B. Additionally, Buyer desires to purchase from Seller all of the Intellectual Property.

C. D. Capitalized terms used herein shall have the meaning set forth in the Table of Definitions attached hereto as Schedule 1.0 unless otherwise defined herein.

AGREEMENT

NOW, THEREFORE, in consideration of the foregoing premises and the covenants, agreements, representations and warranties contained herein, the parties hereto hereby agree as follows:

1

CFM 182042v.9

ARTICLE I
ASSETS AND LIABILITIES

1.1. Acquired Assets.

(a) Subject to the terms and the conditions set forth in this Agreement and on the basis of the representations and warranties herein, Seller agrees to sell, convey, transfer, assign and deliver to Buyer and Buyer agrees to purchase, receive and accept from Seller all of its right, title and interest in and to the assets and properties of every kind, character and description (other than property and rights specifically excluded in this Agreement), used in or for the benefit of Seller's Business, whether tangible, intangible, personal or mixed, and wherever located, including but not limited to the Intellectual Property (collectively referred to hereinafter as the "Acquired Assets"), including but not limited to the assets set forth at Schedule 1.1 hereto.

(b) Without limitation of the foregoing, the Acquired Assets shall include all tangible property, equipment, tools, supplies, (including office supplies and furnishings but excluding inventory items pursuant to Section 4.25 used for manufacturing electronics), customer and vendor lists, goodwill, name, website, software, Intellectual Property, drawings, plans, schematics, Assigned Contracts, Assigned Personal Property Leases, copies of books and records (including customer records and files to the extent transferable under applicable law relating to Seller's Business), all Licenses, permits, and certificates to the extent transferable to Buyer, and the Working Capital hereinafter set forth in paragraph 1.2 hereof. In the event original documents are required by Buyer for purposes of conducting Seller's Business including *inter alia* collecting accounts receivable, Seller will provide reasonable cooperation to Buyer in that regard.

1.2. Excluded Assets. Notwithstanding anything contained in Section 1.1, Buyer is not purchasing Seller's assets or properties expressly set forth on Schedule 1.2 (such assets being referred to as the "Excluded Assets" and such Schedule 1.2 being referred to herein as the "Excluded Assets Schedule").

1.3. Assumed Liabilities. As of the Closing Date, the Seller shall assign to the Buyer and the Buyer shall assume Seller's obligations arising from events occurring on or after the Effective Date under those agreements and contracts designated specifically on Schedule 4.3 as Assigned Personal Property Leases and on Schedule 4.20 as Assigned Contracts as well as any current liabilities used to reduce the Working Capital as provided in 1.2 and listed on Schedule 1.2 (collectively, the "Assumed Liabilities").

1.4. Excluded Liabilities. EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, BUYER DOES NOT ASSUME AND SHALL NOT BE LIABLE FOR ANY OF THE DEBTS, OBLIGATIONS OR LIABILITIES OF SELLER, SELLER'S BUSINESS, ANY STOCKHOLDERS OR ANY AFFILIATE OF SELLER OR STOCKHOLDERS, WHENEVER ARISING AND OF WHATEVER TYPE OR NATURE. In particular, but without limiting the foregoing, Buyer shall not assume, and shall not be deemed by anything contained in this Agreement (other than Section 1.3 Assumed Liabilities) to have assumed and shall not be liable for any debts, obligations or liabilities of Seller, any Affiliate of Seller or Seller's Business whether known or unknown, contingent, absolute or otherwise and whether or not they would be included or disclosed

in financial statements prepared in accordance with GAAP (the "Excluded Liabilities") except for any current liabilities used to reduce the Working Capital as provided in 1.2. Without limitation of the foregoing and except as expressly provided herein, the Excluded Liabilities shall include debts, liabilities and obligations: (a) under any real estate lease or any contract or agreement to which Seller is a party or by which Seller or Seller's Business is bound that has not been listed as an Assigned Contract on Schedule 4.20 hereof or any Personal Property Lease by which Seller or Seller's Business is bound that has not been listed as an Assigned Personal Property Lease on Schedule 4.8 hereof; (b) with respect to any Assigned Contract or Assigned Personal Property Lease, arising from the period prior to the Closing Date; (c) arising out of any collective bargaining agreement to which any of the Seller is a party; (d) for any employee pension plan or any retirement obligations; (e) for any obligation for Taxes payable by Seller; (f) for any liability for local or state sales, use or transfer tax and taxes that may be imposed upon the sale or assignment of the Acquired Assets pursuant to this Agreement and the Assignment and Assumption and Bill of Sale, regardless of when such obligations may become known and due; (g) for any damages or injuries to persons or property or for any tort or strict liability arising from events, actions or inactions in Seller's Business or the operation of Seller's Business prior to the Closing Date; (h) arising out of any litigation arising with respect to the period prior to the Effective Date, whether or not threatened or pending on or before the Effective Date; (i) incurred by Seller or by Seller's Business for borrowed money; (j) for any accounts payable of Seller or any Affiliate of Sellers other than the trade payables listed on Schedule 1.4(j) which are included in the Assumed Liabilities. The intent and objective of Buyer and Seller is that, except for liabilities explicitly assumed by Buyer hereunder, Buyer does not assume, and no transferee liability shall attach to Buyer pertaining to, any of the Excluded Liabilities.

With respect to the PDO Volume Discount as identified on Line 581 of the Interim Financial Statement, in the event PDO seeks payment or credit for such discount, neither Buyer nor Seller has agreed in this Agreement to pay or honor the discount and the amount of any discount claimed or requested will not be applied as an adjustment to Working Capital under Section 2.1 or be deducted from the Contingent Payments in Section 2.4.

