RELEASE OF SECURITY INTEREST AND ASSIGNMENT

THIS RELEASE OF SECURITY INTEREST AND ASSIGNMENT (this "Release and Assignment") is given as of this 17th day of October, 2013 by Escalate Capital Partners SBIC I, L.P. ("Secured Party") to Affinity VideoNet, Inc. ("Company").

BACKGROUND

A. Company and Secured Party entered into an Intellectual Property Security Agreement ("Security Agreement") dated October 1, 2012, pursuant to which Company granted and assigned to Secured Party a security interest in Company's trademarks, as identified in Exhibit A attached hereto (the "Trademarks"). The foregoing grant of security interest was recorded with the United States Patent and Trademark Office on October 3, 2012, in Reel/Frame 4872/0771.

B. Company's obligations under the parties' Loan and Security Agreement dated October 1, 2012, pursuant to which the security interest in the Trademarks was granted, have been fully satisfied and discharged, and the parties wish to evidence the release of the security interest in the Trademarks and assign all rights, title and interests in and to the Trademarks to Company.

RELEASE AND ASSIGNMENT

In consideration of the satisfaction and discharge in full of the obligations of Company, Secured Party has, and by this Release and Assignment does, (i) terminate the Security Agreement and fully release and discharge all liens, security interests, right, title and interest it may have in and to the Trademarks; (2) assigns to Company any and all such right, title, and interest it may have in and to the Trademarks; (3) agree that it shall execute all other documents and do all other acts necessary to relinquish and effect the release of such rights to Company; and (4) authorize and request that the United States Patent and Trademark Office note and record the release hereby given and any other filings necessary to evidence the release and termination of the Secured Party's rights under the Security Agreement. Company is hereby authorized to file this Release and Assignment and any other instruments with the United States Patent and Trademark Office to evidence the same, and to remove the recordation of Secured Party's security interest in the Trademarks.

IN WITNESS WHEREOF, Said Party has executed this Release and Assignment as of the day and year first set forth above.
