TRADEMARK ASSIGNMENT

This Agreement, effective as 9/13/13, is by and between Shirley Beans Productions LLC (Hereinafter "Assignor") on the one hand and Viacom International Inc. (hereinafter "Viacom") on the other hand.

WHEREAS Assignor is the owner of certain rights in and to the Weird Vibes mark including but not limited to all rights, title and interest in and to U.S. Federal trademark Registration number 4,155,485 (this Registration and all common law rights relating to the "Weird Vibes" property are hereafter collectively referred to as the "Trademark"); and

WHEREAS, Viacom and Assignor are desirous of entering into an agreement (the "Agreement") assigning Viacom all rights, title and interest in and to the Trademark ; and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. **Assignment** - Assignor hereby assigns to Viacom all rights, title and interest in and to the Trademark and other such intellectual property associated with the "Weird Vibes" property including, without limitation, the above-referenced Registration therefore, together with the goodwill of the business symbolized by the Trademark, and with all past, present and future claims that could be asserted by Assignor arising out of or relating to the use or ownership of the Trademark.
2. **Further Documents** - Assignor further authorizes the United States Commissioner of Patents and Trademarks and the appropriate agency in any and all foreign territories in which the Trademark has been filed to record the Trademark and title thereto as property of Viacom, its successors, legal representatives and assigns and agrees to cooperate with Viacom in any legal action that Viacom may take regarding the protection of the rights of Viacom in the Trademark. Assignor agrees to execute any documents that may be required to record the assignment with the U.S. Patent and Trademark Office, and any other documents required to record Viacom as the owner of the Mark.
3. **Representations and Warranties** - Assignor warrants and represents that: (i) Assignor has full right, power and authority to enter into this Assignment and to convey the Trademark to Viacom; (ii) Assignor has never granted and will not in the future grant any rights to third parties that would purport to violate, conflict with or otherwise be inconsistent with any term or provision of this Assignment; (iii) neither the Trademark, nor Viacom's uses thereof, violate any rights of any kind or nature whatsoever of any third party; (iv) all trademark and other intellectual property rights associated with the Viacom property are herein assigned via this Assignment; (v) all rights in the Trademark are enforceable, valid and subsisting and in full force and effect; and (vi) Assignor has not granted any release, covenant not to sue, or non-assertion assurance to any third party with respect to the Trademark.

4. Indemnification - Assignor agrees to indemnify Viacom, and its parent, subsidiaries, affiliates, and all officers, directors, shareholders, agents, employees, representatives and associates thereof, and save and hold harmless each of them from any claim, suit, harm, damages or costs (including attorneys' fees and expenses) incurred by Viacom arising out of the breach of any warranties or representations contained in this Assignment.

5. Miscellaneous-

- a. Assignor and Viacom are each independent contractors. Nothing herein shall be deemed to create the relationship of partner, principal and agent, or joint venture between the parties. Neither party has the right or authority to incur obligations of any kind in the name of or for the account of the other party nor to commit or bind the other party to any contract or other obligation.
- b. If any provision of this Trademark Assignment is invalid or unenforceable, it shall not affect the validity or enforceability of the other provisions.
- c. Assignor acknowledges that, in the event of any breach by Viacom, the damage, if any, incurred by Assignor thereby will not entitle Assignor to seek injunctive or other equitable relief and Assignor specifically waives any right it may have to injunctive relief.
- d. This Trademark Assignment shall be governed by and interpreted under the laws of the State of New York without regard to its conflicts of laws provisions. Each party hereby submits to personal jurisdiction in New York County, New York.
- e. The parties hereto agree to execute other writings, documents, and instruments as may be necessary to effectuate the purpose of this Trademark Assignment.
- f. This Trademark Assignment constitutes the entire understanding between the parties and supersedes all previous agreements or negotiations on the subject matter herein, whether written or oral, and shall not be modified or amended except by written agreement duly executed by both parties. Failure or delay on the part of either party to exercise any right under this Trademark Assignment shall not constitute a waiver.
- g. Notice under this Trademark Assignment shall be in writing and shall be served upon either party as provided for in the Agreement.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as set forth below.