1.5. Employees. Buyer shall be under no obligation to hire any of Seller's employees, but shall be free to do so if it so desires. Once any employee accepts employment by Buyer, that employee's personnel file will be turned over to Buyer and any applicable employment related contracts will, if requested by Buyer and to the extent permitted in any such contracts, be assigned by Seller to Buyer. For any employees not hired, Seller will cooperate fully with Buyer in enforcing any confidentiality or noncompete provisions in any such contracts that existed as of Closing at Buyer's sole cost and expense. For any employees hired by Buyer, Buyer will be responsible for any accrued but untaken vacation.

1.6. Instruments of Transfer. The sale of the Acquired Assets and the assumption of the Assumed Liabilities as herein provided shall be effected at Closing by the Assignment and Assumption and Bill of Sale in the form attached hereto as Exhibit "A".

1.7. Payment of Sales Taxes. Seller covenants and agrees to pay any and all sales, use or other transfer taxes payable by reason of the transfer and conveyance of the Acquired Assets hereunder. The parties will prepare and deliver and if necessary file at or before Closing all transfer

tax returns and other filings necessary to vest in Buyer full right, title and interest in the Acquired Assets.

ARTICLE II PURCHASE PRICE

2.1. Purchase Price. Subject to any adjustments and transfer of Working Capital to Buyer which may be set forth below and in reliance on Seller and Stockholders' representations, warranties and covenants, the cash portion of the purchase price to be paid by Buyer to Seller for the Acquired Assets shall be One Million Five Hundred Seventy-Two Thousand Five Hundred Ten Dollars (\$1,572,510) which together with the payments described in Section 2.24 (collectively, the "Purchase Price"), to be paid to Seller and the other entities and individuals set forth on Schedule 2.1 hereto in the amounts set forth on said Schedule in immediately available funds via wire transfer on the Closing Date. Of this amount, Thirty Thousand Dollars (\$30,000) has previously been paid to Seller. All dollar amounts herein are in United States Dollars. Provided however, Seller shall transfer to Buyer at Closing, Working Capital in the amount of \$1,350,161. If the Working Capital balance is more or less than that amount on the August 22, 2009 Financial Statement to be delivered by Seller (the "Closing Balance Sheet"), the Purchase Price will be adjusted upward or downward accordingly. The cash portion of the Purchase Price shall be subject to a \$150,000.00 escrow agreement for a period of forty (40) days after Closing with such funds held in the trust account of Adair & Myers, PLLC. Within forty (40) days after Closing, Buyer will reconcile all current asset and liability accounts as shown on the August 22, 2009 Financial Statement and adjust the Purchase Price to reconcile Working Capital through escrow (plus cash payment from Buyer if the deficiency exceeds the escrow amount) for any deficiencies or by an additional cash payment to Seller for any increases in Working Capital. Seller's advisors will have 3 days to review the reconciling schedules and the agreed upon escrow funds balance will be released by mutual consent and any necessary cash payment made on the 44th day after Closing.

2.2. Pro-Rations. All ordinary course of business expenses incurred, such as ISP, will be pro-rated as of the Effective Date, such that Buyer is responsible for amounts incurred on or after the Effective Date and Seller is responsible for amounts incurred prior to the Effective Date.

2.3. Negotiated Value. The parties agree that the Purchase Price reflects the fair value of the Acquired Assets, agreed to by the parties hereto as a result of arms' length negotiations.

2.4. Contingent Payments. In addition to the payment described in Section 2.1 above, Buyer shall also pay to Seller the following "Contingent Payments:"

(a) Buyer shall pay to Seller fifty percent (50%) of the generated Gross Margin generated by Buyer on the Schlumberger N. Jurassic thirty (30) well project in Kuwait, but not to exceed One million five hundred thousand dollars (\$1,500,000).

(b) Buyer shall pay to Seller ten percent (10%) of the generated Gross Margin for goods and services provided by Buyer within three (3) years after the Effective Date on the next one hundred twenty (120) wells in the Schlumberger N. Jurassic project in Kuwait.

(c) Buyer shall pay to Seller seven percent (7%) of the Gross Revenue for the three (3) years following the Effective Date from those projects in UAE, Saudi Arabia, Kuwait, Oman and West Africa as identified on Schedule 2.4 (c).

(d) Contingent Payments shall be remitted to Seller on a quarterly basis in arrears and shall be accompanied by sufficient supporting information that Seller will be able to verify the calculation. Seller shall have the right upon reasonable advance written notice to Buyer to audit the books and records of Buyer relating to the project that resulted in the Contingent Payment to the extent necessary to verify the calculation of the payment. Unless Seller disputes such payment within six (6) months of receipt, such payment shall be conclusively deemed correct. Seller shall have the right to transfer the right to receive Contingent Payments to a successor entity or to a third party upon written notice to Buyer and upon such transfer, the transferee shall succeed to the audit rights in this Section. The above notwithstanding, Buyer will retain the right to setoff against any Contingent Payments any and all amounts owed to Buyer by Seller hereunder.

ARTICLE III CLOSING

The Closing of the sale and purchase of the Acquired Assets ("Closing") shall take place on or before August 25, 2009 or such other date as the parties may mutually agree (the "Closing Date") at the offices of Thomas W Graves at ADAIR AND MYERS, PLLC, 3120 Southwest Freeway, Suite 320 Houston, Texas 77098 or by facsimile transmission and United States or overnight mail. Buyer and Seller shall use their respective good faith efforts to close this transaction as promptly as possible but no later than August 25, 2009. Once Closing has occurred, Closing shall be deemed to have occurred at 12:01 a.m. local time at the location of Seller's Business on the Effective Date.

ARTICLE IV REPRESENTATIONS AND WARRANTIES OF SELLER

Seller represents and warrants to Buyer, as of the Execution Date, Effective Date and as of the Closing Date, as follows:

4.1. Organization, Good Standing and Qualification. Seller is a corporation, duly organized, validly existing and in good standing under the provisions of the laws of the State of Delaware, and is qualified and licensed to do business in every other jurisdiction in which it conducts business or the nature of its business and operations would require qualification as a foreign corporation. Seller has all requisite power and authority to own and operate its properties and to carry on its business as now conducted. Seller has all power and authority to enter into this agreement and perform its obligations under the Acquisition Agreements.

