Each Obligor agrees and covenants not to sell or assign its interest in, or grant any exclusive license under, the Patents, Marks, Copyrights or Licenses, without receiving the prior written consent of Lender thereto.

**4. Certain Representations and Warranties of each Obligor.** Each Obligor represents and warrants (to the best of such Obligor's knowledge with respect to any Patents, Marks and Copyrights which are licensed by third parties to such Obligor) that: (i) the Patents, Marks, Copyrights and Licenses are subsisting, valid and enforceable in whole and in part; (ii) none of the Patents, Marks, Copyrights and Licenses have lapsed or expired or have been abandoned, whether due to any failure to pay any maintenance or other fees or make any filing or otherwise; (iii) such Obligor is unaware of any invalidating prior art (including public uses and sales) relative to the Patents, and is unaware of any impairments to the Patents, Marks, Copyrights or Licenses which would have a material adverse effect on or affect the validity, use and/or enforceability of the Patents, Marks, Copyrights or Licenses; (iv) to the knowledge of such Obligor, the use of the Patents, Marks, Copyrights or Licenses and the present or contemplated products or operations of such Obligor's business does not constitute an infringement, misappropriation or other violation; (v) such Obligor owns the entire right, title and interest in and to or has the right to use each of the Patents, Marks and Copyrights free and clear of any Liens and encumbrances of every kind and nature except for (A) rights granted by such Obligor pursuant to the applicable licenses listed on Schedules B, D and F, and (B) Liens and encumbrances in favor of Lender pursuant to this Agreement or the other Financing Agreements; (vi) the Patents, Marks and Copyrights and Licenses listed on Schedules A, B, C, D, E and F constitute all such items of registered intellectual property or agreements related thereto in which such Obligor has any right, title or interest; and (vii) such Obligor has the unqualified right to enter into this Agreement and perform its terms. There is no pending or, to the knowledge of such Obligor, threatened claim or litigation against or affecting any Obligor contesting (a) its right to manufacture, process, sell or use any such product or to engage in any such operation of its business, (b) its right to use any intellectual property used in or necessary

for the operation of its business, or (c) the validity or enforceability of any such intellectual property.

**5. New Patents, Marks, Copyrights and Licenses.** If, before the Liabilities shall have been satisfied in full and the Credit Agreement shall have been terminated, any Obligor shall (i) files an application for a patent, trademark, service mark, copyright, or trade name or enters into a license that in each case, is not, as of such date, listed on any Schedule attached hereto, or (ii) become entitled to the benefit of any application or registration of any patent, trademark, service mark, copyright, or license, the provisions of Section 2 above shall automatically apply thereto and such Obligor shall give to Lender written notice thereof simultaneously with the delivery of any Compliance Certificate due thereafter. This Agreement and the applicable Schedule hereto shall be deemed modified by any such written notice, as applicable.

**6. Royalties; Terms.** Each Obligor hereby agrees that the security interest of Lender in all Patents, Marks, Copyrights and Licenses as described above shall be worldwide (or in the case of the Patents, Marks and Copyrights licensed to an Obligor such smaller geographic location if any is specified for such Obligor's use in the applicable License) and, without any liability for royalties or other related charges from Lender to such Obligor. The term of the security interest granted herein shall extend until the earlier of (i) the expiration of each of the respective Patents, Marks, Copyrights and Licenses assigned hereunder, or (ii) satisfaction in full of the Liabilities (other than Unasserted Contingent Indemnification and Cost Reimbursement Claims) and termination of the Credit Agreement.

**7. Inspection.** Pursuant to the terms and conditions of the Credit Agreement, Lender shall have the right to inspect any Obligor's premises and to examine any Obligor's books, records and operations.

**8. Termination of Each Obligor's Interest.** This Agreement is made for collateral purposes only. Upon satisfaction in full of the Liabilities (other than Unasserted Contingent Indemnification and Cost Reimbursement Claims) and termination of the Credit Agreement, subject to any disposition thereof which may have been made by Lender pursuant hereto or pursuant to any of the other Financing Agreements, the security interest granted hereunder shall automatically be extinguished. Lender shall, at the request of any Obligor and at each Obligor's reasonable expense, execute and deliver to such Obligor, all termination statements and other instruments as may be necessary or proper to evidence the termination of Lender's security interest granted to Lender pursuant to this Agreement, subject to any disposition thereof which may have been made by Lender pursuant hereto or pursuant to any of the other Financing Agreements. Any such termination statements and instruments shall be without recourse upon or warranty by Lender.

