B. Pursuant to the Security Agreements, Borrower granted to Agent, for the benefit of the Secured Parties, a security interest in all of the Borrower's right, title and interest in to and under all of Borrower's Trademarks and all IP Licenses providing for the grant by or to such Borrower of any right under any Trademark, including, without limitation, the Trademarks listed on Schedule I hereto, together with all renewals and extensions of the foregoing, all goodwill of the business connected with the use of, and symbolized by, each such Trademark, and all income, royalties, proceeds and Liabilities at any time due or payable or asserted under and with respect to any of the foregoing, including, without limitation, all rights to sue and recover at law or in equity for any past, present and future infringement, misappropriation, dilution, violation or other impairment thereof (collectively, the "Trademark Collateral"), which security interests were recorded with the United States Patent and Trademark Office on December 15, 2011 at Reel/Frame 4680/0673.