4.2. Authorization; Binding Obligation. Seller has full legal and corporate right, power, and authority to execute and deliver the Acquisition Agreements, and to carry out the transactions contemplated thereby. The execution and delivery by Seller of the Acquisition Agreements and all of the documents and instruments required thereby and the consummation of the transactions contemplated thereby have been duly authorized by all requisite action on the part of Seller. The Acquisition Agreements and each of the other documents and instruments required thereby or

delivered in connection therewith have been duly executed and delivered by the Seller and constitute the legal, valid and binding obligations of, enforceable in accordance with their respective terms.

4.3. Consents and Approvals.

(a) Governmental Consents and Approvals. Except as set forth on Schedule 4.3(a), no registration or filing with, or consent or approval of, or other action by, any federal, state or other governmental agency or instrumentality is or will be necessary for the valid execution, delivery and performance of this Agreement by Seller, the transfer of the Acquired Assets to Buyer or the operation of the Acquired Assets by Buyer without change following Closing.

(b) Third Party Consents. Except as set forth on Schedule 4.3(b), no consent, approval or authorization of any non-governmental third party is required in order to consummate the transactions contemplated hereby or to vest full right, title and interest in the Acquired Assets free and clear of any Lien upon Buyer, all without any change in the Acquired Assets and all rights therein after Closing (each, a "Third Party Consent"). In the event all such consents are not obtained prior to the Closing Date, then in such event Seller, and Buyer will continue to exercise best efforts to obtain such consents as quickly as practical and will work cooperatively so that Buyer may, to the maximum extent possible, enjoy the benefits of the bargain hereunder.

4.4. No Violation. The execution, delivery, compliance with and performance by Seller of the Acquisition Agreements and each of the other documents and instruments delivered in connection therewith do not and will not (a) violate or contravene the organizational certificates, documents and agreements, as amended to date, of Seller, (b) violate or contravene any law, statute, rule, regulation, order, judgment or decree to which Seller is subject, (c) conflict with or result in a breach of or constitute a default by any party under any contract, agreement, instrument or other document to which Seller or any stockholder is a party or by which Seller or any stockholder or any of their assets or properties are bound or subject or to which any entity in which Seller or any stockholder has an interest, is a party, or by which any such entity is bound, or (d) result in the creation of any Lien upon the Acquired Assets.

4.5. Licenses and Permits. Schedule 4.5 attached hereto contains a true, correct and complete list and summary description of all Licenses which have been issued to Seller in connection with the Acquired Assets or Seller's Business (the "Seller Licenses"). Each License is valid and in full force and effect as of the date hereof, no Seller's License is subject to any Lien, limitation, restriction, probation or other qualification other than those set forth in the License and there is no default under any Seller's License or any basis for the assertion of any default thereunder. Schedule 4.5 specifies the holder of each Seller's License. To Seller's Knowledge, there is no investigation or proceeding, threatened or pending, that could result in the termination, revocation, limitation, suspension, restriction or impairment of any Seller's License or the imposition of any fine, penalty or other sanctions for violation of any legal or regulatory requirements relating to any Seller's License or, to the best of Seller's knowledge, any basis therefor. Seller has, and has had at all relevant times, all Licenses that are or were necessary in order to enable Seller to own the Acquired.

4.6. No Subsidiaries. Seller does not own and has not owned, either directly or indirectly, any interest or investment (whether debt or equity) in or been a member of any corporation,

partnership, joint venture, business trust or other entity, or securities sold to the public through normal brokerage sources.

4.7. Acquired Assets. Seller is the sole and exclusive legal and equitable owner of all right, title and interest in, and has, or will have as of Closing, good, clear, indefeasible, and marketable title to, all of the Acquired Assets free of all Liens. All of the Acquired Assets have been maintained in accordance with normal industry practice, and are in good operating condition and repair. Seller will convey to Buyer on the Closing Date all of the Acquired Assets free and clear of any Lien, including the conveyance to Buyer of any item not owned by Seller on the Effective Date or not owned free of any Lien by Seller on the Effective Date, which items are set forth on Schedule L.I.

4.8. Leases of Personal Property. For the purposes of this Agreement, "Personal Property Leases" means any lease, conditional or installment sale contract, Lien or similar arrangement to which any tangible personal property used by Seller in connection with the operation of Seller's Business is subject. Except as set forth on Schedule 4.8, none of the tangible personal property used by Seller in connection with the operation of Seller's Business is subject to a Personal Property Lease.

4.9. Interim Financial Statement. Set forth on Schedule 4.9 is the unaudited balance sheet of Seller's Business as of July 29, 2009 and the related unaudited statement of income for the period then ended, prepared in accordance with GAAP (the "Interim Financial Statement"). The Year-End Financial Statement and the Interim Financial Statement, together with the Closing Balance Sheet, as defined in Section 6.6 below, are referred to herein collectively as the "Financial Statements." The Financial Statements fairly present the financial condition and the results of operations and cash flow of Seller's Business (and no other business of Sellers) as of the respective dates of and for the periods referred to in such financial statements, all in accordance with GAAP, subject, in the case of the Closing Balance Sheet and the Interim Financial Statement, to the absence of footnotes, provided that any disclosure omitted due to the absence of such footnotes does not either individually or in the aggregate have a Seller's Material Adverse Effect. The Financial Statements reflect the consistent application of GAAP throughout the periods involved.

