QUIKRETE™	U.S. VIRGIN ISLANDS	Apply to register QUIKRETE in Classes 1 and 2. We wrote to local counsel on 3/12/99 saying we would like to obtain registration(s) for all of Quikrete's goods in International Classes 1 and 2, saying if possible to file for all the goods contained in those classes without incurring additional costs, we would prefer to do that. We instructed them that since Quikrete already has an existing registration in the Virgin Islands for QUIKRETE in Class 19, to perform only a basic search for the identical mark in Classes 1 and 2 if they feel a search is necessary. Letter from local counsel dated 4/12/99 indicates that there is no original Virgin Islands trademark registration available. You must have a US Registration before you can obtain a Virgin Islands registration.	Consider Registration of International Class 1 & 2 applications
