IN THE UNITED STATES PATENT AND TRADEMARK OFFICE,
ASSIGNMENT BRANCH

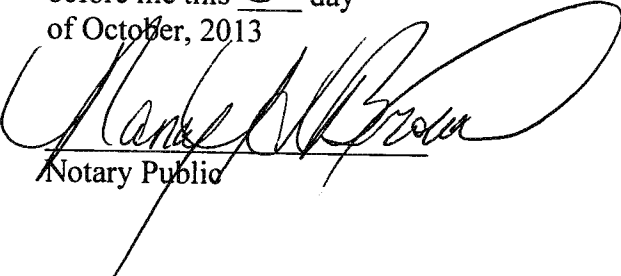

In re: Trademark Registration Nos. 2737955, 2942344, 2737643 and 2617357 in the name of First Service Networks, Inc. and Security Interests by FSN Finance, LLC

AFFIDAVIT OF MICHAEL FERREIRA

1. I am the President of First Service Networks, Inc., a Maryland corporation ("FSN"), and am authorized to make this affidavit herein. The statements made herein are within my personal knowledge and, if called to testify thereto, I would be competent to do so.
2. FSN and FSN Finance, LLC ("FSN Finance") are parties to a Security Agreement ("Security Agreement") dated November 21, 2001 for purposes of securing obligations to FSN Finance including those arising under a certain Credit Agreement between the parties dated November 21, 2001.
3. Schedule 3.17 of the Security Agreement included Registration Nos. 2737955, 2942344, 2737643 and 2617357 and was recorded December 4, 2001 in the United States Patent and Trademark Office Assignment records under Reel 2404, Frame 0371.
4. To the best of my knowledge and belief, no release of the Security Agreement was ever executed and recorded releasing the security interest in the Collateral listed in Schedule 3.17 of the Security Agreement. At this time, FSN Finance no longer exists and thus there is no longer available any other duly authorized officer with knowledge of these facts to execute an appropriate Release of the IP Security Agreement.
5. To the best of my knowledge and belief, since the underlying debt to FSN Finance has been paid and no longer exists, it is respectfully requested that the records of the Assignment Branch of the United States Patent and Trademark Office reflect the circumstances preventing obtaining Releases of the IP Security Agreement recorded by FSN Finance in Reel 2404, Frame 0371.