4.10. Absence of Certain Events. Since the date of the Interim Financial Statement, Seller's Business has been conducted only in the ordinary course and in a manner consistent with past practices. As amplification and not in limitation of the foregoing, since the date of the Interim Financial Statement, with respect to Seller's Business, there has not been:

- (a) any decrease in the value of the Acquired Assets other than ordinary depreciation consistent with past practices or sales of inventory in the ordinary course of business;
- (b) any voluntary or involuntary sale, assignment, license or other disposition, of any kind, of any property or right included in the Acquired Assets, except, as specifically contemplated by this Agreement and except for the utilization of supplies, equipment and parts in the ordinary course of business;
- (c) any Lien imposed or created on the Acquired Assets;

- (d) any Seller's Material Adverse Effect;
- (e) any damage or destruction of any of the Acquired Assets;
- (f) any sale, transfer, assignment, termination, modification or amendment of any Assigned Contract, except for terminations, modifications and amendments of Assigned Contracts made in the ordinary course of business consistent with past practice and which would not have a Seller's Material Adverse Effect;
- (g) any notice (written or oral) to Seller that any Assigned Contract has been breached or repudiated or will be breached or repudiated;
- (h) any dividends or distributions paid to Stockholders of affiliates of Seller or stockholders;
- (i) any action that if taken after the Effective Date would constitute a breach of any of the covenants in Section 6.1 hereof.

4.11. Legal Proceedings. There is no action, suit, litigation, proceeding or investigation pending or threatened by or against Seller that would have a Material Adverse Effect on Seller's Business or the Acquired Assets. Seller has not received any written or oral claim, complaint, incident, report, threat, claim or notice of any such proceeding relating to the Acquired Assets. There are no outstanding orders, writs, judgments, injunctions or decrees of any court, governmental agency or arbitration tribunal against, involving or affecting Seller or the Acquired Assets, and there are no facts or circumstances which may result in the institution of any such action, suit, claim or legal, administrative or arbitration proceeding or investigation against, involving or affecting Seller, the Acquired Assets or the transactions contemplated hereby. Seller is not in default with respect to any order, writ, injunction or decree known to or served upon it from any court or any Federal, state, municipal or other governmental department, commission, board, bureau, agency or instrumentality, domestic or foreign.

4.12. Solvency and Value of Transfer. There is no bankruptcy or insolvency proceeding of any character including without limitation, bankruptcy, receivership, reorganization, dissolution or arrangement with creditors, voluntary or involuntary, affecting Seller and Seller has not taken any action in contemplation of, or which would constitute the basis for, the institution of any such proceedings. The value of the Purchase Price is a negotiated value that represents fair value for the Acquired Assets, as indicated in Section 2.3. As of the Closing Date, after the cash portion of the Purchase Price is paid as provided for under this Agreement, the fair value of all of Seller's assets (including a reasonable estimate of the balance of the Purchase Price) will be equal to or greater than the total amount of the retained debts of Seller. Seller's sale of the Acquired Assets has not been undertaken with the intention to hinder, delay, or defraud Seller's current or future creditors.

4.13. Payment Programs. Neither Seller nor any of Seller's directors, officers, employees or agents has, directly or indirectly: (i) offered to pay in cash, property or in kind, or made any financial arrangements with any past or present customer, supplier, contractor, third party, in order to induce or directly or indirectly obtain business or payments from such person for purchasing,

leasing, ordering or arranging for or purchasing; (i) leasing, or ordering any good, facility, service or item; except for items of nominal value and routine business entertainment (ii) given or received, or agreed to give or receive, or is aware that there has been made or that there is any agreement to make or receive, any gift or gratuitous payment or benefit of any kind, nature or description (including without limitation in money, property or services) to any past, present or potential customer, supplier, contractor, or any other person; (iii) made or agreed to make, or is aware that there has been made or that there is any agreement to make, any contribution, payment or gift of funds or property to, or for the private use of any governmental official, employee or agent, where either the contribution, payment or gift or the purpose of such contribution, payment or gift is or was illegal under the laws of the United States or under the laws of any state thereof or any other jurisdiction in which such payment, contribution or gift was made; (iv) established or maintained any unrecorded fund or asset for any purpose or made any false or artificial entries on any of its books or records for any reason; or (v) made or received or agreed to make or receive, or is aware that there has been made or received or that there has been any intention to make or receive, any payment to any person with the intention or understanding that any part of such payment would be used for any purpose other than that described in the documents supporting such payment. This Section 4.13 shall not apply to gifts of nominal value or to any business entertainment conducted in the ordinary course of business.

4.14. Compliance with Laws.

4.17. No Undisclosed Liability. Except as and to the extent of the amounts specifically accrued or disclosed in the Financial Statements, Seller does not have any liabilities or obligations of any nature whatsoever, due or to become due, accrued, absolute, contingent or otherwise, whether or not required by GAAP to be reflected on a balance sheet with respect to the Assumed Liabilities or relating to the Acquired Assets, except for liabilities and obligations incurred in the ordinary course of business and consistent with past practice since the date of the Interim Financial Statement, none of which individually or in the aggregate has a Seller's Material Adverse Effect. Accordingly, a party may obtain a restraining order and/or injunction prohibiting a breach or threatened breach of the provisions of this Section, in addition to any other legal or equitable remedies that may be available. If requested by legal process to disclose any Confidential Information of another party, the party in receipt of such request shall promptly give notice thereof to the other party so that such party may, at its own cost and expense, seek an appropriate protective order or, in the alternative, waive compliance to the extent necessary to comply with such request if a protective order is not obtained. In the event of a violation, Seller agrees that it would be virtually impossible for Buyer to calculate its monetary damages and that Buyer would be irreparably harmed. If Buyer seeks such temporary restraining order or preliminary injunction, Buyer shall not be required to post any bond with respect thereto, or, if a bond is required, it may be posted without surety thereon. If any restriction contained in this Section 7.2 is held by any court to be unenforceable, or unreasonable, as to time, geographic area or business limitation, Seller agrees that such provisions shall be and are hereby reformed to the maximum time, geographic area or business limitation permitted by applicable laws. The parties further agree that the remaining restrictions contained in this Section 7.2 shall be severable and shall remain in effect and shall be enforceable independently of each other.

