein by this reference, and the mutual promises, representations, warranties, and covenants contained in the Asset Purchase Agreement and below, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby sells, conveys, transfers, assigns and delivers to Assignee and its successors and assigns, and Assignee purchases from Assignor, all of Assignor's right, title and interest in and to the Marks, anywhere in the world, including without limitation all common law rights associated with and symbolized by the Marks, together with Assignor's rights to enforce the Marks, all causes of action, claims and rights to damages or profits, due or accrued, arising out of past unauthorized use of the Marks, or injury to the goodwill associated with the Marks, and the rights to sue for and recover the Marks in Assignee's own name.

2. Cooperation and Recordation. Assignor shall cooperate with Assignee and its successors and assigns as reasonably necessary to give full effect to this Assignment and to perfect the rights of Assignee in the Marks. Without limiting the foregoing, Assignor shall execute and deliver such other documents and take all such other actions as Assignee or its successors and assigns may reasonably request to effect the terms of this Assignment, including the execution and delivery of any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Assignment. Assignor acknowledges that Assignee or its assigns may record this Assignment in the United States Patent and Trademark Office as Assignee deems necessary, and Assignee shall be responsible for all expenses and costs associated therewith.

3. No Rights in Third Parties. Nothing expressed or implied in this Assignment is intended to confer upon any person, other than Assignor and Assignee and their respective

successors and assigns, any rights, remedies, obligations or liabilities under or by reason of this Assignment.

4. Terms of Asset Purchase Agreement. This Assignment shall be interpreted in accordance with the terms and subject to the conditions set forth in the Asset Purchase Agreement, which Asset Purchase Agreement shall govern in the event of a conflict between the terms hereof and those set forth in the Asset Purchase Agreement.

5. Successors and Assigns. This Assignment shall bind and inure to the benefit of Assignor and Assignee and their respective successors and assigns.

6. Governing Law. This Assignment will be governed by and construed in accordance with the laws of the State of Delaware, other than such laws, rules, regulations and case law that would require the application of the law of a state other than the State of Delaware.

7. Counterparts. This Assignment may be executed in any number of counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart to this Assignment by facsimile or other electronic means (e.g., electronic mail or PDF) shall be effective as delivery of a manually executed counterpart to this Assignment.

IN WITNESS WHEREOF, the undersigned have caused this Assignment to be executed as of the date first written above by their respective officers thereunto duly authorized.