**9. Duties of the Obligors**. Except to the extent the same is not material to such Obligor's business, each Obligor shall have the duty (i) to prosecute diligently any application with respect to Patents, Marks and Copyrights, in each case pending as of the date hereof or hereafter, (ii) to preserve, maintain and enforce any infringement, misappropriation or other

TRADEMARK
REEL: 005131 FRAME: 0959

violation of the Patents, the Marks, and the Copyrights, (iii) to use proper statutory notice in connection with its use of the Patents, Marks and Copyrights (except as to any thereof which is not material to such Obligor's business); and (iv) to use standards of quality in its manufacture of products sold under the Marks consistent with those currently employed by it. Any expenses incurred in connection with the foregoing (including, but not limited to, maintenance or renewal fees) shall be borne by the Obligors. Except to the extent the same is not material to such Obligor's business, each Obligor shall not abandon any pending patent application, trademark application, copyright application, service mark application, patent, trademark, service mark or copyright without the written consent of Lender.

**10. Lender's Right to Sue**. From and after the occurrence and during the continuance of a Default, Lender shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Patents, the Marks, the Copyrights and the Licenses, and any licenses thereunder, and, if Lender shall commence any such suit, each Obligor shall, at the request of Lender, do any and all lawful acts and execute any and all proper documents reasonably required by Lender in aid of such enforcement, and each Obligor shall promptly, upon demand, reimburse and indemnify Lender for all reasonable costs and expenses incurred by Lender in the exercise of its rights under this Section 10.

**11. Waivers**. No course of dealing between any Obligor and Lender, nor any failure to exercise, nor any delay in exercising, on the part of Lender, any right, power or privilege hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

**12. Severability**. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

**13. Modification**. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 5 hereof or by a writing signed by the parties hereto.

**14. Further Assurances.** Each Obligor shall execute and deliver to Lender, at any time or times hereafter at the request of Lender, all papers (including, without limitation, any as may be deemed desirable by Lender for filing or recording with any Patent and Trademark Office and/or the Copyright Office, and any successor or governmental entity similar thereto) and take all such actions (including, without limitation, paying the cost of filing or recording any of the foregoing in all public offices reasonably deemed desirable by Lender), as Lender may request, to evidence Lender's interest in the Patents, Marks, Copyrights and Licenses and the goodwill associated therewith and enforce Lender's rights under this Agreement.

**15. Cumulative Remedies; Power of Attorney; Effect on Financing Agreements**. All of Lender's rights and remedies with respect to the Patents, Marks, Copyrights and Licenses, whether established hereby, by any of the Financing Agreements or otherwise, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Each Obligor hereby constitutes and appoints Lender as such Obligor's true and lawful attorney-in-fact, with full power of substitution in the premises, with power at any time after the occurrence and during the continuance of a Default, to (i) endorse such Obligor's name on all applications, documents, papers and instruments determined by Lender as necessary or desirable for Lender in the use of the Patents, Marks, Copyrights and Licenses, (ii) take any other actions with respect to the Patents, Marks, Copyrights and Licenses as Lender deems in good faith to be in the best interest of Lender, (iii) grant or issue any exclusive or non-exclusive license under the Patents, Marks or Copyrights to any Person, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Patents, Marks, Copyrights or Licenses to any Person. Each Obligor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Liabilities (other than Unasserted Contingent Indemnification and Cost Reimbursement Claims) shall have been satisfied in full and the Credit Agreement shall have been terminated. Each Obligor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of Lender under the Credit Agreement or any of the Financing Agreements but rather is intended to facilitate the exercise of such rights and remedies. Lender shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Patents, Marks, Copyrights or Licenses may be enforced. Each Obligor hereby releases the Lender from any and all claims, causes of action and demands at any time arising out of or with respect to any actions taken or omitted to be taken by the Lender under the powers of attorney granted herein.

**16. Binding Effect; Benefits.** This Agreement shall be binding upon each Obligor and its respective successors and assigns and shall inure to the benefit of Lender and its respective successors, assigns and nominees.

**17.