(d) Seller specifically acknowledges, represents and warrants that the covenants set forth in this Section are reasonable and necessary to protect the legitimate interests of Buyer, and Buyer would not have entered into this Agreement in the absence of such covenants.

The obligations of both Buyer and Seller under this Agreement are conditioned upon there being, as of the Closing Date, no preliminary or permanent injunction or other order, decree or ruling issued by a court of competent jurisdiction or by a governmental agency concerning this Agreement which would make illegal or otherwise prevent consummation of this Agreement in accordance with its terms, and no proceeding or action brought by any governmental authority seeking the foregoing shall be pending.

ARTICLE IX SURVIVAL OF REPRESENTATIONS AND WARRANTIES; INDEMNIFICATION

9.1. Survival of Representations and Warranties. All Buyer and Seller representations and warranties contained in this Agreement or any other agreement, schedule, certificate, instrument or other writing delivered by Buyer, Seller or Stockholders in connection with this transaction shall survive for two (2) years after the Closing Date. If a party hereto determines that there has been a breach by any other party hereto of any such representation or warranty and notifies the breaching party in writing reasonably promptly after learning of such breach, such representation or warranty and liability therefor shall survive with respect to the specified breach until such breach has been resolved, but no party shall have any liability after such two (2) year period for any matters not specified in a writing delivered within such two (2) year period. Notwithstanding any term in this Section 9.1, the period during which the Contingent Payments are to be made shall be the survival period for any matter relating to (a) fraud, willful, intentional or reckless misrepresentation or willful omission of a material fact in connection with this Agreement or the Acquisition Agreements and the transactions contemplated hereby or thereby or (b) any liability relating to personal injury.

9.2. Indemnification by Seller. **SUBJECT TO THE PROVISIONS OF SECTION 9.4 BELOW AND IN AN AMOUNT UP TO BUT NOT EXCEEDING THE PURCHASE PRICE, SELLER AGREES TO INDEMNIFY, DEFEND AND HOLD BUYER HARMLESS, ON DEMAND, FROM AND AGAINST THE FOLLOWING:**

(a) Any and all Material Losses (as defined in GAAP) of every kind, nature or description which arise out of or result from or as a consequence of (i) any intentionally false or incorrect representation or warranty or breach thereof made by or on behalf of Seller in this Agreement (including the Exhibits and Schedules hereto) or in any of the Acquisition Agreements provided that Seller shall not be obligated to indemnify Buyer as to any single breach to the extent the loss or claim arising from an incorrect representation is less than \$10,000 or until the aggregate of such breaches of representation and warranty exceed \$100,000 in the aggregate; or (ii) any failure by Seller to perform, comply with or observe any one or more of their covenants, agreements or obligations contained in this Agreement or in any other agreement, instrument or document delivered to Buyer in connection with this Agreement or any of the transactions contemplated by this Agreement unless such failure is caused by Buyer's actions or inactions; and

(b) Without limiting the generality of the foregoing provisions of this Section 9.2 with respect to the measurement of damages, Buyer shall have the right to be put in the same financial position as it would have been in had the representations and warranties of Seller been true and correct, had each of the covenants of Seller been performed in full, and had Seller paid, discharged and performed all of its liabilities and obligations. However, in no event will Seller be liable for any

special, indirect, consequential, incidental or punitive damages, including without limitation lost profits, regardless of the cause.

(c) . Buyer shall be entitled to offset any amounts owed to it by Seller hereunder, including but not limited to this Section 9.2 against any Contingent/Earn-Out Payments [use defined term] owed to Seller hereunder.

9.3. Indemnification by Buyer. **SUBJECT TO THE PROVISIONS OF SECTION 9.4 BELOW, BUYER AGREES UNCONDITIONALLY TO INDEMNIFY, DEFEND AND HOLD SELLER HARMLESS, ON DEMAND, FROM AND AGAINST ANY AND ALL OF THE FOLLOWING THAT COULD REASONABLY RESULT IN A JUDGMENT OR LEGAL ACTION:**

(a) Any and all Losses of every kind, nature or description which arise out of or result from or as a consequence of (i) any false or incorrect or misleading representation or warranty or breach thereof made by or on behalf of Buyer in this Agreement (including the Exhibits and Schedules hereto) or in any of the Acquisition Agreements provided that Buyer shall not be obligated to indemnify Seller as to any single breach to the extent the loss or claim arising from an incorrect representation is less than \$10,000 or until the aggregate of such breaches of representation and warranty exceed \$100,000 in the aggregate; or (ii) any failure by Buyer to perform, comply with or observe any one or more of its covenants, agreements, or obligations contained in this Agreement or in any other agreement, instrument or document delivered to Seller in connection with this Agreement or any of the transactions contemplated by this Agreement and unless such failure is caused by Seller's actions or inactions; and

(b) Without limiting the generality of the foregoing provisions of this Section 9.3 with respect to the measurement of damages, Seller shall have the right to be put in the same financial position as it would have been in had the representations and warranties of Buyer been true and correct, had each of the covenants of Buyer been performed in full, and had Buyer paid, discharged and performed all of its respective liabilities and obligations. However, in no event will Buyer be liable for any special, indirect, consequential, incidental or punitive damages, including without limitation lost profits, regardless of the cause.

9.4. Indemnification Process. Any party seeking indemnification under this Article IX (an "Indemnified Party") shall give each party from whom indemnification is being sought (each, an "Indemnifying Party") notice of any matter which such Indemnified Party has determined has given rise to or could give rise to a right of indemnification under this Agreement, stating the amount of the loss, if known, and method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed or arises. The obligations and liabilities of an Indemnifying Party under this Article IX with respect to Losses arising from claims of any third party which are subject to the indemnification provided for in this Article IX ("Third Party Claims") shall be governed by and contingent upon the following additional terms and conditions:

(a) If any Indemnified Party shall receive notice of any Third Party Claim, the Indemnified Party shall give the Indemnifying Party notice of such Third Party Claim within thirty (30) days of the

receipt by the Indemnified Party of such notice; provided, however, that the failure to provide such notice shall not release the Indemnifying Party from any of its obligations under this Article IX except to the extent the Indemnifying Party is materially prejudiced by such failure.

(b) If the Indemnifying Party acknowledges in writing its obligation to indemnify the Indemnified Party hereunder against any losses that may result from such Third Party Claim, then the Indemnifying Party shall be entitled to assume and control the defense of such Third Party Claim at its expense and through counsel of its choice if it gives notice of its intention to do so to the Indemnified Party within thirty (30) days of the receipt of such notice from the Indemnified Party; provided, further however, that if it would be detrimental to the defense of the Indemnified Party for the same counsel to represent both the Indemnified Party and the Indemnifying Party, then the Indemnified Party shall be entitled to retain its own counsel, in each jurisdiction for which the Indemnified Party determines counsel is required, at the expense of the Indemnifying Party.

(c) In the event the Indemnifying Party exercises the right to undertake any such defense against any such Third Party Claim as provided above, the Indemnified Party shall cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party, at the Indemnifying Party's expense, all witnesses, pertinent records, materials and information in the Indemnified Party's possession or under the Indemnified Party's control relating thereto as is reasonably required by the Indemnifying Party. Similarly, in the event the Indemnifying Party declines to take such defense and the Indemnified Party is, directly or indirectly, conducting the defense against any such Third Party Claim, the Indemnifying Party shall cooperate with the Indemnified Party in such defense and make available to the Indemnified Party, at the Indemnifying Party's expense, all such witnesses, records, materials and information in the Indemnifying Party's possession or under the Indemnifying Party's control relating thereto as is reasonably required by the Indemnified Party.

(d) If the Indemnifying Party shall have failed to assume the defense of any claim in accordance with the provisions of this article, then the Indemnified Party shall have the absolute right to control the defense of such claim and, if and when it is finally determined that the Indemnified Party is entitled to indemnification from the Indemnifying Party hereunder, the fees and expenses of the Indemnified Party's counsel shall be borne by the Indemnifying Party and paid by the Indemnifying Party to the Indemnified Party within five (5) business days of written demand therefor along with appropriate supporting documents, but the Indemnifying Party shall be entitled, at its own expense, to participate in (but not control) such defense.

(e) So long as the Indemnifying Party has assumed and is conducting the defense of the Third Party Claim in accordance with Sec. 9.4(b) above, (i) the Indemnifying Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnified Party (not to be withheld unreasonably provided that the Indemnified Party is completely released from all claims) unless the judgment or proposed settlement involves only the payment of money damages by the Indemnifying Party and does not impose an injunction or other equitable relief upon the Indemnified Party and (ii) the Indemnified Party will not consent to the entry of any judgment or enter into any settlement with respect to the Third Party Claim without the prior written consent of the Indemnifying Party (not to be withheld unreasonably).

**ARTICLE X
MISCELLANEOUS**

10.1. Termination. This Agreement may be terminated and the transaction contemplated hereby may be abandoned at any time prior to the Closing Date as follows:

(a) By mutual written consent of Buyer and Seller;

(b) By either Buyer or Seller, if Closing shall not have occurred on or before August 25, 2009 unless extended by written agreement of the parties or pursuant to Section 10.1(d) or 10.1(e) provided, however, that the right to terminate this Agreement under this Section 10.1(b) shall not be available to the party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or resulted in, the failure of Closing to occur on or before such date;

(c) By either Buyer or Seller, if any final and nonappealable order or other legal restraint or prohibition preventing the consummation of the transaction contemplated by this Agreement shall have been issued by any governmental authority or any Law shall have been enacted or adopted that enjoins, prohibits or makes illegal consummation of the transaction;

(d) By Buyer, upon a breach of, or failure to perform in any material respect (which breach or failure cannot be or has not been cured within thirty (30) days after the giving of notice of such breach or failure with the Closing extended until the end of the cure period), any representation, warranty, covenant or agreement on the part of Seller set forth in this Agreement, such that a condition set forth in Section 8.1 would not be satisfied; or

(e) By Seller, upon a breach of, or failure to perform in any material respect (which breach or failure cannot be or has not been cured within thirty (30) days after the giving of notice of such breach or failure with the Closing extended until the end of the cure period), any representation, warranty, covenant or agreement on the part of Buyer set forth in this Agreement, such that a condition set forth in Section 8.2 would not be satisfied.

10.2. Notice of Termination: Effect of Termination. In the event of termination of this Agreement by either Buyer or Seller pursuant to Section 10.1 (b), (c), (d) or (e) hereof, the terminating party shall give prompt written notice thereof to the nonterminating party. In the event of termination of this Agreement pursuant to Section 10.1, this Agreement shall be of no further effect, there shall be no liability under this Agreement on the part of either Buyer or Seller and all rights and obligations of each party hereto shall cease, provided, however, that nothing herein shall relieve any party from liability for the breach of any of its representations and warranties or the breach of any of its covenants or agreements set forth in this Agreement.

10.3. Expenses. Each of the parties hereto shall pay its own fees, costs and expenses incurred in connection with the negotiation, preparation, execution and delivery of this Agreement and the consummation of the transactions contemplated hereby.

10.4. Entire Subject Matter: Amendment. This Agreement, together with its Schedules and Exhibits and all ancillary agreements and exhibits and schedules thereto to be delivered at Closing, contains the entire understanding of the parties with respect to the subject matter hereof and

supersedes all prior agreements, either oral or written. The Agreement may not be amended, or any term or condition waived, unless signed by the party to be charged or making the waiver. Each party to this Agreement acknowledges that no representations, inducements, promises, or agreements, orally or otherwise, have been made by other party(ies), or by anyone acting on behalf of any party, that are not embodied herein, and that no other agreement, statement, or promise not contained in this Agreement shall be valid or binding.

10.5. Assignment. No party hereto shall assign or otherwise transfer this Agreement or any of its rights hereunder, or delegate any of its obligations hereunder, without the prior written consent of the other party; provided, however, that Buyer shall be permitted, without the consent of Seller, to assign or otherwise transfer this Agreement or any of its rights hereunder: (a) upon the purchase or sale of all or substantially all of the assets or stock of Buyer or the transfer (by operation of law or otherwise) of the ownership or control of Buyer to the purchaser of such assets or stock or the transferee of such interests; or (b) to any Affiliate of Buyer or to any business entity to be formed by Buyer. Subject to the foregoing, this Agreement and the rights and obligations set forth herein shall inure to the benefit of, and be binding upon the parties hereto, and each of their respective successors, heirs and assigns.

10.6. Counterparts. This Agreement may be executed in two or more counterparts, any one of which need not contain the signatures of all parties, but all of which counterparts when taken together will constitute one and the same agreement.

10.7. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas applicable to contracts made and to be performed in that State. As to any lawsuits, the courts of Harris County, Texas shall have exclusive jurisdiction.

10.8. Schedules and Exhibits. The Schedules and Exhibits attached hereto are an integral part of this Agreement. All exhibits and schedules attached to this Agreement are incorporated herein by this reference and all references herein to this "Agreement" shall mean this Asset Purchase Agreement together with all such exhibits and schedules, and all ancillary agreements and exhibits and schedules thereto to be delivered at Closing.

10.9. Severability. Any provision hereof which is held to be prohibited or unenforceable in any jurisdiction will, as to such jurisdiction, be adjusted rather than avoided, if possible, in order to achieve the intent of the parties to this Agreement to the extent possible without in any manner invalidating the remaining provisions hereof.

10.10. Notices. Each party acknowledges that such party has had a full opportunity to review this Agreement and all related exhibits, schedules and ancillary agreements and to negotiate any and all such documents in its sole discretion, without any undue influence by any other party hereto or any third party.

10.12. Construction. The parties have participated jointly in the negotiations and drafting of this Agreement and in the event of any ambiguity or question of intent or interpretation, no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

10.13. Headings. The section headings contained in this Agreement are inserted for convenience only and shall not affect in any way the meaning or interpretation of this Agreement.

10.14. Waivers. No waiver by any party, whether express or implied, of its rights under any provision of this Agreement shall constitute a waiver of the party's rights under such provisions at any other time or a waiver of the party's rights under any other provision of this Agreement. No failure by any party to take any action against any breach of this Agreement or default by another party shall constitute a waiver of the former party's right to enforce any provision of this Agreement or to take action against such breach or default or any subsequent breach or default by the other party. To be effective any waiver must be in writing and signed by the waiving party.

10.15. Arbitration. The Parties agree that any and all disputes arising out of the terms of this Agreement, their interpretation, and any of the matters herein discussed, shall be subject to binding arbitration in the County of Harris, Texas, using the rules, but not the offices or auspices of the American Arbitration Association under its Commercial Arbitration Rules, with a single arbitrator. The Parties agree that the prevailing Party in any arbitration shall be entitled to injunctive relief in any court of competent jurisdiction to enforce the arbitration award. The Parties agree that the prevailing Party in any arbitration shall be awarded its reasonable attorneys' fees and costs. Except as specifically provided for herein, the Parties hereby agree to waive their right to have any dispute between them resolved in a court of law by a judge or jury. The arbitration shall be conducted by a single arbitrator. The arbitration also will be subject to the following agreed terms:

(a) After written notice of potential claim by any Party, each Party will have thirty (30) calendar days to submit the names of one or more proposed arbitrators;

(b) The Parties will then have ten (10) Business Days to agree upon the arbitrator based upon the names proposed;

(c) If the Parties cannot agree upon the arbitrator, either Party will have (15) Business Days to file a motion or petition with a District Court in the State of Texas, in and for the County of Harris, for the sole purpose of having the court designate the arbitrator;

(d) Resolution of the dispute shall be based solely upon the evidence and the law governing the claims and defenses pleaded, and the arbitrator may not invoke any basis other than such controlling law, including but not limited to, notions of "just cause"; and

(e) The arbitrator shall not award punitive damages. The arbitrator may award attorney's fees and costs of arbitration.

10.16. Arbitration of Working Capital and Contingent Payments. The above notwithstanding, any disputes regarding calculation of the Working Capital Balance as described in Section 1.2 or the Contingent Payments as described in Section 2.4 shall be promptly determined pursuant to the Texas Arbitration Act with a single arbitrator appointed by the managing partner of the Houston, Texas office of KPMG LLP. Initial costs of the arbitration shall be borne equally by Buyer and Seller; provided, the arbitrator may award attorney's fees and costs of arbitration.

THEREFORE, the parties hereto have executed, or caused this Asset Purchase Agreement to be executed by their duly authorized representatives, as of the date first written above.

EXHIBIT A

**ASSIGNMENT AND ASSUMPTION
AND BILL OF SALE**

This Assignment and Assumption and Bill of Sale (the "Agreement"), is made and entered into this ____ day of August, 2009 by and between VMonitor, Inc. ("Seller"), and [A] LLC ("Buyer").

RECITALS

WHEREAS, Seller and Buyer are parties to an Asset Purchase Agreement effective as of August 7, 2009 (the "Purchase Agreement"), whereby (i) Seller has agreed to assign and the Buyer has agreed to assume, the Assumed Liabilities (as defined in the Purchase Agreement) and (ii) Seller has agreed to sell, convey, transfer, assign and deliver to Buyer the Acquired Assets (as defined in the Purchase Agreement); and

WHEREAS, all capitalized terms not defined herein shall have the meanings ascribed to such terms in the Purchase Agreement.

NOW, THEREFORE, pursuant to the Purchase Agreement, and in consideration of the mutual promises, covenants and agreements therein and hereinafter set forth and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment and Assumption of Assumed Liabilities.

(a) Seller hereby assigns to Buyer, its successors and assigns, and Buyer hereby assumes, in accordance with the terms and conditions of the Purchase Agreement and the Assumed Liabilities the Acquired Assets as defined in the Purchase Agreement. Notwithstanding anything in this Agreement to the contrary, except as specifically set forth in the Purchase Agreement, Buyer shall not assume nor be deemed to have assumed any debt, claim, obligation or other liability of Seller or any Affiliate of Seller, whether known or unknown, accrued or unaccrued, fixed or contingent, natural or unnatural, whether arising out of occurrences, events or actions prior to, at or after the Closing Date.

(b) In the event that Seller and/or Buyer determines after execution of this Agreement that one or more contracts or agreements between Seller and any third party necessary to operate the Acquired Assets was not designated as an Assigned Contract or an Assigned Personal Property Lease (each an "Omitted Agreement"), and the parties consent in writing to the assignment and assumption of such Omitted Agreement, which consent shall not be unreasonably withheld, then, such Omitted Agreement shall be deemed assigned by Seller to Buyer as of 12:01 a.m. on the Closing Date.

(c) Seller hereby authorizes and directs all obligors under any Assigned Contracts and Assigned Personal Property Leases included in the Assumed Liabilities, to deliver any warrants,

checks, drafts or payments to be issued or paid to Seller pursuant to the Assigned Contracts or the Assigned Personal Property Leases to Buyer for periods after the Effective Date; and Seller further authorizes Buyer to receive such warrants, checks, drafts or payments from such obligors and to endorse Seller's name on them and to collect all funds due or to become due under the Assigned Contracts and the Assigned Personal Property Leases.

(d) Any payment that may be received by Seller to which Buyer is entitled by reason of this Agreement or the Purchase Agreement shall be received by Seller as trustee for Buyer, and will be immediately delivered to Buyer without commingling with any other funds of Seller.

(e) Notice of the assignment under this Agreement may be given at the option of either party to all parties to the Assigned Contracts and the Assigned Personal Property Leases (other than Seller) or to such parties' duly authorized agents.

(f) The assumption by Buyer of any Assumed Liabilities shall not enlarge the rights of any third party with respect to any Assumed Liabilities, nor shall it prevent Buyer, with respect to any party other than Seller, from contesting or disputing any Assumed Liability.

(g) Seller hereby appoints Buyer, its successors and assigns, as the true and lawful attorney-in-fact of Seller, with full power of substitution, having full right and authority, in the name of Seller, to collect or enforce for the account of Buyer, liabilities and obligations of third parties under the Assumed Liabilities; to institute and prosecute all proceedings Buyer may deem proper in order to enforce any claim to obligations owed under the Assumed Liabilities, to defend and compromise any and all actions, suits or proceedings in respect of the Assumed Liabilities, and to do all such acts in relation to the Assumed Liabilities that Buyer may deem advisable. Seller agrees that the above-stated powers are coupled with an interest and shall be irrevocable by Sellers.

2. Bill of Sale.

(a) Seller hereby sells, conveys, transfers, assigns and delivers to Buyer, its successors and assigns, free and clear of any pledge, lien, option, security interest, mortgage or other encumbrance, and Buyer does hereby acquire from Seller, all right, title and interest in, to and under the Acquired Assets. The Acquired Assets shall include all rights, privileges, hereditaments and appurtenances belonging, incident or appertaining to the Acquired Assets.

(b) Notwithstanding anything contained herein, Buyer is not purchasing from Seller any Excluded Assets.

(c) It is understood by both Seller and Buyer that, contemporaneously with the execution and delivery of this Agreement, Seller may be executing and delivering to Buyer certain further assignments and other instruments of transfer which in particular cover certain of the property and assets described herein or in the Purchase Agreement, the purpose of which is to supplement, facilitate and otherwise implement the transfer intended hereby.

(d) Seller does hereby irrevocably constitute and appoint the Buyer, its successors and assigns, its true and lawful attorney, with full power of substitution, in its name or otherwise, and on behalf of Seller, or for its own use, to claim, demand, collect and receive at any time and from time

to time any and all Acquired Assets, properties, claims, accounts and other rights, tangible or intangible, hereby sold, transferred, conveyed, assigned and delivered, or intended so to be, and to prosecute the same at law or in equity and, upon discharge thereof, to complete, execute and deliver any and all necessary instruments of satisfaction and release.

3. Consummation of Purchase Agreement. This Agreement is intended to evidence the consummation of the assignment by Seller and assumption by the Buyer of the Assumed Liabilities and the sale by Seller and the purchase by Buyer of the Acquired Assets contemplated by the Purchase Agreement. Buyer and Seller by their execution of this Agreement each hereby acknowledges and agrees that neither the representations and warranties nor the rights and remedies of any party under the Purchase Agreement shall be deemed to be enlarged, modified or altered in any way by this Agreement. Any inconsistencies or ambiguities between this Agreement and the Purchase Agreement shall be resolved in favor of the Purchase Agreement.

4. Binding Effect. This Agreement shall be binding upon and inure to the benefit of the parties and their respective successors and assigns.

5. Further Assurances. After the Closing Date, each party will from time to time, at the other party's request and without further cost to the party receiving the request, execute and deliver to the requesting party such other instruments and take such other action as the requesting party may reasonably request so as to enable it to exercise and enforce its rights under and fully enjoy the benefits and privileges with respect to this Agreement and to carry out the provisions and purposes hereof.

6. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Texas applicable to agreements made and to be performed in that State without giving effect to conflicts of law principles.

7. Counterparts. This Agreement may be signed in any number of counterparts and all such counterparts shall be read together and construed as one and the same document.

IN WITNESS WHEREOF, the undersigned have caused this Assignment and Assumption and Bill of Sale to be duly executed on their behalf on the day and year first above written.
